

www.irs.gov

Make Chapter 13 bankruptcy plan payments to the IRS more efficiently – pay electronically.

Join most Chapter 13 trustees and use the Electronic Federal Tax Payment System (EFTPS®) to submit claim payments to the IRS. It's free, quick and secure.

Enjoy the Benefits

- Reduce the chance of identity theft
- Save on postage and paper costs
- Eliminate human errors
- Streamline business processes
- Get fast, accurate processing
- Make payments 24/7 without delay
- Reduce burdens*
- Avoid issues with stale-dated checks

**Anyone participating with the National Data Center doesn't need to send payment vouchers and accounting lists to the IRS.*

Enroll Now

Follow these **3 steps** to set up **EFTPS** for claim payments.

1. Complete and submit **Form 14781, Electronic Federal Tax Payment System (EFTPS) Insolvency Registration PDF**. The preferred way to submit the form is by fax to 855-536-3484. The IRS sends Form 14781 to First Data for processing.
2. Receive EFTPS® registration number (Trustee ID) from First Data.
3. Work with software provider and bank to set up the electronic funds transfer for making **EFTPS®** claim payments via Automated Clearing House.
