

JOB AID: Partner Site & Return Reviews

Use with Form 6729-D, Site Review Sheet, and Form 6729-P, Partner Return Review Sheet

Purpose: This Job Aid is designed to assist you when conducting site reviews and return reviews at sites you sponsor. As a sponsoring partner, you are strongly encouraged to conduct site and return reviews at your volunteer sites to help ensure consistency in site operations and affirm accurate return preparation. Your presence and encouragement can have a positive effect on the adherence to the Quality Site Requirements (QRS) at your sites.

Form 6729-D, Site Review Sheet, **Form 6729-P**, Partner Return Review Sheet and this Job Aid, Publication 5140, Job Aid: Partner Site and Return Reviews, are available for use in conducting these reviews. These partner tools are optional; you may use forms you develop for this purpose.

SPEC recommends you create a schedule to visit your sponsored sites; plan your method to conduct reviews; and establish a policy for follow-up reviews. You will determine who will conduct the reviews and how you, or your designated reviewer, will perform the reviews. The selected reviewers must be certified in tax law to the highest level of certification needed for returns prepared at the sites he/she will be reviewing.

Your SPEC Relationship Manager is available to provide guidance on conducting site and return reviews and to help you develop a review plan.

Using this Job Aid: The first section of the Job Aid addresses the Site Review and completing the Form 6729-D, Site Review Sheet, and the second half guides you through the Return Review and completing Form 6729-P, Partner Return Review Sheet. This document will point you to reference documents and clarify how to answer questions on the forms correctly.

All relevant Publications, Forms, Schedules and additional resource information is bolded in **blue** throughout the document and a link is provided on the *Links for Publications, Forms and Additional Resource Materials* section at the end of this document.

Job Aid for the Partner Site Review - Form 6729-D, Site Review Sheet

Site Reviews measure site adherence to the Quality Site Requirements (QSR) and Volunteer Standards of Conduct (VSC), monitor site operations, and identify trends.

Open-ended questions are shown in parenthesis, on Form 6729-D, and can be used to ask the coordinator to explain the site's processes and procedures. Ask additional probing questions, if needed, to obtain enough detail to ensure the coordinator is adhering to all critical components for each QSR. Confirm the information provided by the coordinator with what you observe at the site.

When the site is not in compliance, explain to the coordinator the importance and purpose of the QSR. Determine what corrective actions are needed and assist the site with these actions, when appropriate. For more information on appropriate corrective actions see the Publication 1084, VITA/TCE IRS Volunteer Site Coordinator Handbook.

Each question on the Form 6729-C has a comments field for notes and corrective actions taken. You may want to make a follow-up visit to ensure the coordinator and volunteers were able to implement the corrective actions.

Questions used to determine how to answer the measurement question are in *italics* on the Form 6729-D. Responses to the measurement questions, shown in **bold** print on Form 6729-D, are used to measure adherence to the QSR. Rate the site's adherence to the QSR based on the percentage of QSR the site met. If the site met all QSR, rate the site at 100%; if the site met 9 QSR, rate the site at 90%, etc. (Some answer options on Form 6729-D are underlined. The Form 6729-D is also used by IRS employees to record results of site reviews. The underline requires IRS employees who conduct Field Site Visits and Remote Site Reviews to make a comment in the internal IRS database used to store the results of the reviews. You can ignore the underline on Form 6729-D.)

SPEC recommends you review the documents listed on the *Links for Publications, Forms and Additional Resource Materials* section, at the end of this document, before going out on your reviews.

If volunteers certify through AARP training, they received certification in these additional tax law topics. • VITA/TCE volunteers with the professional designation of attorney, Certified Public Accountant (CPA) or Enrolled Agent (EA) who have an active license and are in good standing, may certify on new provisions and tax law changes using the Federal Tax Law Updates Test for Circular 230 Professionals. Once the required certifications for the Federal Tax Law Updates Test for Circular 230 Professionals are successfully completed, eligible volunteers are authorized to prepare all tax returns within the scope of the VITA/TCE Programs. 	<p>Yes</p> <p>No – Unable to verify</p> <p>No – Not certified in tax law</p> <p>No - Not certified in Volunteer Standards of Conduct</p> <p>No – Not certified in Intake/Interview and Quality Review</p> <p>No – Other (Use if more than one “No” applies)</p>

QSR #2: Intake/Interview & Quality Review Process

Question 3: Did the site meet all components of QSR #2? (Explain the Intake/Interview & Quality Review Process used at this site.)	Answer Options
<p>Ask the coordinator to walk you through their process from the time a taxpayer walks in the door until he/she leaves with the completed return. The coordinator should cover all steps. If not, you will need to ask additional questions to clarify the process used.</p> <p>Note: If the site is not confirming identities and/or SSN/TIN, the site will miss QSR #3, not this QSR #2.</p> <p>Ask the coordinator to explain how he/she ensures volunteer tax preparers and quality reviewers have the tax law-certification level needed for the returns they prepare and review at the site. The site must have a process for ensuring IRS tax law-certified volunteer preparers and quality reviewers only prepare returns within:</p> <ul style="list-style-type: none"> • The scope of the VITA/TCE Programs and • His/her certification level. <p>All out-of-scope issues should be identified early in the return preparation process, preferably during the intake/interview. See Publication 4012 – Scope of Service Chart.</p> <p>Publication 5166 outlines all the components of the Intake/Interview and the Quality Review Process. One of the key areas of concern is the review (interview) and completion of Form 13614-C during return preparation and quality review. All questions should be answered, all unsure answers clarified and corrected, and all gray sections (to be completed by volunteer) should be complete, when applicable.</p> <p>The process must include a tax law-certified volunteer advising the taxpayer of their responsibility for the information on their return.</p> <p>Additional Information to Consider:</p>	<p>Yes</p> <p>No – Not using Form 13614-C</p> <p>No – Not interviewing the taxpayer</p> <p>No – Incomplete form 13614-C</p> <p>No – No process to identify out-of-scope issues</p> <p>No – No process to assign returns based on volunteer certification</p> <p>No – Not using Form 14446 (Virtual Site)</p> <p>No – Does not quality review all returns</p> <p>No – Incomplete Quality Review Process</p> <p>No – Using an unapproved Quality Review Process</p> <p>No – Not advising taxpayers of responsibility</p> <p>No – Other (Use if more than one “No” applies)</p>

<ul style="list-style-type: none"> • Prior year returns should be prepared using the current revision of IRS Form 13614-C. See Fact Sheet: Preparing Prior Year and Amended Returns on the Site Coordinator Corner. • If you review a site operating under an approved Virtual VITA/TCE Process or a Temporary Virtual VITA/TCE Process Contingency Plan, ensure the site is using Form 14446, Virtual VITA/TCE Taxpayer Consent. 	
<i>This is the measurement question for QSR #2.</i>	
<ul style="list-style-type: none"> • Answer “Yes” if the site: <ul style="list-style-type: none"> ○ Does not prepare returns that are out-of-scope for the VITA/TCE Programs and the volunteer’s certification level; ○ Follows all the necessary steps for the Intake/Interview & Quality Review Process; and ○ Advises taxpayers of their responsibility for the information on their tax return. • Use one of the “No” options if you find a component is missing from the process. If the ITIN is one that will automatically expire, make sure the volunteer was able to tell the taxpayer how to renew the ITIN. For more information on ITIN expiration and renewals see Publication 5259, Fact Sheet – Expiring ITINs.</p> <p>See Publication 4299 for guidance when the taxpayers are married and only one spouse is at the site.</p> <p>Exception for validating identity and/or the Taxpayer Identification Numbers:</p>	<p>Yes</p> <p>No – Not reviewing photo identification</p> <p>No – Spouse/Taxpayer not present/No Power of Attorney</p> <p>No – Not confirming taxpayer identification numbers</p> <p>No – Other (Use if more than one “No” applies)</p>

The partner’s signature also validates the certification level and other volunteer information on the form.</p> <p>Form 13615 is no longer required to be held at the site/partner level. Form 13206, or a partner-created listing with the same information, can be used to verify all Forms 13615 were received and signed/dated by the volunteer and partner. The box on Form 13206 must be checked certifying all signatures were verified on all the Forms 13615 (Form 13615 validation). Form 13615 must be retained if the volunteer is requesting Continuing Education Credits.</p> <p>If you are unable to verify any or all Forms 13615 were signed by volunteer and partner designated official, you will need to work with the coordinator to establish a process that ensures all volunteers and partner designated approvers sign, date, and verify all Forms 13615.</p> <p>If you answer “No” to this question, you MUST answer “No” to question 9.</p>	<p>Yes</p> <p>No – Not signed/dated by volunteer or approving official</p> <p>No – Form 13206 does not certify Forms 13615 validation</p> <p>No – Unable to verify</p>

A VSC violation relating to the QSR only occurs if the volunteer REFUSES to comply with the QSR and/or if the volunteer intentionally violates the QSR and refuses to change this behavior after being counseled. If the volunteer begins adhering to the QSR, they have not violated the VSC.</p> <p>If more than one standard was violated, check the box for the most egregious violation.</p> <p>If the volunteer does not correct their behavior immediately, ask them to leave the site and refer the VSC violation to your SPEC relationship manager and/or voltax@irs.gov. A volunteer’s inappropriate actions can jeopardize your partnership with the IRS.</p> <p>If you answer “Yes” to this question, you MUST answer “No” to question 9.</p>	<p>No violations identified</p> <p>Yes – Violation to VSC 1</p> <p>Yes – Violation to VSC 2</p> <p>Yes – Violation to VSC 3</p> <p>Yes – Violation to VSC 4</p> <p>Yes – Violation to VSC 5</p> <p>Yes – Violation to VSC 6</p>

This is the end of the Site Review section of the Job Aid. The next section covers the Return Review.

Job Aid for the Partner Return Review - Form 6729-P, Partner Return Review Sheet

Including return reviews during your site visit ensures you get a complete view of the return preparation process.

You can:

- Gain insight into the Intake/Interview & Quality Review processes by verifying the Form 13614-C is complete and reflects what was included on the tax return.
- Determine if the assignment process at the site ensures the preparers and quality reviewers are certified to the appropriate level for the tax return and whether out-of-scope returns are being prepared.
- Confirm the SIDN and EFIN are correct by checking the printed return (SIDN) and Form 8879 (EFIN).
- Verify the accuracy of the returns and whether resource materials were used to correctly make the tax law determinations.
- Identify areas of tax law where there is an opportunity to enhance the volunteers' skills by beefing up the tax law training.
- And much more!

When reviewing a return, you are:

- Evaluating the accuracy of the return and
- Improving the quality of the volunteer return preparation process.

SPEC is putting extra emphasis on the Quality Review Process this year. New for 2019 Filing Season, SPEC has developed two Publications to strengthen the quality review skills of the volunteers in the VITA/TCE Programs.

Publication 5299, VITA/TCE Quality Review Refresher, is an overview of the important concepts of a good quality review. **Publication 5310**, VITA/TCE Quality Review Job Aid, is a step-by-step quality review illustration. It demonstrates one best practice for conducting a complete and effective quality review.

To start your return review, you should randomly select a tax return that has been through quality review. Ask the taxpayer's permission to quality review the return; explain the purpose of the review is to ensure the site is following required processes and to measure the accuracy of the returns prepared at the site. The number of return reviews you conduct is at your own discretion. SPEC suggests one to three return reviews per site visit.

Compare Form 13614-C, Intake/Interview & Quality Review Sheet, and the supporting documentation used to prepare the return with the completed tax return. Prior to beginning the return review, ensure all questions on the Form 13614-C have been answered and any "Unsure" answers are clarified and answered with a "Yes" or "No." Make sure the volunteer has completed the gray sections (To be completed by the Certified Volunteer Preparer) and the information was correctly used to make accurate tax law determinations.

If your sites are using the TaxSlayer software, SPEC suggests you use the Quality Review print set for your return review. This print set is comprehensive and will make the review much easier. If you have access to the site software you can review the pdf, otherwise you will use the paper return and accompanying Schedules, Forms and Worksheets.

Review the return line-by-line and answer the question that correspond with the Form 1040 or Schedule line item on Form 6729-P. Beginning with the Label Section, questions are listed in the same order as the Form 1040 and Schedules.

As you complete the Form 6729P:

- Choose the most appropriate answer.
- Enter a detailed comment, if needed, e.g. include the name of a missing form and the relevant amount.

The measured questions are bolded on Form 6729-P. If any of the bolded questions are answered "No" the return is considered inaccurate. Questions 1-3 will help you evaluate adherence to the Quality Site Requirement (QSR) #2, Intake/Interview & Quality Review, during the site review.

Quality

Question 1: Were the necessary steps for the Intake/Interview & Quality Review process followed for this return?	Answer Options
<p>This question should be answered based on your observation and the documentation (Form 13614-C, source documents, etc.). You can also ask the site coordinator and/or the taxpayer for information on the Intake/Interview & Quality Review Process that was conducted if you did not observe the entire process.</p> <p>Refer to Publication 5166, Quality Site Requirements, for a list of the steps that should be included in a complete intake/interview and quality review.</p> <p>The use of Form 13614-C, Intake/Interview & Quality Review Sheet, is mandatory for all VITA/TCE sites. The Form 13614-C must be complete to conduct the return review.</p> <p>If Form 13614-C was incomplete or not used, follow these directions:</p> <ul style="list-style-type: none"> • Hold the initial return to ensure no changes are made prior to conducting the return review. • Ask the coordinator to have the tax law-certified volunteer interview the taxpayer to complete Form 13614-C. • Once Form 13614-C is completed, conduct the return review. <p>If you must return the Form 13614-C for completion, the answer to this question will be “No.”</p> <p>The quality reviewer is required to use the prepared return, Form 13614-C, and all available source documents during the review. The quality review should also include a discussion with the taxpayer to ensure his/her understanding and agreement to the entries on the return prior to the taxpayer leaving the site.</p> <p>You should conduct the return review even if the return did not go through a quality review process.</p> <p>If the return is deemed inaccurate and must be corrected, then it’s reasonable to conclude that the initial quality review was not effective. Consider answering this question as “No” when an inaccurate return is discovered.</p> <p>The current year Form 13614-C should be used for preparation of prior year returns. However, volunteers should have access to prior year Forms 13614-C for reference purposes. Prior year Forms 13614-C are available on IRS.gov.</p> <p>The answer to this question may affect how you evaluate adherence to QSR #2 and #3 of the site review.</p>	<p>Yes</p> <p>No</p>

Question 2: What is the certification level needed for this return?	Answer Options
<p>Refer to Publication 4012’s “Scope of Service” chart.</p> <p>Use “Other” option if a Specialty certification is needed for the return – HSA, International, Puerto Rico or Foreign Student.</p>	<p>Basic</p> <p>Advanced</p> <p>Military</p> <p>Other</p>

Question 3: Were both the tax preparer and quality reviewer certified at the level required to prepare and review this return?	Answer Options
<p>The site should have a process for ensuring volunteers only prepare and quality review returns within the scope of their certification level. If the certification level of the tax preparer or quality reviewer was not appropriate for the return, explain the requirement that volunteers only prepare and review returns within their certification level to the site coordinator. Review the site process for assigning returns and evaluate where the breakdown occurred.</p> <p>Volunteers that qualify and certify using the Federal Tax Law Updates Test for Circular 230 Professionals can prepare or review all returns that are within the scope of the VITA/TCE Programs. In other words, the volunteer can prepare or review returns that require Basic, Advanced, Military, or any Specialty tax law certifications.</p> <p>The answer to this question may affect how you evaluate adherence to QSR #2 of the site review. A “No” to this question means the site has no process for assigning tax returns to a preparer/reviewer with the appropriate certification level or the process they do have, is not working and will need to be discussed with the site coordinator.</p>	<p>Yes No</p>

Label

Question 4: Are all names on the return correct?	Answer Options
<p>Use the social security card, or other approved documentation, to verify the accuracy of the names of the taxpayer(s), dependent(s), or qualifying child(ren). Question 5: Is the taxpayer’s address on the return correct?	Answer Options

Question 6: Are all SSN/ITINs on the return correct?	Answer Options
<p>Use the social security card, or other approved documentation, to verify the accuracy of the Taxpayer Identification Numbers (TIN). Individual Taxpayer Identification Number (ITIN) letters or cards should be used for verification for those without an SSN. Remember, some ITINs will expire because of the PATH legislation. If the ITIN meets the requirements to automatically expire this year, make sure the volunteer was able to tell the taxpayer how to renew the ITIN. For more information see Publication 5259, Fact Sheet – Expiring ITINs.</p>	<p>Yes No N/A</p>

<p>The N/A answer option would only be selected when a return is being prepared for a taxpayer(s) applying for an ITIN(s). In that case, the return is prepared without a TIN.</p>

If potential dependents are listed, ensure the volunteer completed the gray section entitled “To be completed by a Certified Volunteer Preparer.” If this section is not completed, you will not be able to verify whether the individuals should be claimed as dependents or not. Return the Form 13614-C to the IRS tax law-certified volunteer for completion or interview the taxpayer yourself to complete the gray section and verify the correct dependency determinations.</p> <p>Use the Tables in Publications 4012, Section C, to make the dependency determinations. Compare the print set W-2’s with the source document W-2’s. Check each box to ensure they are accurately input.</p> <p>See Publication 17 for information on:</p> <ul style="list-style-type: none"> • Procedures for missing W-2(s) and substitute W-2(s) • Tip and scholarship income that may be taxable and should be included on line 7 • Disability Income reported on Form 1099-R that may be considered wages • How to report income for Household Employees who may not have received a W-2 	<p>Yes</p> <p>No -</p> <ul style="list-style-type: none"> • Omitted wages (overlooked or missing document); • Included something other than current year wages (Interest, dividends, other income, self-employment income, W-2 info from another year, etc.); or • Other (could be a typo) <p>N/A – No wages and none claimed.</p>

Be aware to answer this question, you may need to review Schedule 1.</p> <p>Many brokers will issue combined statements. Review the broker combined statement for the areas indicated as 1099-INT and 1099-DIV. They are usually identified in sub-headings. The Forms 1099-B will be broken out in a sub-section also. Many times, the brokerage statements break the 1099-B out to show the</p>	<p>Yes</p> <p>No – Investment income was omitted, incorrectly included, or otherwise incorrect.</p> <p>N/A – No investment income and none claimed.</p>

<p>Long and Short-term gains/losses. Oral testimony from the taxpayer should be noted on the Form 13614-C if there is not source document.</p> <p>Capital gains/losses can be time consuming and complex to review. Take extra time and verify each transaction on the Forms 8949.</p>

Question 13: Is net business income correct?	Answer Options
<p>Review the taxpayer's answers on Form 13614-C, page 2, Part III, questions 7 and 8. Look at the source documents. Does the taxpayer have a Form 1099 MISC with an entry in box 7? Does the taxpayer show expenses in Part IV, question 7?</p> <p>If either the income or expenses are incorrect then the net business income will be incorrect. Business income is reported on Schedule 1. You must review the Schedule C/C-EZ also.</p> <p>Be sure to check:</p> <ul style="list-style-type: none"> • All 1099-MISC, box 7, amounts have been included on the Schedule C/C-EZ. • All cash income was included on the Schedule C/C-EZ. • All allowable expenses were recorded correctly on the Schedule C/C-EZ. <p>Reminder: Schedule C Scope Limitation – Follow the Schedule C-EZ guidelines, except up to \$25,000 of expenses are allowed and more than one Schedule C can be prepared with the return.</p>	<p>Yes</p> <p>No – Net business income is incorrect because income and/or expenses were omitted, incorrectly included, or otherwise incorrect.</p> <p>N/A – No Schedule C or C-EZ needed.</p>

Check the total amount verses the taxable amount. Do they match the source documents?</p> <p>Using the Quality Review print set, you will have a copy of the 1099-R's as they were input in the software. Compare the 1099-R's that were input with the source documents. Verify the correct distribution code is entered in box 7. Understanding what the code means will tell you how the income should be reported and whether there is a possibility of an additional tax computation or an exception to the additional tax.</p> <p>On Form 1099-R, Box 2, if the taxable amount is not shown, ask the volunteer how the taxable amount was determined. The Quality Review print set will include the Simplified Worksheet if the amount was determined using this method.
