Instructions for Recipient

Recipient's identification number. For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN). However, the issuer has reported your complete identification number to the IRS and, where applicable, to state and/or local governments.

This statement is provided to you because you received HCTC advance payments of your health coverage insurance premiums. These advance payments were forwarded directly to your health insurance provider. You qualify to receive advance payments if you were an eligible trade adjustment assistance (TAA), Reemployment TAA, or a Pension Benefit Guaranty Corporation (PBGC) pension recipient. See Form 8885, Health Coverage Tax Credit, and its

instructions for more details on qualified recipients and how to figure any credit that you may be able to take on your Form 1040, 1040NR, 1040-SS, or 1040-PR.

Box 1. Shows the total amount of HCTC advance payments of qualified health insurance costs that were made on your behalf. Do not report this amount on Form 8885. This amount is in lieu of any credit you will be able to take on Form 1040, 1040NR, 1040-SS, or 1040-PR, because it was paid for you in advance.

Box 2. Shows the total number of months you received HCTC payments.

Boxes 3 through 14. Shows the amount of HCTC advance payments paid for you for each month. The total of the amounts shown in these boxes equals the amount shown in box 1.

Form **1099-H**

(keep for your records)

Department of the Treasury - Internal Revenue Service

DO NOT FILE THIS FORM WITH YOUR FEDERAL INCOME TAX RETURN. THIS FORM IS FOR YOUR INFORMATION ONLY.

Instructions for Recipient

Recipient's identification number. For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), or adoption taxpayer identification number (ATIN). However, the issuer has reported your complete identification number to the IRS and, where applicable, to state and/or local governments.

This statement is provided to you because the HCTC Program made monthly payment(s) to your health plan to cover a portion of your health insurance costs in 2012. These payments are referred to on this statement as advance payments. These advance payments are shown in Boxes 1 through 14 as follows:

Box 1. Shows the total amount of HCTC advance payments that were made on your behalf for the entire year, as well as the total amount of reimbursement credits paid to you prior to your HCTC enrollment.

Box 2. Shows the total number of months HCTC advance payments or reimbursement credits were made on your behalf.

Boxes 3 through 14. Shows the total amount of any HCTC advance payments or reimbursement credits that were made on your behalf each month. The sum of these amounts equals the amount shown in Box 1.

Note. This statement reflects the tax credit that you and any qualified family members received in 2012 through the monthly HCTC Program. It does not reflect payments you made to the HCTC Program ("U.S. Treasury – HCTC") which were forwarded to your health plan by the HCTC Program.

Any HCTC amount listed on this statement cannot be claimed on your federal income tax return. Claiming this amount means you would receive the credit twice. If you receive the credit for amounts you are not entitled to, you will be required to repay the IRS. Only payments you paid directly to your health plan can be claimed on your federal income tax return. This means any amounts for which you received an advance payment or reimbursement credit cannot be claimed on your tax return (any reimbursement credits will be reflected on this form). For example, if you paid \$100 to your health plan and received a \$72.50 advance payment or reimbursement credit, you cannot claim the same \$100 on your tax return. Similarly, if you sent \$27.50 to the HCTC Program to cover your portion of your monthly \$100 health plan premium, you cannot claim that payment on your tax return because you already received the \$72.50 tax credit. See IRS Form 8885 for more information on these requirements.
