

FILE YOUR TAXES YOURSELF FOR FREE

If you have a simple tax return and need a little help or do not have access to a computer, you can visit one of the participating tax assistance sites and an IRS-certified volunteer will guide you through the process.

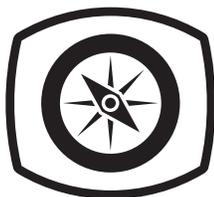

How does it work?

All you have to do is bring your documentation into a FREE tax preparation site and we'll get you started, answer your questions and help you file your own tax return. You'll have access to free tax software that will build your confidence in preparing your own return.

What do I need to get started?

- Basic computer skills
- An email address
- Documentation: Picture ID, Social Security cards for you, your spouse and dependents, income information – W-2, 1099, prior year adjusted gross income, bank account and routing information

Where do I go?

Find the site that can help you do your own taxes, or visit:

You may also find the list of all participating sites on www.irs.gov and type the word "VITA" in the search box.
