economy and your taxes

1. Type
   - gig economy employee
   - gig economy worker

2. Tax Responsibilities
   - Employer usually withholds taxes, including income tax, from your pay.
   - You can adjust and submit a new Form W-4 for other jobs where you work as an employee to cover any additional tax.
   - You make quarterly estimated tax payments to help pay your taxes throughout the year, including self-employment tax.

3. For more information visit
   - Gig Economy Tax Center
