Dear Taxpayer!

Please be informed, that you are required to pay a penalty for the failure to file income tax returns by the deadline that is January 31, 2012.

Please take into account, that IRS [Section 6038(b)(1)] specifies a monetary penalty to the amount of \$10,000 for each [Form 5471] that is submitted later than the deadline stipulated for filing the income tax return, or does not comprise the complete and accurate data defined in [Section 6038(a)].

You will be released from the penalty provided that the taxpayer shows that the failure to file on time was due to reasonable cause.
