## Changes To Note

The Taxpayer Relief Act of 1997 changed the tax years to which net operating losses (NOLs) and unused general business credits may be carried.

Generally, NOLs that occur in tax years beginning after August 5, 1997, are carried back 2 years and then forward to each of the 20 tax years following the year of the loss. Certain corporations that qualify as "small businesses" or that are engaged in the trade or business of farming may use a 3-year carryback period for losses attributable to Presidentially declared disasters. The new rules do not apply to specified liability losses, excess interest losses, capital losses, or NOLs of real estate investment trusts (REITs). See section 172(b)(1) and section 1212(a) for rules for those losses. For more information, see Act section 1082.

Unused general business credits that arise in tax years beginning after 1997 are carried back 1 year and then forward to each of the 20 years following the unused credit year. For more information, see Act section 1083.

## When To File

File Form 1120X only after the corporation has filed its original return. Generally, Form 1120X must be filed within 3 years after the date the original return was due or 3 years after the date the corporation filed it, whichever is later. A Form 1120X based on a net operating loss (NOL) carryback, a capital loss carryback, or a general business credit carryback, generally must be filed within 3 years after the due date (including extensions) of the return for the tax year of the NOL, capital loss, or unused credit. Other claims for refund must be filed within 3 years after the date the original return was due, 3 years after the date the corporation filed it, or 2 years after the date the tax was paid, whichever is later.

Please note that it often takes 3 to 4 months to process Form 1120X.

**Private delivery services.**—Corporations can use certain private delivery services designated by the IRS to meet the "timely mailing as timely filing/paying" rule for tax returns and payments. The IRS publishes a list of the designated private delivery services in September of each year. The list published in September 1997 includes only the following:

- Airborne Express (Airborne): Overnight Air Express Service, Next Afternoon Service, Second Day Service.
- DHL Worldwide Express (DHL): DHL "Same Day" Service, DHL USA Overnight.
- Federal Express (FedEx): FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2 Day.
- United Parcel Service (UPS): UPS Next Day Air, Next Day Air Saver, UPS 2nd Day Air A.M.

The private delivery service can tell you how to get written proof of the mailing date.

## What To Attach

If the change you are making involves an item of income, deduction, or credit that must be supported with a schedule, statement, or form, attach the appropriate schedule, statement, or form to Form 1120X.

### Tax Shelters

If you are amending your return to include any item (loss, credit, deduction, other tax benefit, or income) relating to a tax shelter required to be registered, you must attach **Form 8271**, Investor Reporting of Tax Shelter Registration Number.

### Carryback Claims

If Form 1120X is used as a carryback claim, attach copies of Form 1120 (pages 1 and 3) or Form 1120-A (pages 1 and 2), for both the year the loss or credit originated and for the carryback year. Also attach any other forms, schedules, or statements that are necessary to support the claim. At the top of these attachments, write "Copy Only—Do Not Process."

**Specified liability losses.**—The corporation must attach a statement showing the amount of any carryback that qualifies as a specified liability loss. On the statement, identify the part of the specified liability loss that is attributable to: (1) product liability; and (2) a Federal or state law or tort (other than product liability). For each of these parts of the specified liability loss, separately identify the types of deductions (e.g., nuclear decommissioning costs) that generate that part of the loss. For any part of a specified liability loss that is attributable to a Federal or state law or a tort (other than product liability), describe the act or actions (or failures to act) giving rise to each deduction that occurred at least 3 years before the loss year. See section 172(f) and Notice 97-36, 1997-26 I.R.B. 6.

### Information on Income, Deductions, Tax Computation, etc.

For information on income, deductions, tax computation, etc., see the **Instructions for Forms 1120 and 1120-A** for the tax year you are amending.

**Note:** *Deductions for such items as charitable contributions and the dividends-received deduction may have to be refigured because of changes made to items of income or expense.*

### Where To File

Mail this form to the Internal Revenue Service Center where the corporation filed its original return.

### Specific Instructions

#### Tax Year

In the space above the employer identification number, enter the ending month and year of the calendar or fiscal year for the tax return you are amending.

#### P.O. Box

If the post office does not deliver mail to the street address and the corporation has a P.O. box, show the box number instead of the street address.

#### Column (a)

Enter the amounts from your return as originally filed or as you later amended it. If your return was changed or audited by the IRS, enter the amounts as adjusted.

#### Column (b)

Enter the net increase or net decrease for each line you are changing. Use parentheses around all amounts that are decreases. Explain the increase or decrease in Part II.

#### Column (c)

**Lines 1 and 2.**—Add the increase in column (b) to the amount in column (a) or subtract the column (b) decrease from column (a). Enter the result in column (c). For an item that did not change, enter the amount from column (a) in column (c).

**Line 4.**—Figure the new amount of tax using the taxable income on line 3, column (c). Use Schedule J, Form 1120, or Part I, Form 1120-A, of the original return to make the necessary tax computation.

**Line 5e.**—Enter the amount of tax deposited with **Form 7004**, Application for Automatic Extension of Time To File Corporation Income Tax Return.

**Line 5g.**—Include on line 5g any write-in credits or payments, such as the credit for ozone-depleting chemicals or backup withholding.

**Line 8.**—Enter the amount from the "Overpayment" line of the original return, even if the corporation chose to credit all or part of this amount to the next year's estimated tax. This amount must be considered in preparing Form 1120X because any refund due from the original return will be refunded separately (or credited to estimated tax) from any additional refund claimed on Form 1120X.

**Line 10.**—If you do not use the Electronic Federal Tax Payment System (EFTPS), attach your check to this form and make it payable to "Internal Revenue Service." Do not use the depository method of payment.

**Line 11.**—If the corporation is entitled to a refund larger than the amount claimed on the original return, line 11 will show only the additional amount of refund. This additional amount will be refunded separately from the amount claimed on the original return.

### Signature

The return must be signed and dated by the president, vice president, treasurer, assistant treasurer, chief accounting officer, or any other corporate officer (such as tax officer) authorized to sign. A receiver, trustee, or assignee must sign and date any return required to be filed on behalf of a corporation.

If a corporate officer completes Form 1120X, the Paid Preparer's space should remain blank. If someone prepares Form 1120X and does not charge the corporation, that person should not sign the return. Certain others who prepare Form 1120X should not sign. See the instructions for Forms 1120 and 1120-A for more information.

**Note:** *The IRS will figure any interest due or owed and will either include it in the refund or bill the corporation for the interest.*
