

Free Tax Return Preparation

Don't want to wait?

Prepare your own Federal and State* tax returns now – ask how!

All you need are:

1 Basic computer skills

2 Email address

Create an account, and receive email updates on the status of your return after you e-file.

3 Documents

Picture ID, Social Security cards for you, your spouse and dependents, income information – W-2, 1099, prior year adjusted gross income, financial institution account and routing information.

Questions once you start? An IRS certified volunteer is available to help you.
