Specific Instructions

File Form 1099-PATR, Taxable Distributions Received From Cooperatives, for each person to whom the cooperative has paid at least \$10 in patronage dividends and other distributions described in section 6044(b), or from whom you withheld any federal income tax under the backup withholding rules regardless of the amount of the payment. A cooperative determined to be primarily engaged in the retail sale of goods or services that are generally for personal, living, or family use of the members may ask for and receive exemption from filing Form 1099-PATR. See Form 3491, Consumer Cooperative Exemption Application, for information about how to apply for this exemption. Report dividends paid on a cooperative's capital stock on Form 1099-DIV, Dividends and Distributions.

Report on Form 1099-PATR only items of income, expenses, and credits that you properly pass through to patrons for reporting on the patron's tax return.

Exceptions. Generally, you are not required to file Form 1099-PATR for payments made to a corporation, a tax-exempt organization including tax-exempt trusts (HSAs, Archer MSAs, and Coverdell ESAs), the United States, a state, a possession, or the District of Columbia. See Regulations section 1.6044-3(c).

Statements to Recipients

If you are required to file Form 1099-PATR, you must furnish a statement to the recipient. For more information about the requirement to furnish statements to recipients, see part M in the 2022 General Instructions for Certain Information Returns.

Truncating recipient's TIN on payee statements. Pursuant to Regulations section 301.6109-4, all filers of this form may truncate a payee's TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)) on payee statements. Truncation is not allowed on any documents the filer files with the IRS. A filer's TIN may not be truncated on any form. See part J in the 2022 General Instructions for Certain Information Returns.

2nd TIN Not.

You may enter an "X" in this box if you were notified by the IRS twice within 3 calendar years that the payee provided an incorrect TIN. If you mark this box, the IRS will not send you any further notices about this account.

However, if you received both IRS notices in the same year, or if you received them in different years but they both related to information returns filed for the same year, do not check the box at this time. For purposes of the two-notices-in-3-years rule, you are considered to have received one notice and you are not required to send a second "B" notice to the taxpayer on receipt of the second notice. See part N in the 2022 General Instructions for Certain Information Returns for more information.

For information on the TIN Matching System offered by the IRS, see Items You Should Note in the 2022 General Instructions for Certain Information Returns.

Account Number

The account number is required if you have multiple accounts for a recipient for whom you are filing more than one Form 1099-PATR. Additionally, the IRS encourages you to designate an account number for all Forms 1099-PATR that you file. See part L in the 2022 General Instructions for Certain Information Returns.
