Continuing Education Credits for VITA/TCE Partners and Volunteers

This document provides guidance on earning Continuing Education (CE) Credits as a volunteer in the VITA/TCE program.

Background:

IRS tax volunteers with any of the professional statuses outlined below can earn continuing education credits by completing the required tax law training certifications via Link and Learn Taxes (LLT) and serving as a volunteer instructor, tax return preparer or quality reviewer in the IRS Stakeholder Partnerships, Education and Communication (SPEC) Volunteer Income Tax Assistance (VITA) or Tax Counseling for the Elderly (TCE) programs.

The VITA/TCE program is an approved provider of IRS Continuing Education (CE) credits for the following professionals:

- Enrolled Agents (EAs)
- Non-credentialed tax return preparers participating in the IRS Annual Filing Season Program (AFSP)
- Certified Financial Planners (CFP)
- California Tax Education Council (CTEC) Registered Tax Return Preparer (CRTP). CTEC is responsible for registering non-credentialed tax preparers for the state of California.

Attorneys and Certified Public Accountants may qualify for CE credits depending on their state licensing requirements or the National Association of State Boards of Accountancy (NASBA) requirements. Note: The VITA/TCE program is not an approved NASBA CE Sponsor; therefore, we do not have an assigned sponsor number.

Volunteer requirements:

All volunteers requesting CE credits must:

- Register in LLT and complete the following fields on the “My Account Page” in addition to the required fields:
  - Professional Status (Non-credentialed tax return preparers must participate in the AFSP Program to be eligible for CE credits).
  - First and last name as listed on their Preparer Tax Identification Number (PTIN) Account (Required if the volunteer has a PTIN).
  - PTIN Number (All EAs and non-credentialed tax return preparers in AFSP and any volunteer with a valid PTIN seeking credits to post to their PTIN account require a PTIN). The PTIN is an
eight-digit number beginning with the letter “P” and eight numbers, i.e. P0XXXXXXXX. Note: An incorrect name or PTIN will cause the volunteer information to reject during the Return Preparer Office validation process.

■ CTEC Number (Required for all CTEC registrants). It is a six-digit number beginning with the letter “A” and six numbers, i.e., AXXXXXX. The CTEC number auto-populates on Form 13615, Volunteer Standards of Conduct – VITA/TCE Programs, from the information the volunteer enters on the “My Account” page of L&LT.

■ Complete the following training and certification tests before beginning volunteer service:
  ■ Volunteer Standards of Conduct (VSC) Training and pass the test with a score of 80% or above;
  ■ Intake/Interview & Quality Review Training, if a new volunteer;
  ■ Pass the Intake/Interview & Quality Review certification test with a score of 80% or above; and
  ■ Advanced Tax Law Training and pass the test with a score of 80% or above.
  ■ Optional: Complete one or more of the specialty federal tax law training options and pass the certification test(s) with a score of 80% or above.

■ Have a valid PTIN. Return Preparer Office (RPO) uploads all CE hours to the PTIN holder’s account. To determine if you must have a PTIN, see PTIN requirements for Tax Return Preparers.

■ Note: Attorneys, CPAs and CFPs do not require a PTIN to earn CE credits. However, if provided, RPO will upload the CE hours to their PTIN account.

■ Complete a minimum 10 hours of volunteer services as a VITA or TCE quality reviewer, tax return preparer or tax law instructor.

■ Provide the partner or site coordinator with a signed Form 13615, Volunteer Standards of Conduct Agreement – VITA/TCE Programs, printed from Link & Learn taxes, reflecting the volunteer certifications completed.

Volunteers can receive up to 14 hours of CE credits for certifying in tax law at the Advanced level and volunteering as a quality reviewer, tax return preparer or tax law instructor for a minimum of 10 hours. Volunteers can earn an additional 4 hours of CE credits by certifying in a specialty course (e.g., Military, International, Puerto Rico or Foreign Student). Volunteers can earn a maximum of 18 CE credit hours.

After completion of the requirements above, eligible volunteers receive CE credits as follows:

SPEC Partner Requirements

■ Share the requirements for seeking continuing education credits with volunteers at the beginning of the filing season.

■ SPEC partners, site coordinators or AARP local coordinators must review Form 13615, Volunteer Standards of Conduct Agreement – VITA/TCE Programs, to ensure completion of all required fields and volunteer completion of all required certifications. Please refer to Publication 1084, VITA/TCE Volunteer Site Coordinator Handbook, for additional information.

■ For sites closing April 15 or sooner, submit completed forms by **April 30** to your SPEC relationship manager.

■ For year-round sites, submit completed forms **monthly** after April 30 once volunteers meet CE requirements.

Issuance of CE Credit Certificates:

■ CE certificates are available via L&LT for each volunteer meeting all program requirements. There will be an option to the right of the page that indicates "Click here" to open your CE Credit Certificate. Volunteers must select a Professional Status on the My Account Page of LLT to generate a certificate.

■ In addition, for all volunteers with a valid PTIN, RPO will upload the CE hours to their PTIN account. To view continuing education credits in a PTIN account, go to the PTIN system login page. Keep in mind you must have a valid PTIN prior to certifying.

■ Certified Financial Planners must self-report their CE credits to the CFP Board. Guidance is available at www.cfp.net.

■ Attorneys and CPAs should present their CE certificates to their governing board for approval.

What is the IRS Annual Filing Season Program?

The Annual Filing Season Program launched by the IRS Return Preparer Office is intended to recognize and encourage non-credentialed tax return preparers who voluntarily increase their knowledge and improve their filing season competency through continuing education. A non-credentialed tax return preparer is a tax return preparer without professional credentials. This program allows them to obtain an AFSP record of completion for participation in an annual continuing education program. AFSP participants are also included in a public database of return preparers on the IRS website. In addition, there are reduced requirements for exempt individuals. IRS VITA/TCE volunteers are considered exempt if they meet all the above requirements to obtain at least 14 hours of continuing education credit through the VITA/TCE program and obtain an additional 1 hour of ethics training from another IRS Approved Provider.

How and when will I get my record of completion?

After completing the required continuing education requirements and renewal of PTIN for the upcoming year, the volunteer will receive an email from TaxPro_PTIN@irs.gov with instructions on how to elect to participate. They will receive their record of completion in the online secure mailbox. After notification they qualify, the volunteer must sign the Circular 230 Agreement in their PTIN account and the AFSP Record of Completion will be viewable/printable from their secure mailbox in the PTIN system.
