General Instructions

Purpose of Form
Organizations exempt under section 501(c)(3) should file Form 8940 for miscellaneous determinations under sections 507, 509(a), 4940, 4942, 4945, and 6033. Nonexempt charitable trusts should also file a Form 8940 for an initial determination under section 509(a)(3) and other miscellaneous determinations described above. These instructions supplement the general procedures for issuing determination letters under Rev. Proc. 2017-5, 2017-1 I.R.B. 230, available at IRS.gov/irb/2017-01_IRB/ar11.html (updated annually).

Note. An organization applying for recognition of exemption under section 501(c)(3) with Form 1023-EZ, Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code, must file Form 8940 if it wishes to obtain a determination regarding advance approval of scholarship procedures under section 4945(g) or an exception from the filing requirements to file Form 990, Return of Organization Exempt From Income Tax. However, an organization applying for recognition of exemption with Form 1023, Application for Recognition of Exemption under Section 501(c)(3) of the Internal Revenue Code (not Form 1023-EZ), may simultaneously request such determinations as part of its Form 1023 and need not file Form 8940.

Specific Instructions

Part I—Identification of Organization

Line 1a. Full name of organization. Enter your complete name exactly as it appears in the organizing documents, as revised.

Note. Throughout these instructions, “you” and “your” refer to the organization filing Form 8940.

Line 1b–1e. Mailing address. Enter your complete address where all correspondence will be sent. If mail is not delivered to your street address and you have a P.O. box, show the box number instead of a street address.

For a foreign address, enter the information in the following order: city, province or state, and country. Follow the country’s practice in placing the postal code in the address. Do not abbreviate the country name.

Line 2. Employer Identification Number (EIN). Enter the nine-digit EIN assigned to you.

Line 3. Month the tax year ends (01–12). Enter the month that your tax year (annual accounting period) ends, using a two-digit number format. For example, if your annual accounting period ends December 31, enter “12.” The annual accounting period is the 12-month period on which your financial records are based.

Line 4. Person to contact if more information is needed. Print the name and title of the person to contact if more information is needed. The person to contact may be an officer, director, trustee, or other individual who is permitted to speak with us according to your bylaws or other rules of operation. Your person to contact may also be an “authorized representative,” such as an attorney, certified public accountant, or enrolled agent for whom you have submitted a completed Form 2848, Power of Attorney and Declaration of Representative, with the Form 8940.

Line 5. Contact telephone number. Provide a daytime telephone number for the contact listed on line 4.

Line 6. Fax number (optional). Provide a fax number for the contact listed on line 4.

Part II—Type of Request

Line 8. Check the box that best describes your request. Submit a separate request for each type of request set forth in Part II, unless you are requesting to be reclassified as a public charity under section 509(a)(3), in which case you check both the line 8f and 8g boxes. Submit an attachment that provides a detailed explanation of your request. Be sure to include your name and EIN on each additional sheet submitted. For additional information on any of the determination issues covered by Form 8940, visit our website at IRS.gov/EO.

Line 8a. Advance approval of certain set-asides described in section 4942(g)(2). Check this box if you are requesting advance approval of certain set-asides under section 4942(g)(2).

Suitability test set-aside. If the requirements of section 4942(g)(2) are met, a private foundation may treat an amount set aside for a specific charitable project as a qualifying distribution in the year of the set-aside rather than in the year in which it is actually paid. A set-aside under the suitability test requires advance approval. Similar rules apply to a not functionally integrated (NFI Type III) supporting organization under Regulations section 1.509(a)-4(i)(6)(v).

Based on requirements for advance approval of a set-aside in Regulations...
Contingent set-aside. If a private foundation is involved in litigation and cannot distribute assets or income because of a court order, the foundation may request approval of a set-aside of amounts held pursuant to the court order that otherwise would be distributed as qualifying distributions, known as a contingent set-aside. See Regulations section 53.4942(a)-3(b)(9). If you are requesting approval of a contingent set-aside, submit the following information.

- A description of the nature and purposes of the project and the amount of the set-aside.
- A statement providing amounts and dates of planned additions to the set-aside after its initial establishment.
- An explanation of why the project can be better accomplished by a set-aside rather than an immediate payment of funds.
- A description of the project including estimated costs, sources of any future funds expected to be used to complete the project, and location of any physical facilities to be acquired or constructed as part of the project.
- A statement by an appropriate foundation manager that the amounts to be set aside will actually be paid within a specified period of time that ends not more than 60 months after the date of the first set-aside, or a statement showing good cause why the period for paying the amount set aside should be extended. Any good cause statement must include a showing that the proposed project could not be divided into two or more projects covering periods of no more than 60 months each and set forth the extension of time required.

An NFI Type III supporting organization must also submit the following additional information.

- A written statement from each supported organization whose exempt purposes the specific project accomplishes, signed under penalty of perjury by one of the supported organization’s principal officers, stating that the supported organization approves the project as one that accomplishes one or more of the supported organization’s exempt purposes and also approves the supported organization’s determination that the project is one that can be better accomplished by such a set-aside than by the immediate payment of funds.
- An explanation of how it meets the responsiveness test under Regulations section 1.509(a)-4(i)(3) with respect to a supported organization whose exempt purposes are accomplished by the specific project.

The request must be submitted before the end of the tax year in which the amount is set aside.

Contingent set-aside. If a private foundation is involved in litigation and cannot distribute assets or income because of a court order, the foundation may request approval of a set-aside of amounts held pursuant to the court order that otherwise would be distributed as qualifying distributions, known as a contingent set-aside. See Regulations section 53.4942(a)-3(b)(9). If you are requesting approval of a contingent set-aside, submit the following information.

- A copy of the court order restricting you from distributing assets or income.
- The amount of the set-aside.
- A statement that the amount set aside will actually be paid by the last day of your tax year after your tax year in which the litigation is terminated.

If the litigation encompasses more than one tax year, you may seek additional contingent set-asides.

Line 8b. Advance approval of voter registration activities described in section 4945(f). Check this box if you are requesting advance approval of voter registration activities described in section 4945(f).

Under section 4945(f), an exempt section 501(c)(3) organization may engage in nonpartisan voter registration activities if certain requirements are satisfied. If an organization meets these requirements, a grant by a private foundation to such organization is not considered a taxable expenditure even though the grant is earmarked for voter registration purposes generally.

An organization will be given an advance ruling that it is described in section 4945(f) for its first tax year of operation if it submits evidence establishing that it can reasonably be expected to meet the tests under section 4945(f) for such year. Submit information demonstrating how you meet each of the five requirements.

1. You (the organization engaging in the voter registration activities) are described in section 501(c)(3) and exempt from taxation under section 501(a).

2. Your voter registration activities are:
   - nonpartisan,
   - not confined to one specific election period, and
   - are carried out in five or more states.

3. You spend substantially all of your income directly for the active conduct of activities constituting the purpose or function for which you are organized and operated rather than to make grants to fund the activities of other organizations.

4. You receive substantially all of your support (other than gross investment income) from:
   - exempt organizations,
   - the general public,
   - governmental units, or
   - any combination of those.

You do not receive more than 25% of your support (other than gross investment income) from any one exempt organization and do not receive more than 50% of your support from gross investment income.

Line 8c. Advance approval of individual grant procedures described in section 4945(g). Check this box if you are a private foundation and are requesting advance approval of your individual grant-making procedures under section 4945(g). A private foundation's grant to an individual for travel, study, or similar purposes generally is a taxable expenditure if made before the foundation obtains IRS approval of its grant procedures.

Individual grant-making programs described in section 4945(g) include.

1. Section 4945(g)(1)—Scholarship or fellowship grants described in section 117(a)(1) (as in effect on the day before the 1986 amendment), awarded on an objective and nondiscriminatory basis, and used for study at an educational organization described in section 170(b) (1)(A)(ii).

2. Section 4945(g)(2)—Prizes or awards described in section 74(b) if the recipient of such prize or award is selected from the general public.

Note. If your prizes or awards are not intended to finance a future activity of the recipient and impose no conditions on the recipient as to how they may be spent, you do not have to request advance approval of your grant-making procedures for such prizes or awards because such a prize or award is not a grant for travel, study, or other similar purposes. See Revenue Rulings 77-380, 1977-2 C.B. 419; 76-460, 1976-2 C.B. 371; and 75-393, 1975-2 C.B. 451.

3. Section 4945(g)(3)—Grants to achieve a specific objective; produce a report or other similar product; or improve or enhance a literary, artistic, musical, scientific, teaching, or other similar capacity, skill or talent of the grantee.

- Submit a statement indicating whether you are requesting advance approval of your individual grant-making procedures under section 4945(g)(1), (2), (3), or a combination of them.

- Submit a completed Form 1023, Schedule H—Organizations Providing Scholarships, Fellowships, Educational Loans, or Other Educational Grants to Individuals and Private Foundations Requesting Advance Approval of Individual Grant Procedures. Review the instructions to Form 1023 for guidance on completing Schedule H.

Line 8d. Exception from Form 990 filing requirements. Check this box if you
are requesting an exception from filing Form 990, Form 990-EZ, Short Form of Organization Exempt From Income Tax, or Form 990-N (e-Postcard).

If you believe you should be exempt from filing Form 990 or Form 990-EZ because you are affiliated with a church or a convention or association of churches, please review Regulations section 1.6033-2(g) and (h) and Rev. Proc. 96-10, 1996-1 C.B. 577.

If you believe you should be exempt from filing Form 990 or Form 990-EZ because you are a governmental unit or affiliated with a governmental unit, please review Rev. Proc. 95-48, 1995-2 C.B. 418.

Indicate under which exception, as listed in Table 1, you believe you qualify for exemption from filing, and submit the appropriate information.

Line 8e. Advance approval that a potential grant or contribution is an “unusual grant.” Check this box if you are requesting advance approval that a grant (including a contribution or bequest for this purpose) is an “unusual grant.”

If you are described in section 170(b)(1)(A)(vi) or section 509(a)(2), you may request a determination that a grant you received be classified as an “unusual grant” under Regulations section 1.170A-9(f)(6)(ii) or 1.509(a)-3(c)(3).

Regulations sections 1.170A-9(f)(6)(iii) and 1.509(a)-3(c)(4) set forth the criteria for an unusual grant. Grants are considered unusual if each of the following three requirements is met.

1. The grant is attracted by reason of the publicly supported nature of the organization;
2. The grant is unusual or unexpected with respect to the amount thereof; and
3. The grant, by reason of its size, would adversely affect the status of the organization as normally being publicly supported for the applicable period.

In determining whether a particular grant may be excluded as an unusual grant, all pertinent facts and circumstances will be taken into consideration. No single factor will necessarily be determinative.

Submit the following information and documentation with your request.

• The name of the grantor, the amount of the grant, and the purpose(s) for which you will use the grant funds.
• A copy of the grant agreement, if any (whether signed or proposed).
• Copies of all correspondence between you and the grantor regarding this grant.
• An explanation of any prior or current relationship between the grantor and you and/or your trustees, directors, or officers.
• A statement as to whether the grantor exercises any control over you, or within you.

• A listing of conditions that must be satisfied prior to receipt of the grant.
• A listing of all previous grants to you from the grantor.
• Documentation detailing how you meet some or all of the facts and circumstances detailed in Regulations section 1.509(a)-3(c)(4).

Line 8f. Change in type (or initial determination of type) for 509(a)(3) organizations. Check this box if you are a 509(a)(3) supporting organization requesting a change in type or initial determination of type.

Supporting organizations are described in section 509(a)(3) based on the type of relationship they have with their supported organization(s). Under the Pension Protection Act of 2006 (PPA) supporting organizations are classified as Type I, Type II, or Type III supporting organizations.

• A Type I supporting organization is operated, supervised, or controlled by its supported organization(s) (comparable to a parent-subsidiary relationship).
• A Type II supporting organization is supervised or controlled in connection with its supported organization(s) (comparable to a brother-sister relationship).
• A Type III supporting organization is operated in connection with its supported organization(s). The PPA further classifies Type III supporting organizations into the following two categories: Type III supporting organizations that are functionally integrated (FI Type III) or Type III supporting organizations that are not functionally integrated (NFI Type III).

The rules for functionally integrated and non-functionally integrated Type III supporting organizations are discussed in the Instructions for Schedule A (Form 990 or 990-EZ), Public Charity Status and Public Support.

If you are a supporting organization requesting an initial determination of type or reclassification of Type I, Type II, FI Type III, or NFI Type III supporting organization, please submit the following.

• The type of section 509(a)(3) supporting organization requested;
• A copy of the your organizing document;
• A copy of your bylaws; and
• Schedule A (Form 990 or 990-EZ), Parts I and IV–VI, with respect to your most recently completed tax year.

Line 8g. Reclassification of foundation status. Check this box if you are requesting a recategorization or classification of foundation status. These instructions supplement the procedures set forth in Rev. Proc. 2017-5, 2017-1 I.R.B. 230, available at IRS.gov/irb/2017-01_IRB/ar11.html, or its successor.

If you are described in section 501(c)(3) and classified by the IRS as a public charity, you may request a determination regarding a change in your public charity classification. Submit a request indicating your current public charity classification and the public charity classification to which you are requesting reclassification. Also, provide a statement describing any adverse impact if you do not receive the requested status.

Also check this box if you are a public charity seeking classification as a private foundation.

Note. A public charity that has become a private foundation can indicate its new private foundation status simply by filing a Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as a Private Foundation, and following any procedures specified in the form, instructions, or other published guidance.

Also check this box if you request reclassification as an operating foundation or as an exempt operating foundation.
Also check this box if you are a nonexempt charitable trust described in section 4947(a)(1) and are requesting an initial determination that you are described in section 509(a)(3).

An organization that is not currently classified under section 509(a)(3) and requests section 509(a)(3) classification or reclassification must check the boxes for both line 8f and line 8g. See Table 2 for details.

A private foundation that wishes to become a public charity does not check this box but instead must terminate its private foundation status. See line 8h for procedures.

<td>Submit a completed Schedule A (Form 990 or 990-EZ), Parts II and III. This will assist the IRS in determining whether or not you are normally publicly supported under either sections 509(a)(1) and 170(b)(1)(A)(vi) or under section 509(a)(2). Submit a statement indicating your requested effective date of reclassification as a private foundation. Also, show how you meet the governing instrument requirements of section 501(e). See Rev. <td><strong>Request for reclassification as a private operating foundation, as described in section 4942(j)(3)</strong></td>
<td>Submit a completed Form 990-PF, Part XIV—Private Operating Foundations. This will assist the IRS in determining whether you satisfy the following financial tests which are necessary for classification as a private operating foundation. • The Income Test (Regulations section 53.4942(b)-1(a)), and one of the following three Alternative Tests. • The Assets Test (Regulations section 53.4942(b)-2(a)), • The Endowment Test (Regulations section 53.4942(b)-2(b)), or • The Support Test (Regulations section 53.4942(b)-2(c)). A private operating foundation must make direct qualifying distributions to be used for the active conduct of the operating foundation's own programs or activities. These activities must be conducted by the foundation rather than by or through one or more grantee organizations that receive distributions directly or indirectly from the foundation. Regulations section 53.4942(b)-1(a) lists several types of expenses that are considered direct qualifying distributions for the active conduct of an operating foundation's exempt activities. Submit a listing and description of your distributions that details whether your distributions are used directly for the active conduct of your own programs or activities. Also, provide a statement describing any adverse impact if you do not receive the requested status. **Line 8h. Termination of private foundation status under section 507(b)(1)(B)—advance ruling or notice of termination.** Check this box if you are requesting an advance ruling on termination of your private foundation status under section 507(b)(1)(B) or are providing notice of such termination. If you are only providing notice and not requesting an advance ruling, write “Notice Only” on line 8h of the Form 8940. Section 507(b)(1)(B) allows a private foundation to terminate its private foundation status and become a public charity. An organization may terminate its private foundation status under section 507(b)(1)(B) if it meets the requirements of section 509(a)(1), (2), or (3) for a continuous 60-month period beginning with the first day of any tax year, and notifies the IRS before beginning the 60-month period that it is terminating its private foundation status.

**Note.** An organization that erroneously determined that it was a private foundation but that actually qualified and has continued to qualify as a public charity may request retroactive reclassification as a public charity instead of terminating private foundation status under section 507(b)(1)(B). The organization must demonstrate that it has continuously qualified as a public charity.

An organization that wishes to terminate its private foundation status under section 507(b)(1)(B) is not required to obtain an advance ruling, but merely to provide notice of intent to terminate and...
the following information set forth in Regulations section 1.507-2(b)(3).

- The name and address of the private foundation.
- A statement of its intention to terminate its private foundation status.
- The Code section under which it seeks classification (section 509(a)(1), (2), or (3)).
- If section 509(a)(1) applies, the specific type of section 170(b)(1)(A) organization for which it seeks classification.
- The date the organization’s regular tax year begins.
- The date the 60-month termination period begins.

There is no user fee for merely providing notice of intent to terminate. If a private foundation obtains an advance ruling that it can be expected to satisfy the requirements of section 507(b)(1)(B)(i) during the 60-month period, then contributors may rely on such ruling as set forth in Regulations section 1.507-2(d)(3), and there will be no penalty under section 6651 for failure to pay section 4940 tax during the 60-month period if the organization fails to terminate its private foundation status. The organization cannot otherwise rely on the advance ruling during the 60-month period or thereafter. Information regarding the user fee for the advance ruling can be found in Rev. Proc. 2017-5, 2017-1 I.R.B. 230, available at IRS.gov/irb/2017-01_IRB/ar11.html (updated annually).

An organization that requests an advance ruling must provide the information itemized above for a notice of intent, plus the following additional information.

- A statement that the organization is requesting an advance ruling.
- Descriptions of the organization’s past, current, and proposed activities, and how it intends to attract public support.
- Proposed budgets during the 60-month termination period.
- If sections 509(a)(1) and 170(b)(1)(A)(i), (ii), or (iii) apply, the appropriate schedule of Form 1023.
- If sections 509(a)(1) and 170(b)(1)(A)(iv) or (vi) apply, Schedule A (Form 990 or 990-EZ), Part II.
- If section 509(a)(2) applies, Schedule A (Form 990 or 990-EZ), Part III.
- If section 509(a)(3) applies, see instructions for line 8g, request for reclassification as a supporting organization described in section 509(a)(3).
- Form 872 or Form 872-B (see the instructions for those forms). As a condition to receiving the advance ruling, you must use these forms to consent to extend the period of limitations to assess section 4940 tax, for any tax year within the advance ruling period, to 4 years after filing the Form 990 or Form 990-PF annual information return for the last tax year within the 60-month period.

**Line 8i. Termination of private foundation status under section 507(b)(1)(B)—60-month period ended.** Check this box if you have completed the 60-month termination of foundation status period.

Regulations sections 1.507-2(b)(4) and (c) require an organization, which is terminating its private foundation status, to notify the IRS that it has met the requirements of a public charity within 90 days after the end of the 60-month period. Information to be provided at the conclusion of the 60-month period must include the following.

- A complete description of the organization’s current operations pertinent to the public charity status, as well as any changes during the 60-month period.
- Copies of the organization’s governing instruments, bylaws, and amendments during the 60-month period (if section 170(b)(1)(A)(iii) medical research organization, section 170(b)(1)(A)(iv) organization, or section 509(a)(3) organization).
- For public charity status under sections 509(a)(1) and 170(b)(1)(A)(vi) or section 509(a)(2), Schedule A (Form 990 or 990-EZ), Part II or III (as applicable), for the 60-month period.

An organization that intends to terminate its private foundation status as a section 509(a)(3) supporting organization at the conclusion of the 60-month period should also include the following.

- A copy of Schedule A of the organization’s most recently filed Form 990.
- Details of the relationship between the organization and the supported organizations during the 60-month period.
- All pertinent information to establish that the organization did not violate the control requirements described in section 509(a)(3)(C) during the 60-month period, such as details of any changes in its foundation managers (as defined in section 4946(b)(1)) during the 60-month period.
