Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Forms 8804, 8805, 8813, and their instructions, such as legislation enacted after they were published, go to [IRS.gov/Form8804](https://www.irs.gov/Form8804), [IRS.gov/Form8805](https://www.irs.gov/Form8805), and [IRS.gov/Form8813](https://www.irs.gov/Form8813), respectively.

What's New

New tax rates for 2018. For tax years beginning after December 31, 2017, and before January 1, 2026, the maximum tax rate for non-corporate foreign partners has decreased from 39.6% to 37%. For tax years beginning after December 31, 2017, the maximum tax rate for foreign corporate partners has decreased from 35% to 21%.

Tax rates for fiscal year filers. P.L. 115-97 replaced the graduated corporate tax structure with a flat 21% corporate tax rate, effective for tax years beginning after December 31, 2017. Therefore, as discussed above, the maximum tax rate for foreign corporate partners has decreased from 35% to 21%. However, under section 15, section 1446 partnerships with fiscal tax years beginning before January 1, 2018, and ending after December 31, 2017, figure the section 1446 tax liability on the ECTI allocable to foreign corporate partners by blending the rates in effect before January 1, 2018, with the rate in effect after December 31, 2017. See the [Blended tax rate for foreign corporate partners in fiscal year partnerships](#) under the [instructions for line 5a](#), later

General Instructions

Purpose of Forms

Use Forms 8804, 8805, and 8813 to pay and report section 1446 withholding tax based on effectively connected taxable income (ECTI) allocable to foreign partners (as defined in section 1446(e)).

Use Form 8804 to report the total liability under section 1446 for the partnership's tax year. Form 8804 is also a transmittal form for Form(s) 8805.

Use Form 8805 to show the amount of ECTI and the total tax credit allocable to the foreign partner for the partnership's tax year.

File a separate Form 8805 for each foreign partner. See [Reporting to Partners](#), later, and the [instructions for line 8b of Form 8805](#), later, to determine when Form 8805 is required even if no section 1446 withholding tax was paid. Attach Copy A of each Form 8805 to the Form 8804 filed with the IRS.

Foreign partners must attach Form 8805 to their U.S. income tax returns to claim a withholding credit for their shares of the section 1446 tax withheld by the partnership. Any U.S. person erroneously subjected to the withholding tax would also receive Form 8805 from a partnership, and the Form 8805 should be attached to the U.S. person's income tax return to claim a withholding credit. A partnership that receives a Form 8805 from a lower-tier partnership should see [Tiered Partnerships](#), later.

Form 8805 can also be completed, in some cases, by a foreign trust or estate. A foreign partner that is a foreign trust or estate must complete Schedule T of Form 8805 to report to the trust's or estate's beneficiaries the section 1446 withholding tax that can be claimed as a withholding tax credit on the beneficiaries' income tax returns. See [Schedule T—Beneficiary Information](#), later.

Use Form 8813 to pay the withholding tax under section 1446 to

the United States Treasury. Form 8813 must accompany each payment of section 1446 tax made during the partnership's tax year.

Who Must File

Every partnership (other than a publicly traded partnership) that has effectively connected gross income allocable to a foreign partner must file a Form 8804, regardless of whether it had ECTI allocable to a foreign partner. The partnership must also file a Form 8805 for each partner on whose behalf it paid section 1446 tax, regardless of whether the partnership made any distributions during its tax year. The partnership can designate a person to file the forms. The partnership, or person it designates, must file these forms even if the partnership has no withholding tax liability under section 1446.

When To File

Forms 8804 and 8805

Generally, file these forms on or before the 15th day of the 3rd month following the close of the partnership's tax year. For partnerships that keep their records and books of account outside the United States and Puerto Rico, the due date is the 15th day of the 6th month following the close of the partnership's tax year. If the partnership is permitted to file these forms on or before the 15th day of the 6th month, check the box at the top of Form 8804.

If a due date falls on a Saturday, Sunday, or legal holiday, file by the next business day.

File Forms 8804 and 8805 separately from Form 1065 or Form 1065-B.

If you need more time, you can file Form 7004 to request an extension of time to file Form 8804.

Note. Filing a Form 7004 **doesn't** extend the time for payment of tax.

Form 8813

File on or before the 15th day of the 4th, 6th, 9th, and 12th months of the partnership's tax year for U.S. income tax purposes.

Where To File

File Forms 8804, 8805, and 8813 with:

Internal Revenue Service Center
P.O. Box 409101
Ogden, UT 84409

Amended Form 8804

A partnership can file an amended Form 8804 to correct a previously filed Form 8804. To do so, complete a new Form 8804 with the corrected information. Write "Amended" in the top margin of the form and write "Corrected" on any Forms 8805 attached to the Form 8804. File the amended form with the address shown under [Where To File](#), earlier.

For the requirements for and the limits on obtaining a refund of the 1446 tax based on an amended Form 8804, see Regulations section 1.1446-3(d)(2)(iv).

Taxpayer Identification Number (TIN)

To ensure proper crediting of the withholding tax when reporting to the IRS, a partnership must provide a U.S. TIN for each foreign partner. The partnership should notify any of its foreign partners without such a number of the necessity of obtaining a U.S. TIN. An individual's TIN is the individual's social security number (SSN) or individual taxpayer identification number (ITIN). Any other partner's identification number is its U.S. employer identification number (EIN).

Certain aliens who don't have and aren't eligible to get an SSN can apply for an ITIN on Form W-7. The application is also available in Spanish.

Requirement To Make Withholding Tax Payments

A foreign or domestic partnership that has ECTI allocable to a foreign partner must pay a withholding tax equal to the applicable percentage of the ECTI that is allocable to its foreign partners. However, this requirement doesn't apply to a partnership treated as a corporation under the general rule of section 7704(a). [ECTI](#) and [applicable percentage](#) are defined later.

Withholding Agents

For ease of reference, these instructions refer to various requirements applicable to withholding agents as requirements applicable to partnerships themselves.

Determining If a Partner Is a Foreign Person

A partnership must determine if any partner is a foreign partner subject to section 1446. A foreign partner (as defined in section 1446(e)) is any partner who isn't a U.S. person, as defined in section 7701(a)(30). As such, a foreign person includes a nonresident alien individual, foreign corporation, foreign partnership, foreign trust or estate, or a foreign organization described in section 501(c).

A partnership can determine a partner's foreign or nonforeign status by relying on a W-8 form (for example, Form W-8BEN), Form W-9, an acceptable substitute form, or by other means. See [Form of certification](#) below and [Use of Means Other Than Certification](#), later. Also, see Regulations section 1.1446-1(c) for additional information.

Certification of Nonforeign Status

In general, a partnership can determine that a partner isn't a foreign person by obtaining a Form W-9 from the partner. A partnership that has obtained this certification can rely on it to establish the nonforeign status of a partner. See [Effect of certification](#), later.

Form of certification. Generally, a partnership can determine a partner's foreign or nonforeign status by obtaining one of the following withholding certificates from the partner.

- Form W-8BEN.
- Form W-8BEN-E.
- Form W-8ECI.
- Form W-8EXP.
- Form W-8IMY.
- Form W-9.
- An acceptable substitute form (as described in Regulations section 1.1446-1(c)(5)).
- A statement required from a domestic grantor trust (as described in Regulations section 1.1446-1(c)(2)(ii)(E)) with the necessary documentation required for the trust and the grantor.

Effect of certification. Generally, a partnership that has obtained a withholding certificate (for example, a Form W-8 or W-9) according to the rules in these instructions can rely on the certification to determine whether the partner is a foreign or nonforeign partner for purposes of figuring the section 1446 withholding tax, and if such partner is a foreign partner, to determine whether or not such partner is a corporation for U.S. tax purposes. The partnership can

also use the withholding certificate to determine that the partner isn't subject to withholding. A partnership can't rely on a withholding certificate if it knows or has reason to know that any information provided on the withholding certificate is incorrect or unreliable, and based on that information the partnership should pay more section 1446 withholding tax. Under those circumstances, the certificate isn't valid.

The partnership won't be subject to penalties for its failure to pay the section 1446 withholding tax prior to the date that it knows or has reason to know that the certificate isn't valid. However, the partnership is fully liable for section 1446 withholding tax for the year, as well as penalties and interest, starting with the installment period or Form 8804 filing period during which it knows or has reason to know that the certificate isn't valid. See Regulations section 1.1446-1(c)(2)(iii).

Requirements for certificates to be valid. Generally, the validity of a Form W-9 is determined under section 3406 and Regulations section 31.3406(h)-3(e). A Form W-8 is only valid if:

- Its validity period hasn't expired,
- The partner submitting the form has signed it under penalties of perjury, and
- It contains all the required information.

See Regulations section 1.1446-1(c)(2)(iv) for more details.

Change in circumstances. A partner must provide a new withholding certificate when there is a change in circumstances. The principles of Regulations section 1.1441-1(e)(4)(ii)(D) shall apply when a change in circumstances has occurred (including situations where the status of a U.S. person changes) that requires a partner to provide a new withholding certificate.

How long to keep the certifications. A partnership or nominee who has responsibility for paying the section 1446 withholding tax must retain each withholding certificate, statement, and other information received from its direct and indirect partners for as long as it can be relevant to the determination of the withholding agent's section 1446 tax liability under section 1461 and the regulations thereunder.

Use of Means Other Than Certification

A partnership isn't required to obtain a Form W-9. It can rely on other means to learn the nonforeign status of the partner. But if the partnership relies on

other means and erroneously determines that the partner wasn't a foreign person, the partnership will be held liable for payment of the tax, any applicable penalties, and interest. A partnership isn't required to rely on other means to determine the nonforeign status of a partner and can demand a Form W-9. If a certification isn't provided, the partnership can presume the partner is foreign and will be considered for purposes of sections 1461 through 1463 to have been required to withhold section 1446 tax.

Effectively Connected Taxable Income (ECTI)

Definition

ECTI is the excess of the gross income of the partnership that is effectively connected under section 864(c), or treated as effectively connected with the conduct of a U.S. trade or business, over the allowable deductions that are connected to such income. See Pub. 519 for detailed instructions regarding the calculation of ECTI. For purposes of these instructions, figure this income with the following statutory adjustments.

1. Section 703(a)(1) doesn't apply.
2. The partnership is allowed a deduction for depletion of oil and gas wells, but the amount of the deduction must be determined without regard to sections 613 and 613A.
3. The partnership can't take into account items of income, gain, loss, or deduction allocable to any partner that isn't a foreign partner.

See Regulations section 1.1446-2 for additional adjustments that can be required.

A partnership's ECTI includes partnership income subject to a partner's election under section 871(d) or 882(d) (election to treat real property income as income connected with a U.S. business). It also includes any partnership income treated as effectively connected with the conduct of a U.S. trade or business under section 897 (disposition of investment in U.S. real property), and other items of partnership income treated as effectively connected under other provisions of the Internal Revenue Code, regardless of whether those amounts are taxable to the partner.

See Regulations section 1.1446-2 for additional information for calculating ECTI.

Amount Allocable to Foreign Partners

The amount of a partnership's ECTI for the partnership's tax year allocable to a foreign partner under section 704 equals (a) the foreign partner's distributive share of effectively connected gross income of the partnership for the partnership's tax year that is properly allocable to the partner under section 704, minus (b) the foreign partner's distributive share of deductions of the partnership for that year that are connected with that income under section 873 or section 882(c)(1) and that are properly allocable to the partner under section 704. This income must be figured by taking into account any adjustments to the basis of the partnership property described in section 743 according to the partnership's election under section 754. Also, a partnership's ECTI isn't allocable to a foreign partner to the extent the amounts are exempt from U.S. tax for that partner by a treaty or reciprocal agreement, or a provision of the Code.

Certification of Deductions and Losses

A foreign partner, in certain circumstances, can certify to the partnership that it has deductions and losses it reasonably expects to be available to reduce the partner's U.S. income tax liability on the partner's allocable share of effectively connected income or gain from the partnership. In certain circumstances, the partnership can consider and rely on these deductions and losses to reduce the partnership's section 1446 tax.

Note. Foreign partners must submit all certificates (including updated certificates) using Form 8804-C.

See Form 8804-C and its instructions, and Regulations section 1.1446-6 for additional information.

Reductions for State and Local Taxes

In addition to any deductions and losses certified by a foreign partner to the partnership (see [Certification of Deductions and Losses](#) above), the partnership can consider as a deduction of such partner 90% (0.90) of any state and local income taxes withheld and remitted by the partnership on behalf of such partner with respect to the partner's allocable share of partnership ECTI. The partnership can consider the

amount of state and local taxes of the foreign partner regardless of whether the foreign partner submits a certificate to the partnership.

Note. Don't deduct state and local taxes paid on behalf of the partnership. The partnership can only consider as a deduction of a partner **the partner's own state and local income taxes** the partnership withholds and remits on the partner's behalf with respect to the partner's allocable share of partnership ECTI.

Amount of Withholding Tax

Figuring the Tax Payments

Under section 1446, a partnership must make four installment payments of withholding tax during the tax year.

Amount of each installment payment of withholding tax. In general, the amount of a partnership's installment payment is equal to the sum of the installment payments for each of the partnership's foreign partners. A partnership will generally determine the amount of the installment payment for each of its foreign partners by applying the principles of section 6655 and Regulations section 1.1446-3. To do so, use Form 8804-W.

Applicable percentage. For all corporate partners, the section 1446 applicable percentage is 35% (0.35).

For all non-corporate foreign partners, the section 1446 applicable percentage is generally 39.6% (0.396). However, in some circumstances, the partnership can consider the highest rate applicable to a particular type of income allocated to a non-corporate partner if such partner would be entitled to use a preferential rate on such income or gain. See Regulations section 1.1446-3(a)(2) for additional information.

When to make the payment. Make installment payments of the withholding tax under section 1446 with Form 8813 by the applicable due dates during the tax year of the partnership in which the income is earned. The partnership must generally make the installment payments for each foreign partner on or before the 15th day of the 4th, 6th, 9th, and 12th months of the partnership's tax year.

Generally, pay any additional amounts due when filing Form 8804. However, if the partnership files Form 7004 to request an extension of time to

file Form 8804, pay the balance of section 1446 withholding tax estimated to be due with Form 7004 in order to avoid the late payment penalty.

Coordination With Other Withholding Rules

Interest, Dividends, etc.

Fixed or determinable annual or periodical (FDAP) income subject to tax under section 871(a) or 881 isn't included in the partnership's ECTI under section 1446. However, these amounts are independently subject to withholding under the requirements of sections 1441 and 1442 and their regulations.

Real Property Gains

Domestic partnerships. Domestic partnerships subject to the withholding requirements of section 1446 aren't subject to the payment and reporting requirements of section 1445(e)(1) and its regulations for income from the disposition of a U.S. real property interest. A domestic partnership's compliance with the requirement to pay a withholding tax under section 1446 satisfies the requirements under section 1445 for dispositions of U.S. real property interests. However, a domestic partnership that would otherwise be exempt from section 1445 withholding by operation of a nonrecognition provision must continue to comply with the requirements of Regulations section 1.1445-5(b)(2).

Foreign partnerships. A foreign partnership subject to withholding under section 1445(a) during a tax year will be allowed to credit the amount withheld under section 1445(a), to the extent such amount is allocable to foreign partners, against its liability to pay the section 1446 withholding tax for that year. This credit is allowed on line 6d or 6e of the Form 8804 filed by the foreign partnership.

Reporting to Partners

When making an installment payment of the section 1446 withholding tax, a partnership must notify all foreign partners of their allocable shares of any section 1446 withholding tax paid by the partnership. The partners use this information to adjust the amount of estimated tax that they must otherwise pay to the IRS. The notification to the foreign partners must be provided within 10 days of the installment due date, or, if paid later, the date the installment payment is made. See Regulations section 1.1446-3(d)(1)(i) for information

that must be included in the notification and for exceptions to the notification requirement.

If a partnership has gross effectively connected income, it must file a separate Form 8805 for each partner for whom it paid section 1446 tax. In addition, if the partnership reduces ECTI for state and local income tax deductions permitted under Regulations section 1.1446-6(c)(1)(iii) or relies on a Form 8804-C it receives from a partner to reduce its section 1446 tax, it must complete a Form 8805 for the partner even if no tax is paid on behalf of the partner. The foreign partner must also receive a copy of its Form 8805 by the due date of the partnership return (including extensions).

A foreign partner that is a foreign trust or estate must provide to each of its beneficiaries a Form 8805 completed as described under [Schedule T—Beneficiary Information](#), later.

Interest and Penalties

Interest

Interest is charged on taxes not paid by the due date, even if an extension of time to file is granted. Interest is also charged on penalties imposed for failure to file, negligence, fraud, and substantial understatements of tax from the due date (including extensions) to the date of payment. The interest charge is figured at a rate determined under section 6621.

Late Filing of Form 8804

A partnership that fails to file Form 8804 when due (including extensions of time to file) generally can be subject to a penalty of 5% (0.05) of the unpaid tax for each month or part of a month the return is late, up to a maximum of 25% (0.25) of the unpaid tax. The penalty won't apply if the partnership can show reasonable cause for filing late.

If Form 8804 is filed more than 60 days late, the minimum penalty will be \$210, or the amount of any tax owed, whichever is smaller.

If you receive a notice about penalty and interest after you file Form 8804, send us an explanation and we will determine if you meet reasonable-cause criteria. **Don't** attach an explanation when you file Form 8804.

Late Filing of Correct Form 8805

A penalty can be imposed for failure to file each Form 8805 when due

(including extensions). The penalty can also be imposed for failure to include all required information on Form 8805 or for furnishing incorrect information. The penalty is based on when a correct Form 8805 is filed.

The penalty for each failure to file a correct 2017 Form 8805 is \$260, with a maximum penalty of \$3,218,500.

There are some situations where the penalty under section 6721 is reduced or eliminated. This can apply if the partnership:

- Has average annual gross receipts of not more than \$5 million during a specified period of time,
- Corrects the failure to file within a specified period, or
- Has a de minimis number of failures to file correct Forms 8805.

There can also be a higher penalty imposed when the failure is due to intentional disregard of the requirement to file timely correct information returns. For more information, see section 3.51 of Rev. Proc. 2016-55 available at [IRS.gov/irb/2016-45_IRB/ar12.html](#).

Reasonable cause. A partnership can seek a waiver of the penalty if the partnership can establish it had reasonable cause for the failure.

Failure To Furnish Correct Form 8805 to Recipient

A penalty can be imposed for each failure to furnish Form 8805 to the recipient when due. The penalty can also be imposed for each failure to give the recipient all required information on each Form 8805 or for furnishing incorrect information.

The penalty for each failure to furnish a correct 2017 Form 8805 to the recipient is \$260, with a maximum penalty of \$3,218,500.

There are some situations where the penalty under section 6722 is reduced or eliminated. This can apply if the partnership:

- Has average annual gross receipts of not more than \$5 million during a specified period of time,
- Corrects the failure to furnish within a specified period, or
- Has a de minimis number of failures to furnish correct Forms 8805.

There can also be a higher penalty imposed when the failure is due to intentional disregard of the requirement to furnish timely correct information returns. For more information, see section 3.52 of Rev. Proc. 2016-55,

available at [IRS.gov/irb/2016-45_IRB/ar12.html](https://www.irs.gov/irb/2016-45_IRB/ar12.html).

Reasonable cause. A partnership can seek a waiver of the penalty if the partnership can establish it had reasonable cause for the failure.

Late Payment of Tax

The penalty for not paying tax when due is usually $\frac{1}{2}$ of 1% (0.005) of the unpaid tax for each month or part of a month the tax is unpaid. The penalty can't exceed 25% (0.25) of the unpaid tax. The penalty won't apply if the partnership can show reasonable cause for paying late.

If you receive a notice about penalty and interest after you file Form 8804, send us an explanation and we will determine if you meet reasonable-cause criteria. **Don't** attach an explanation when you file Form 8804.

Failure To Withhold and Pay Over Tax

Any person required to withhold, account for, and pay over the withholding tax under section 1446, but who fails to do so, can be subject to a civil penalty under section 6672. The civil penalty is equal to the amount that should have been withheld and paid over.

Other Penalties

Penalties can also be imposed, absent reasonable cause and good faith, for failing to accurately report the amount of tax required to be shown on a return, if any portion of the resulting underpayment is attributable to negligence, substantial understatement of income tax, valuation misstatement, or fraud. See sections 6662 and 6663.

Treatment of Partners

A partnership's payment of section 1446 withholding tax on ECTI allocable to a foreign partner generally relates to the partner's U.S. income tax liability for the partner's tax year in which the partner is subject to U.S. tax on that income.

Amounts paid by the partnership under section 1446 on ECTI allocable to a partner are allowed to the partner as a credit under section 33. The partner can't claim an early refund of withholding tax paid under section 1446.

Amounts paid by a partnership under section 1446 for a partner are to be treated as distributions made to that partner on the earliest of the following.

1. The day on which this tax was paid by the partnership.

2. The last day of the partnership's tax year for which the amount was paid.

3. The last day on which the partner owned an interest in the partnership during that year.

However, the amount of section 1446 withholding tax paid during a tax year by the partnership is generally treated as an advance or draw under Regulations section 1.731-1(a)(1)(ii) to the extent of the partner's share of income for the partnership year. See Regulations section 1.1446-3(d)(2)(v) for more details.

A partner that wishes to claim a credit against its U.S. income tax liability for amounts withheld and paid under section 1446 must attach Copy C of Form 8805 to its U.S. income tax return for the tax year in which it claims the credit.

See Regulations section 1.1446-3(d)(2) for additional information.

Publicly Traded Partnerships (PTP)

A PTP is any partnership whose interests are regularly traded on an established securities market (regardless of the number of its partners). However, it doesn't include a PTP treated as a corporation under the general rule of section 7704(a).

A PTP that has effectively connected income, gain, or loss must withhold tax on distributions of that income made to its foreign partners. The rate is 39.6% (0.396) for non-corporate foreign partners, and 35% (0.35) for corporate partners. The PTP can't consider preferential rates when figuring the section 1446 withholding tax for a partner. The partnership uses Form 1042, Form 1042-S, and Form 1042-T to report withholding from distributions instead of following these instructions. It also must comply with the regulations under section 1461 and Regulations section 1.6302-2.

Tiered Partnerships

The term "tiered partnership" describes the situation in which a partnership owns an interest in another partnership. The former is an "upper-tier partnership" and the latter is a "lower-tier partnership." An upper-tier partnership that owns a partnership interest in a lower-tier partnership is allowed a credit against its own section 1446 withholding tax liability for any section 1446 withholding tax paid by the lower-tier partnership for that partnership interest.

If an upper-tier partnership provides appropriate documentation to a lower-tier partnership, the lower-tier partnership can look through the partnership to the partners of such upper-tier partnership in determining its section 1446 withholding tax due. The look-through can apply only with respect to the portion of the upper-tier partnership's allocation that is allocable to partners of such partnership for which appropriate documentation has been received by the lower-tier partnership. For more information, see Regulations section 1.1446-5(c) for upper-tier foreign partnerships and Regulations section 1.1446-5(e) for upper-tier domestic partnerships. See Regulations section 1.1446-5(b) for reporting requirements.

Note. The look-through rules referred to above apply only for purposes of the lower-tier partnership's calculation of its section 1446 withholding tax liability. It doesn't affect the upper-tier partnership's reporting requirements with respect to Forms 8804 and 8805 as set forth in the next paragraph and elsewhere in these instructions.

An upper-tier partnership that has had section 1446 withholding tax payments made on its behalf by a lower-tier partnership will receive a copy of Form 1042-S or Form 8805 from the lower-tier partnership. The upper-tier partnership must in turn file these forms with its Form 8804 and treat the amount withheld by the lower-tier partnership as a credit against its own liability to withhold under section 1446. This credit is allowed on line 6b or line 6c of the Form 8804 filed by the upper-tier partnership. The upper-tier partnership must also provide to its partners the information described in [Reporting to Partners](#), earlier. These statements and forms will enable those partners to obtain appropriate credit for tax withheld under section 1446.

See Regulations section 1.1446-5 for additional information.

Specific Instructions

Address

When providing a U.S. address on Form 8804, 8805, or 8813, include the suite, room, or other unit number after the street address. If the post office doesn't deliver mail to the street address and the partnership (or withholding agent) has a P.O. box, show the box number instead of the street address. If the partnership (or withholding agent)

receives its mail in care of a third party (such as an accountant or an attorney), enter on the street address line "c/o" followed by the third party's name and street address or P.O. box.

When providing a foreign address on Form 8804, 8805, or 8813, enter the number and street, city or town, state or province, the name of the country, and ZIP or foreign postal code. Follow the foreign country's practice in placing the postal code in the address. Don't abbreviate the country name.

Lines 4a, 4e, 4i, 4m, and 4q

Figure the partnership's ECTI using the definition, earlier. Enter the total ECTI allocable to foreign partners (by income type) on lines 4a, 4e, 4i, 4m, and 4q. With respect to lines 4i, 4m, and 4q, enter the specified types of income allocable to non-corporate partners if appropriate documentation is received and such partners would be entitled to use a preferential rate on such income or gain. See Regulations section 1.1446-3(a)(2) for additional information.

If the partnership has net ordinary loss, net short-term capital loss, or net 28% rate loss, each net loss should be netted against the appropriate categories of income and gain to determine the amounts of income and gain to be entered on lines 4a, 4e, 4i, 4m, and 4q, respectively. **Don't** enter a negative number on lines 4a, 4e, 4i, 4m, and 4q. See section 1(h) and Notice 97-59, 1997-45 I.R.B. 7, for the rules for netting gains and losses.

Note. If the partnership relied on a certificate the partner submitted under Regulations section 1.1446-6(c)(1)(ii) to determine that the partnership is not required to pay any section 1446 withholding tax with respect to that partner, reduce the ECTI on line 4 of Form 8804 by any amount allocable to that foreign partner. See Form 8804-C, Part III.

Note. Partnership ECTI on which a foreign partner is exempt from U.S. tax by a treaty or other reciprocal agreement isn't allocable to that partner and is exempt from withholding under section 1446. However, this exemption from section 1446 withholding must be reported on Form 8805. See the

[instructions for line 8b](#) of Form 8805, later.

Lines 4b, 4f, 4j, 4n, and 4r

Enter the reduction amounts for state and local taxes under Regulations section 1.1446-6(c)(1)(iii). See [Reductions for State and Local Taxes](#), earlier, for additional information. The netting rules under section 1(h) and Notice 97-59 must be considered in determining the category of income the reduction amounts offset.

Lines 4c, 4g, 4k, 4o, and 4s

Enter the reduction amounts resulting from certified partner-level items received from foreign partners using Form 8804-C. See [Certification of Deductions and Losses](#), earlier, for additional information. The netting rules under section 1(h) and Notice 97-59 must be considered in determining the category of income the reduction amounts offset.

Line 5a

Blended tax rate for foreign corporate partners in fiscal year partnerships. Effective for tax years beginning after December 31, 2017, the tax liability for foreign corporate partners is computed by multiplying the ECTI allocable to corporate foreign partners by 21%. However, under section 15, section 1446 partnerships with fiscal tax years beginning before January 1, 2018, and ending after December 31, 2017, figure the section 1446 tax liability on the ECTI allocable to foreign corporate partners by blending the rates in effect before January 1, 2018, with the rate in effect after December 31, 2017. Figure the foreign corporate partner's section 1446 tax liability for the 2017 fiscal tax year using the worksheet below.

1. Total ECTI allocable to foreign corporate partners (Part III, line 4d)	_____
2. Multiply the amount on line 1 by 35% (0.35)	_____
3. Multiply the amount on line 1 by 21% (0.21)	_____
4. Multiply line 2 by the number of days in the partnership's tax year before January 1, 2018	_____
5. Multiply line 3 by the number of days in the partnership's tax year after December 31, 2017	_____
6. Divide line 4 by the total number of days in the partnership's tax year	_____
7. Divide line 5 by the total number of days in the partnership's tax year	_____
8. Add lines 6 and 7. This is the section 1446 tax liability for foreign corporate partners for the fiscal tax year. Enter the amount on line 5a	_____

Line 5f

Add lines 5a through 5e.

Line 6b

If the partnership is an upper-tier partnership in one or more lower-tier partnerships, enter on line 6b the amount of section 1446 tax withheld by lower-tier partnerships with respect to ECTI allocable to the upper-tier partnership (see [Tiered Partnerships](#), earlier). The amount withheld will be shown on line 10 of the Form 8805 the partnership receives from the lower-tier partnership.

Line 6c

Enter on line 6c the amount of section 1446 tax withheld by a lower-tier PTP that is reported to the partnership on Form 1042-S. The amount withheld will be shown in box 7a of the Form 1042-S. (Box 1 of the Form 1042-S will show income code 27.)

Line 6d

Line 6d applies only to partnerships treated as foreign persons and subject to withholding under section 1445(a) or 1445(e)(1) upon the disposition of a U.S. real property interest.

Enter on line 6d the amount of tax withheld under section 1445(a) or 1445(e)(1) and shown on Form 8288-A for the tax year in which the partnership disposed of the U.S. real property interest. The amount withheld will be shown in box 2 of the Form 8288-A.

Line 6e

Enter on line 6e the amount of section 1445(e) tax withheld on a distribution by a domestic trust to the partnership with respect to the disposition of a U.S. real

property interest by the trust. The amount withheld will be shown in box 7a of the Form 1042-S the partnership receives from the trust. (Box 1 of the Form 1042-S will show income code 25 or 26.)

Reporting Amounts Allocable to Partners

For lines 6d and 6e, don't enter more than the amount allocable to foreign partners (as defined in section 1446(e)). Enter amounts allocable to U.S. partners on line 15f of Schedule K (Form 1065) and in box 15 (using code P) of Schedule K-1 (Form 1065). For Form 1065-B, see line 15 of Schedule K and enter amounts in box 9 of Schedule K-1.

Line 8

If Schedule A (Form 8804) is attached, check the box on line 8 and enter the amount of any penalty on this line.

Failure to pay withholding as required. A penalty will be imposed if the partnership failed to make its four installment payments of withholding during the tax year as required. If a penalty is due, the partnership should figure the penalty using Schedule A (Form 8804) and enter it on line 8. If the partnership failed to pay withholding tax as required, and a completed Schedule A (Form 8804) is not attached to the return, the IRS will figure the penalty without regard to any exceptions that may apply on Schedule A (Form 8804). For more information, see the Instructions for Schedule A (Form 8804).

Form 8805

Line 1b

A partnership must pay the withholding tax for a foreign partner even if it doesn't have a U.S. TIN for that partner. See [Taxpayer Identification Number](#), earlier, for details.

Line 1c

See [Address](#), earlier.

Line 3

Enter the type of partner (for example, individual, corporation, partnership, trust, estate).

Line 4

Enter the applicable two-letter code from the list at [IRS.gov/CountryCodes](https://www.irs.gov/CountryCodes) for the country of which the partner is a resident for tax purposes. These codes are used by the IRS to provide

information to all tax treaty countries for purposes of their tax administration.

Line 5c

See [Address](#), earlier.

Line 8b

Check the box on this line if any of the partnership's ECTI is treated as not allocable to the foreign partner identified on line 1a and therefore exempt from section 1446 withholding because the income is exempt from U.S. tax for that foreign partner by a treaty, reciprocal exemption, or a provision of the Internal Revenue Code.

Line 9

Enter the partnership ECTI allocable to the foreign partner (before considering any state and local income tax reduction permitted under Regulations section 1.1446-6(c)(1)(iii) or any reduction amounts resulting from certified partner-level items received from foreign partners using Form 8804-C).

The partnership must provide a statement (generally, Schedule K-1 (Form 1065)) to the foreign partner that lists each income type of ECTI included on line 9. The income types of ECTI that can be included on line 9 are:

- Total ECTI allocable to corporate partners,
- Total ECTI allocable to non-corporate partners (other than the specific types of income listed below),
- 28% rate gains (non-corporate partners only),
- Unrecaptured section 1250 gains (non-corporate partners only), and
- Adjusted net capital gain (including qualified dividend income and net section 1231 gains) (non-corporate partners only).

The partnership must also provide any additional information to foreign partners that they may reasonably need to complete Schedule P (Form 1120-F).

Line 10

To figure the total tax credit allowed to a foreign partner under section 1446, subtract from each type of ECTI allocable to the foreign partner the amount of any state and local income tax reduction permitted under Regulations section 1.1446-6(c)(1)(iii) and any reduction amounts resulting from certified partner-level items received from foreign partners, using Form 8804-C, that the partnership considered in determining that partner's portion of the section 1446 withholding tax due. Then multiply each net amount by the applicable percentage (see

[Applicable percentage](#), earlier). Finally, total the resulting amounts.

Note. If the partnership relied on a certificate the partner submitted under Regulations section 1.1446-6(c)(1)(ii) to determine that the partnership isn't required to pay any section 1446 withholding tax with respect to that partner, enter -0- on line 10. See Form 8804-C, Part III.

Attachments

The partnership is required to attach to Form 8805 the calculation described in the first paragraph of these line 10 instructions. Furthermore, if the total section 1446 withholding tax paid for a partner has been reduced as a result of the state and local income tax reduction permitted under Regulations section 1.1446-6(c)(1)(iii) or as a result of relying in whole or in part on a partner's Form 8804-C, then the documentation described below must also be attached to the Form 8805 for that partner.

- If the total section 1446 withholding tax paid for the partner has been reduced because the partnership relied on a Form 8804-C, attach that Form 8804-C to the partner's Form 8805.
- A statement showing the calculation of the tax due relating to the partner if any Forms 8804-C were relied on. See Regulations section 1.1446-6(d)(3)(i).
- If the total section 1446 withholding tax paid for the partner has been reduced based on the state and local income tax reduction permitted under Regulations section 1.1446-6(c)(1)(iii), attach a statement showing the calculation of the tax due.

Note. With respect to the last two bulleted items, a statement showing one calculation for both items is permitted.

A partnership must attach all applicable items referred to above to reduce its section 1446 withholding tax due by either of the reductions referred to above.

Schedule T—Beneficiary Information

If the foreign partner is a foreign trust or estate, the foreign trust or estate must provide to each of its beneficiaries a copy of the Form 8805 furnished by the partnership. In addition, the foreign trust or estate must complete Schedule T for each of its beneficiaries and must provide that Schedule T information to each beneficiary.

The foreign trust or estate can provide all of the information listed in the previous paragraph on a single Form

8805 for each of its beneficiaries. In this case, the information provided in boxes 1a through 10 will be the same for all of the beneficiaries, but the information provided on Schedule T can vary from beneficiary to beneficiary, depending on the ownership interests of the respective beneficiaries.

Form 1040NR. A foreign trust or estate must attach to the Form 1040NR it files any Form(s) 8805 it receives, and copies of the Form(s) 8805 it must furnish to its beneficiaries with the Schedule(s) T completed.

Line 11c

See [Address](#), earlier.

Line 12

Enter the amount of ECTI on line 9 to be included in the beneficiary's gross income. The foreign trust or estate must provide a statement to each of its beneficiaries that lists each income type of ECTI included on line 12. The income types of ECTI that can be included on line 12 are:

- Total ECTI allocable to corporate beneficiaries,
- Total ECTI allocable to non-corporate beneficiaries (other than the specific types of income listed below),
- 28% rate gains (non-corporate beneficiaries only),
- Unrecaptured section 1250 gains (non-corporate beneficiaries only), and
- Adjusted net capital gain (including qualified dividend income and net section 1231 gains) (non-corporate beneficiaries only).

Line 13

To determine the total tax credit allowed to a beneficiary under section 1446,

multiply each type of ECTI on line 12 by the applicable percentage (see [Applicable percentage](#), earlier).

Form 8813

Line 1

A partnership without a U.S. EIN must obtain one and must pay any section 1446 withholding tax due. If the partnership hasn't received an EIN by the time it files Form 8813, indicate on line 1 of Form 8813 the date the partnership applied for its EIN. On receipt of its EIN, the partnership must immediately send that number to the IRS using the address as shown under [Where To File](#), earlier. Failure to provide an EIN can delay processing of payments on behalf of the partners.

Line 2

See [Amount of each installment payment of withholding tax](#), earlier, for information on figuring the amount of the payment.

Line 3

See [Address](#), earlier.

Attachments

If the total section 1446 withholding tax paid for an installment period has been reduced as a result of the state and local income tax reduction permitted under Regulations section 1.1446-6(c)(1)(iii) or as a result of relying in whole or in part on a partner's Form 8804-C, then the documentation described below must be attached to all Forms 8813 starting with the first installment period in which the certificate was considered. Under these circumstances, a partnership must file Form 8813 for an

installment period even if no section 1446 withholding tax is due.

The required documentation is as follows.

- If the partnership reduced an installment payment because it relied on Forms 8804-C, attach all such Forms 8804-C to Form 8813. If the same Form 8804-C for a partner is used in a subsequent installment period, see Regulations section 1.1446-6(d)(3)(i) for a substitute to attaching that Form 8804-C to the Form 8813 for subsequent installment periods.
- A statement showing the calculation of the tax due relating to each partner whose Form 8804-C it relied on. See Regulations section 1.1446-6(d)(3)(i).
- If the partnership reduced an installment payment based on state and local income tax deductions permitted under Regulations section 1.1446-6(c)(1)(iii), attach a statement showing the calculation of the tax due.

Note. With respect to the last two bulleted items, a statement showing one calculation for both items is permitted.

A partnership must attach all applicable items referred to above to reduce its section 1446 withholding tax due by either of the reductions referred to above.
