Paperwork Reduction Act Notice

We ask for this information to carry out the Internal Revenue laws of the United States. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax. You are required to give us this information.

Note: Effective for tax years beginning after 1981, a principal campaign committee, designated only by a candidate for Congress, will be subject to a lower tax rate. See instruction B.2 below.

A. Who Must File Form 1120-POL.—

1. A political organization, that is, a party, committee, association, fund (including a separate segregated fund (described in section 527(f)(3)) set up by a section 501(c) organization), or other organization, organized and operated primarily for the purpose of accepting contributions or making expenditures, or both, to influence the selection, nomination, election, or appointment of any individual to any public office or office in a political organization, or the election of Presidential or Vice-Presidential electors, must file Form 1120-POL if such organization has any taxable income (defined in C below).

2. A newsletter fund (as described in section 527(g)) must file Form 1120-POL if it has political organization taxable income. Taxable income is the same as described in C below with these modifications:

- (a) the \$100 specific deduction is not allowed and
- (b) the exempt function is only the preparation and circulation of the newsletter.

For further information, see section 527(g) and Regulation section 1.527-7.

3. (a) Under section 527(f), certain organizations described in section 501(c) and exempt from tax under section 501(a), must file Form 1120-POL if they:

- (i) expend any amount during the tax year directly (or through another organization) for an exempt function (defined in E below) and
 - (ii) have taxable income.
- (b) For a section 501(c) organization, taxable income is the lesser of:

- (i) the amount expended during the tax year for an exempt function (defined in E below) or
- (ii) the net investment income of the organization for the tax year. Net investment income, for this purpose, means the gross amount of interest, dividends, rents, royalties, plus the excess (if any) of gains from the sale or exchange of assets over the losses from the sale or ex-

change of assets, over the deductions directly connected with the production of this income.

Both of these amounts are computed with the modifications described in C.2 below.

Section 501(c) organizations exclude those items taken into account for the tax imposed by section 511.

(c) If a section 501(c) organization sets up a separate segregated fund (section 527(f)(3)), the taxable income of the fund is determined as described in instruction C.

For more information, see section 527(f) and Regulation section 1.527-6.

B. Tax Imposed.—The tax imposed depends on whether the political organization is considered a principal campaign committee (defined in instruction B.2 below).

1. **Political organization not a principal campaign committee.**—Multiply line 19 by 46% and enter the amount on line 20.
2. **Principal campaign committee (section 527(h)).**—A principal campaign committee means the political committee designated only by a candidate for Congress as his or her principal campaign committee for purposes of section 302(e) of the Federal Election Campaign Act of 1971. See section 527(h) for special rules regarding the term "designation."

Effective for tax years beginning after 1981, a principal campaign committee will be subject to a lower rate of tax than other political organizations. A 1982 calendar year political organization that is a principal campaign committee is to compute its tax as follows:

If the amount on line 19 is:		Enter on line 20:	
Over—	But not over—		Of the amount over—
0	\$25,000	16%	0
\$25,000	50,000	\$4,000 + 19%	\$25,000
50,000	75,000	8,750 + 30%	50,000
75,000	100,000	16,250 + 40%	75,000
100,000	26,250 + 46%	100,000

A fiscal year 1982-83 organization that is a principal campaign committee should see pages 5 and 6 of the instructions to compute its tax.

C. Taxable Income.—

Note: Generally, campaign contributions are not includible in income; expenditures for campaign purposes are not deductible. (See instruction D below.)

Taxable income is the excess of:

1. gross income for the tax year (excluding any exempt function income defined below) over

2. the deductions allowed that are directly connected with the production of gross income (excluding exempt function income) computed with the following modifications—

- (a) a specific deduction of \$100 is allowed,
- (b) a net operating loss deduction (section 172) is not allowed, and
- (c) a deduction under part VIII of subchapter B (special deductions for corporations) is not allowed.

See Regulation sections 1.527-4 and 1.527-5.

D. Exempt Function Income.—Exempt function income is any amount received as:

1. contributions of money or other property,
2. membership dues, fees, or assessments from members of the political organization,
3. proceeds from a political fund-raising or entertainment event, or proceeds from the sale of political campaign materials, that are not received in the ordinary course of any trade or business, or
4. proceeds from the conducting of any bingo game as defined in section 513(f)(2), to the extent this amount is segregated for use only for the exempt function of the political organization.

See Regulation section 1.527-3.

Note: Income received in the course of an ordinary trade or business is to be included in line 7, "other income," page 1.

E. Exempt Function.—For purposes of section 527, the term "exempt function" means the function of influencing or attempting to influence the selection, nomination, election, or appointment of any individual to any Federal, State, or local public office or office in a political organization, or the election of Presidential or Vice-Presidential electors, whether or not the individual or electors are selected, nominated, elected, or appointed.

See Regulation section 1.527-2(c).

G. When to File.—In general, an organization must file Form 1120-POL by the 15th day of the 3d month after the end of the tax year.

Extensions.—File Form 7004 to request an automatic 3-month extension of time to file Form 1120-POL.

File Form 7005 to request an additional extension after obtaining an automatic 3-month extension by filing Form 7004.

H. Period covered.—File the 1982 return for calendar year 1982 and fiscal years that begin in 1982 and end in 1983. For a fiscal year, fill in the tax year space at the top of the form.

I. Depository Method of Tax Payment.—The organization must pay the tax due either in full when the return is filed or in two equal installments. The installments are due by the 15th day of the 3d month and the 15th day of the 6th month after the end of the tax year.

Deposit organization income tax payments with a preinscribed Federal Tax Deposit (FTD) Form 503. Make these tax deposits with either a financial institution qualified as a depository for Federal taxes or the Federal Reserve Bank or Branch (FRB) servicing the geographic area where the organization is located. Records of deposits will be sent to IRS for crediting to the organization's account. See the instructions on the back of Form 503 for more information and exceptions.

You may apply for these FTD Forms 503 from the Internal Revenue Service Center where the organization files its return. If you do not have these forms when a deposit is due, mail your payment to the Internal Revenue Service Center where the organization files its return. When applying for FTD Form 503 (and also when making a payment without FTD Form 503), include the organization's name, employer identification number, address, and the tax year to which the deposits relate.

J. Change in Accounting Period.—Before you can change an accounting period, you must get the Commissioner's approval (Regulation section 1.442-1) by filing Form 1128, Application for Change in Accounting Period. Also see Publication 538, Accounting Periods and Methods.

K. Accounting Methods.—Taxable income must be computed using the method of accounting regularly used in keeping the organization's books and records. In all cases, the method adopted must clearly reflect taxable income. (See section 446.)

Unless the law specifically permits otherwise, the organization may change the method of accounting used to report taxable income in earlier years (for income as a whole or for any material item) only by first getting consent on Form 3115, Application for Change in Accounting Method. Also see Publication 538, Accounting Periods and Methods.

L. Rounding Off to Whole-Dollar Amounts.—You may show the money items on the return and accompanying schedules as whole-dollar amounts. To do so, drop any amount less than 50 cents and increase any amount from 50 cents through 99 cents to the next higher dollar.

M. Attachments.—If you need more space on forms or schedules, attach separate sheets to the back of Form 1120-POL. Attach schedules in alphabetical order and forms in numerical order. Be sure to put the taxpayer's name and employer identification number (EIN) on each sheet.

N. Signature.—The return must be signed and dated by the president, vice president, treasurer, assistant treasurer, chief accounting officer, or any other officer (such as tax officer) authorized to sign. A receiver, trustee, or assignee must sign and date any return required to be filed on behalf of an organization.

If your organization officer filled in Form 1120-POL, the Paid Preparer's space under "Signature of officer" should remain blank. If someone prepares Form 1120-POL and does not charge the organization, that person should not sign the return. Certain others who prepare Form 1120-POL should not sign. For example, a regular, full-time employee of the organization such as clerk, secretary, etc. does not have to sign. (This list is not all inclusive.)

Generally, anyone who is paid to prepare Form 1120-POL must sign the return and fill in the other blanks in the Paid Preparer's Use Only area of the return.

The preparer required to sign the return MUST complete the required preparer information and:

- Sign it, by hand, in the space provided for the preparer's signature. (Signature stamps or labels are not acceptable.)

- Give a copy of Form 1120-POL to the taxpayer in addition to the copy filed with IRS.

Tax return preparers should be familiar with their responsibilities. See Publication 1045, Information and Order Blanks for Preparers of Federal Income Tax Returns, for more details.

O. Employer Identification Number.—All political organizations (including separate segregated funds described in section 527(f)(3) and newsletter funds) must use an employer identification number (EIN).

An organization that does not have an EIN should apply for one on Form SS-4, Application for Employer Identification Number. You can get this form at most IRS or Social Security Administration offices. Send Form SS-4 to the same Internal Revenue Service Center to which you send Form 1120-POL. If you have not received the EIN by the filing time for Form 1120-POL, write "Applied for" in the space for the EIN.

P. Penalties.—

Avoid penalties and interest by correctly filing and paying the tax when due. The organization may have to pay the following penalties unless it can show that failure to file or to pay was due to reasonable cause and not willful neglect. (These penalties are in addition to the interest charge on unpaid tax at a rate under section 6621.)

- A political organization that fails to file its tax return when due (including any extensions of time for filing) may be subject to a penalty of 5% a month, up to a maximum of 25%, for each month the return is not filed. (The penalty is imposed on the net amount due.) The minimum penalty for failure to file a tax return within 60 days of the due date for filing (including extensions) is the lesser of the underpayment of tax or \$100.

- A political organization that fails to pay the tax when due may be subject to a penalty of 1/2% a month or fraction of a month, up to a maximum of 25%, for each month the tax is not paid. (The penalty is imposed on the net amount due.)

Penalty for Overstated Tax Deposits.—If you overstate your deposits, you may be subject to a penalty. See section 6656(b).

Q. Possessions Tax Credit.—See Form 5712 for rules on how to elect to claim the possessions tax credit (section 936). Compute the credit on Form 5735, and include the amount of the credit in the total for Form 1120-POL, line 22. Write in the margin, next to the entry on line 22, the amount of the credit and identify it as a section 936 credit.

R. Estimated Tax, Minimum Tax, Investment Credit and Jobs Credit.—These items do not apply to political organizations defined in section 527.

S. Financial Statements.—Section 501 (c) organizations do not have to complete Schedules L and M.

All other organizations are to complete Schedule L. However, do not complete Schedule M or similar statement if your total assets at the end of the tax year (line 1, column (B) of Schedule L) are less than \$25,000.

T. Foreign Financial Accounts and Foreign Trusts.—

Question 1: Check the Yes box if either 1 or 2 below applies to you. Otherwise check the No box.

1. At any time during the year you had an interest in or signature or other authority over a bank account, securities account, or other financial account in a foreign country, AND

- The combined value of the accounts was more than the \$1,000 at any time during the year; AND
- The account was NOT with a U.S.

military banking facility operated by a U.S. financial institution.

2. You own more than 50% of the stock in any corporation that owns one or more foreign bank accounts.

Get Form 90-22.1, Report of Foreign Bank and Financial Accounts, to see if you are considered to have an interest in or signature or other authority over a bank account, securities account, or other financial account in a foreign country.

If you checked Yes for Question 1, file Form 90-22.1 by June 30, 1983, with the Department of the Treasury at the address shown on the form. Form 90-22.1 is not a tax return, so do not file it with the IRS.

You can get Form 90-22.1 from many IRS offices.

Question 2: Check the Yes box if you were a grantor of, or a transferor to, a foreign trust that existed during this tax year.

General Instructions Only For Fiscal Year 1982-83 Principal Campaign Committees (Section 527(h))

Effective for tax years beginning after 1982, the tax rates have been lowered for these principal campaign committees. The tax rates changed from 16% of the first \$25,000 of taxable income; 19% of the next \$25,000 of taxable income; 30% of the next \$25,000 of taxable income; 40% of the next \$25,000 of taxable income; and 46% of taxable income in excess of \$100,000; to 15% of the first \$25,000 of taxable income; 18% of the next \$25,000 of taxable income; 30% of the next \$25,000 of taxable income; 40% of the next \$25,000 of taxable income; and 46% of taxable income in excess of \$100,000.

Because of changes in the tax rates, the proration rules of section 21 apply. Fiscal year 1982-83 committees must prorate their tax to reflect these changes. Thus, a fiscal year committee will compute its tax for the year by prorating a tax for the period before 1983 and for the period after 1982, using the tax rates in effect for each period. The accompanying worksheet for fiscal year 1982-83 provides for such computation.

Computation of Tax.—In computing the tax, the committee computes a regular tax (Part I) and an alternative tax (Part II) for each period and takes

the lower tax for each period. The sum of the prorated tax for each period is the total on line 16, Part III.
