

Enroll in the IRS eLevy Program today

No fees or costs, and it's simple to sign up

The IRS Electronic Levy (eLevy) program makes delivery of levies more efficient and convenient for employers, banks and businesses. IRS is seeking participants to enroll in this efficient, paperless program.

The benefits of eLevy are:

- Simple to enroll
- No fees or costs to participate
- Available nationwide
- Centralized delivery of IRS levies to a fax number designated by you
- Streamlined processing
- Reduces incoming mail, overhead and handling time
- Stores levies electronically

The eLevy program is available nationwide for:

- Payroll levies
- Accounts payable levies
- Banking institutions

How eLevy works:

- Electronic levies are digitally signed and include a coversheet with the name and fax number of the initiating IRS employee.
- Part 3 of Forms 668-A and 668-W responses can be faxed to the originating IRS employee's e-fax number when no levy proceeds are attached.

Enroll today by contacting the IRS at SBSE.eLevy@irs.gov.
