

E-File is Available for Federal Payroll Tax Forms

There are many benefits to e-filing federal payroll taxes.

It's Secure

- E-file security standards ensure information is safeguarded and protected at all times.
- Authorized IRS *e-file* Providers are required to secure transmitted tax information and ensure only authorized users have access.

It's Easy

- No more trips to the post office and reduced office expenses for paper, postage and physical storage space.
- IRS acknowledges receipt of the return within 24 hours.

It's Accurate

- This is the most accurate method of filing.
- Errors are automatically detected and alerts are provided for missing information.
