

Go Green! Go Electronic! Go eLevy!

Go Fax -- Save Time

Set up IRS levy delivery via fax

- Centralized delivery of IRS levies to a fax number designated by you
- Respond to levy via fax – reduce mailing costs
- Eliminate paper levy misrouting and inter-office mail
- Reduce receipt of incoming mail
- Easy to implement

Go Paperless -- Save Money

Set up electronic receipt of faxes*

- Simple as receiving an email
- Save on fax machine paper and toner
- Store levies electronically
- Eliminate loss of levy paperwork

* Contact your internal IT department for setup if you don't have this feature already
