Economic Impact Payments

for Americans experiencing homelessness

Act now!
Deadline to register is Nov. 21.

Americans without a permanent address qualify for a \$1,200 Economic Impact Payment.

No income is required to claim the payment.

Individuals who don't normally file taxes need to sign up with the IRS by November 21.

Payments are \$1,200 per individual and \$500 per qualifying child.

Sign up by using the free online tool at **www.irs.gov/nonfilereip**.

Here's what's needed:

- Name, a mailing address and an email address
- Date of birth and valid SSN
- Bank account, if you have one
- IP PIN, if you received one from the IRS earlier
- License or state ID, if you have one
- Name, SSN and relationship for each child

The IRS will mail a letter to your last known address within a few weeks after the payment is issued.
