# Instructions

## Purpose of Schedule

If you can take the earned income credit and have a qualifying child, use Schedule EIC to give information about that child. To figure the amount of your credit, use the worksheet on page 45 of the Form 1040A instructions or page 28 of the Form 1040 instructions.

### Line 1

Enter each qualifying child's name.

### Line 3a

If your child was born **before 1976** but was under age 24 at the end of 1994 and a student, put a checkmark in the "Yes" box.

Your child was a **student** if he or she—

- Was enrolled as a full-time student at a school during any 5 months of 1994, or
- Took a full-time, on-farm training course during any 5 months of 1994. The course had to be given by a school or a state, county, or local government agency.

A **school** includes technical, trade, and mechanical schools. It does not include on-the-job training courses or correspondence schools.

### Line 3b

If your child was born **before 1976** and was permanently and totally disabled during any part of 1994, put a checkmark in the "Yes" box.

A person is **permanently and totally disabled** if **both** of the following apply.

1. He or she cannot engage in any substantial gainful activity because of a physical or mental condition.

2. A doctor determines the condition has lasted or can be expected to last continuously for at least a year or can lead to death.

### Line 4

If your child was born **before 1994**, you must enter his or her social security number (SSN) on line 4. If you don't enter an SSN or if the SSN you enter is incorrect, it will take us longer to issue any refund shown on your return. If your child doesn't have a number, apply for one by filing **Form SS-5** with your local Social Security Administration (SSA) office. It usually takes about 2 weeks to get a number. If your child won't have an SSN by April 17, 1995, you can get an automatic 4-month extension by filing Form 4868 with the IRS by that date.

### Line 6

Enter the number of months your child lived with you in your home in the United States during 1994. Do not enter more than 12. Count temporary absences, such as for school, vacation, or medical care, as time lived in your home. If the child lived with you for more than half of 1994 but less than 7 months, enter "7" on this line.

**Exception.** If your child, including a foster child, was born or died in 1994 and your home was the child's home for the entire time he or she was alive during 1994, enter "12" on line 6.
