- Your filing status is single.
- You do not claim exemptions for being 65 or over, OR for being blind.
- You do not claim any dependents.

**Completing your return**

It will make it easier for us to process your return if you do the following:

1. Keep your numbers inside the boxes.
2. Try to make your numbers look like these
3. Do not use dollar signs.

**Name and address**

Use the mailing label we sent you. After you complete your return, carefully place the label in the name and address area. Correct any errors right on the label. If you don't have a label, print the information on the name and address lines.

**Presidential election campaign fund**

Congress set up this fund to help pay for Presidential election campaigns. You may have one of your tax dollars go to this fund by checking the box.

**Figure your tax**

**Line 1.** Write on line 1 the total amount you received in wages, salaries, and tips. This should be shown on your 1983 wage statement, **Form W-2**, (Box 10). If you don't receive your W-2 form by February 15, contact your local IRS office. Attach the first copy or Copy B of your W-2 form(s) to your return.

**Line 2.** Write on line 2 the total interest income you received from all sources, such as banks, savings and loans, and credit unions. You should receive an interest statement (usually **Form 1099-INT**) from each institution that paid you interest.

You cannot use Form 1040EZ if your total interest income is over \$400, or you received interest income from an All-Savers Certificate.

**Line 4.** You can deduct 25% of what you gave to qualified charitable organizations in 1983. But if you gave \$100 or more, you can't deduct more than \$25. Complete the worksheet on page 19 to figure your deduction, and write the amount on line 4.

**Line 6.** Every taxpayer is entitled to one \$1,000 personal exemption. If you are also entitled to additional exemptions for being 65 or over, for blindness, for your spouse, or for your dependent children or other dependents, you cannot use this form.

**Line 8.** Write the amount of Federal income tax withheld. This should be shown on your 1983 W-2 form(s) (Box 9). If you had two or more employers and had total wages of over \$35,700, see page 23. If you want IRS to figure your tax for you, complete lines 1 through 8, sign, and date your return. If you want to figure your own tax, continue with these instructions.

**Line 9.** Use the amount on line 7 to find your tax in the tax table on pages 29-34. Be sure to use the column in the tax table for **single** taxpayers. Write the amount of tax on line 9. If your tax from the tax table is zero, write 0.

**Refund or amount you owe—Compare line 8 with line 9.**

**Line 10.** If line 8 is larger than line 9, you are entitled to a refund. Subtract line 9 from line 8, and write the result on line 10.

**Line 11.** If line 9 is larger than line 8, you owe more tax. Subtract line 8 from line 9, and write the result on line 11. Attach your check or money order for the full amount. Write your social security number and "1983 Form 1040EZ" on your payment.

**Sign your return**

You must sign and date your return. If you pay someone to prepare your return, that person must also sign it below the space for your signature and supply the other information required by IRS. See page 25.

**Mailing your return**

File your return by **April 16, 1984**. Mail it to us in the addressed envelope that came with the instruction booklet. If you don't have an addressed envelope, see page 28 for the address.
