Section B—Long Schedule SE

(Before completing, see if you can use the short Schedule SE on the other side (Section A.).)

A If your only self-employment income was from earnings as a minister, member of a religious order, or Christian Science practitioner, and you filed Form 4361, then DO NOT file Schedule SE. Instead, write "Exempt-Form 4361" on Form 1040, line 48. However, if you filed Form 4361, but have $400 or more of other earnings subject to self-employment tax, continue with Part I and check here. □

B If your only earnings subject to self-employment tax are wages from an electing church or church-controlled organization that is exempt from employer social security taxes and you are not a minister or a member of a religious order, skip lines 1–3b. Enter zero on line 3c and go on to line 5a.

3b Enter the amount from line 2 (or, if you elected the nonfarm optional method, Part II, line 12)

4. The largest amount of combined wages and self-employment earnings subject to social security or railroad retirement tax (tier 1) for 1988 is $45,000.

5a Total social security wages and tips from Forms W-2 and railroad retirement compensation (tier 1). Note: Government employees whose wages are subject only to the 1.45% Medicare tax and employees of certain church or church-controlled organizations should not include those wages on this line. See Instructions.
