BEFORE YOU DOWNLOAD

The IRS app provides secure mobile access to IRS information and selected account services.

Start at IRS.gov

Make sure you are using the official IRS app.

Check the source

Be cautious of apps, websites, emails or messages that imitate the IRS or ask for personal or financial information unexpectedly.

Protect your information

Only enter sensitive information after confirming you are using an official IRS service.

Explore more IRS app services at IRS.gov/app

IRS

IRS.gov remains the official source for comprehensive tax information and guidance.
