## General Instructions

Section references are to the Internal Revenue Code.

**Paperwork Reduction Act Notice.**—We ask for the information on this form to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is:

<b>Recordkeeping</b> . . . . .	2 hr., 52 min.
<b>Learning about the law or the form</b> . . . . .	12 min.
<b>Preparing, copying, assembling, and sending the form to the IRS</b> . . . . .	15 min.

If you have comments concerning the accuracy of these time estimates or suggestions for making this form more simple, we would be happy to hear from you. You can write to both the **Internal Revenue Service**, Washington, DC 20224, Attention: IRS Reports Clearance Officer, T:FP; and the **Office of Management and Budget Paperwork Reduction Project** (1545-0685), Washington, DC 20503. **DO NOT** file this form with either of these offices. Instead, give the original to the carrier and keep the duplicate for your records.

**Purpose of Form.**—Amounts you pay for the transportation of property by air when exporting (including shipment to a possession of the United States) by continuous

movement are exempt from the transportation tax if you comply with the applicable regulations. Generally, you are exempt if you prepare Form 1363 for each payment, furnishing the original to the carrier and keeping the duplicate.

However, you may use a blanket exemption on Form 1363 with the permission of the district director if you expect to make payments for numerous export shipments over an indefinite period of time and you demonstrate to the satisfaction of the district director that it is not practical to complete a separate Form 1363 for each payment. Permission should be requested, in writing, from the district director for the district in which your principal place of business or principal office or agency is located. If permission is granted, you should complete a separate blanket certificate, in duplicate, for each air carrier accepting export shipments. You should keep the duplicate with all shipping papers and file the original with the air carrier on or before payment of the first transportation charge to be covered by the blanket certificate. The air carrier should keep the original blanket certificate with all records showing payment of the transportation charges. Each person must keep the blanket certificate for at least 3 years after the last day of the month the final shipment covered by the certificate was made from the point of origin. Shipping and payment records for individual exemption items should be kept at least 3 years after the last day of the month the shipment was made from the point of origin.

Permission to use the blanket exemption, if granted, will remain in effect until withdrawn by the district director who granted such permission.

**Suspension of Tax Liability.**—Form 1363, used as a blanket exemption or individual shipment exemption, suspends liability for the payment of the tax for a period of 6 months from the date of shipment from the point of origin. If within this period the person liable for the tax has not provided evidence of the actual exportation to the carrier, the temporary suspension of liability for the payment of tax ceases and the carrier should collect the tax from the person who paid the carrier for the transportation charge. If, after collection of the tax, proof of exportation is later received by the carrier, credit or refund of the tax may be obtained under section 6415(a).

## Specific Instructions

The description of property to be exported should be brief. In the case of a blanket exemption, a general description is sufficient. If you have been granted a blanket exemption, it applies to all products exported even though different products may be exported later. File only one Form 1363 with the carrier.

Check the appropriate box on the form to show if this is a blanket exemption or individual shipment exemption. Blanket certificates must be numbered consecutively beginning with number 1. Certificates for individual shipments must also be numbered consecutively beginning with number 1 and again beginning with number 1 each July 1. Enter the number in the appropriate space.
