Completing your return

Name and address
Use the mailing label from the back cover of the instruction booklet. Correct any errors right on the label. But don’t place the label on your return until you have completed it. If you don’t have a label, print or type the information in the spaces provided. If you don’t have a social security number, see page 7.

Presidential election campaign fund
This fund was established by Congress to help pay campaign costs of candidates running for President. You may have one of your tax dollars go to this fund by checking the box.

Figure your tax
Line 1. Write on line 1 the total amount you received in wages, salaries, and tips from all employers.
Your employer should have reported your income on a 1982 wage statement, Form W-2. If you don’t receive your W-2 form by February 15, contact your local IRS office. Attach W-2 form(s) to your return.

Line 2. Write on line 2 the total interest income you received from all sources, such as banks, savings and loans, credit unions, and other institutions with which you deposit money. You should receive an interest statement (usually Form 1099-INT) from each institution that paid you interest.
You cannot use Form 1040EZ if your total interest income is over $400 or you received interest income from an All-Savers Certificate.

Line 4. You can deduct 25% of what you gave to qualified charitable organizations in 1982. But if you gave $100 or more, you can’t deduct more than $25. Complete the worksheet on page 18 to figure your deduction, and write the amount on line 4.

Line 6. Every taxpayer is entitled to one $1,000 personal exemption. If you are also entitled to additional exemptions for being 65 or over, for blindness, for your spouse, or for your dependent children or other dependents, you cannot use this form. You must use Form 1040A or Form 1040.

Line 8. Write the amount of Federal income tax withheld, as shown on your 1982 W-2 form(s). If you had two or more employers and had total wages of over $32,400, see page 19. If you want IRS to figure your tax for you, complete lines 1 through 8, sign, and date your return. If you want to figure your own tax, continue with these instructions.

Line 9. Use the amount on line 7 to find your tax in the tax table on pages 26-31. Be sure to use the column in the tax table for single taxpayers. Write the amount of tax on line 9.

Refund or amount you owe
Line 10. Compare line 8 with line 9. If line 8 is larger than line 9, you are entitled to a refund. Subtract line 9 from line 8, and write the result on line 10.

Line 11. If line 9 is larger than line 8, you owe more tax. Subtract line 8 from line 9, and write the result on line 11. Attach your check or money order for the full amount. Write your social security number and “1982 Form 1040EZ” on your payment.

Sign your return
You must sign and date your return. If you pay someone to prepare your return, that person must also sign it below the space for your signature and supply the other information required by IRS. See page 22.

Mailing your return
Your return is due by April 15, 1983. Use the addressed envelope that came with the instruction booklet. If you don’t have an addressed envelope, see page 25 for the correct address.
