

Please Note:

The following Form 1040EZ can be filled-in, printed out and submitted to the IRS for automated processing.

The positional boxes displayed on the form will not appear when the form is printed. These boxes are the only difference between the standard and the fill-in versions of this form.

Use this form if

- Your filing status is single or married filing jointly.
- You do not claim any dependents.
- You do not claim a student loan interest deduction (see page 8) or an education credit.
- You had **only** wages, salaries, tips, taxable scholarship or fellowship grants, unemployment compensation, qualified state tuition program earnings, or Alaska Permanent Fund dividends, and your taxable interest was not over \$400. **But** if you earned tips, including allocated tips, that are not included in box 5 and box 7 of your W-2, you may not be able to use Form 1040EZ. See page 13. If you are planning to use Form 1040EZ for a child who received Alaska Permanent Fund dividends, see page 14.
- You did not receive any advance earned income credit payments.
- You (and your spouse if married) were under 65 on January 1, 2000, and not blind at the end of 1999.
- Your taxable income (line 6) is less than \$50,000.

If you are not sure about your filing status, see page 11. If you have questions about dependents, use TeleTax topic 354 (see page 6). If you **cannot use this form**, use TeleTax topic 352 (see page 6).

Filling in your return

Enter your (and your spouse's if married) social security number on the front. Because this form is read by a machine, please print your numbers inside the boxes like this:

9	8	7	6	5	4	3	2	1	0
---	---	---	---	---	---	---	---	---	---

Do not type your numbers. Do not use dollar signs.

For tips on how to avoid common mistakes, see page 29.

If you received a scholarship or fellowship grant or tax-exempt interest income, such as on municipal bonds, see the booklet before filling in the form. Also, see the booklet if you received a Form 1099-INT showing Federal income tax withheld or if Federal income tax was withheld from your unemployment compensation or Alaska Permanent Fund dividends.

Remember, you must report all wages, salaries, and tips even if you do not get a W-2 form from your employer. You must also report all your taxable interest, including interest from banks, savings and loans, credit unions, etc., even if you do not get a Form 1099-INT.
