### Information for 2010 Form 1099-INT Filers

The printed 2010 Form 1099-INT has two minor errors that can be ignored.

- Box 10 contains an unnecessary dollar sign.
- Box 10c should not be on the form.

Also, there are additional instructions for *Box 10. Tax-exempt bond CUSIP no.* on Form 1099-INT.

For single bonds or accounts containing a single bond, enter the CUSIP number in Box 10. If the tax-exempt interest is reported in the aggregate for multiple bonds or accounts, enter "various" in Box 10.
