Estimated number of employees to be initially covered by this agreement, amendment, or election:

..... nonagricultural; agricultural.

This agreement applies to all services performed outside the United States by each U.S. citizen or resident employed by any of the foreign affiliates named. However, the agreement applies to such services only to the extent that payments to each employee for the services would be considered wages if paid by the employer for services performed in the United States. This agreement does not apply to any service that is considered employment for purposes of the employee tax and the employer tax under the Federal Insurance Contributions Act.

For an original agreement, an amendment to an agreement that was entered into after April 20, 1983, or an election to apply the rules in effect after April 20, 1983, to agreements in effect on that date, the American employer declares that it owns at least a 10% interest (directly or through one or more entities) in the voting stock or profits of each foreign entity named above. It also declares that Code section 3121(l) does not prevent this agreement.

For an amendment to an agreement in effect on April 20, 1983, without making the election to apply the new rules in effect after that date, the domestic corporation declares that (1) it owns at least 20% of the voting stock of each foreign corporation named above, or (2) it owns at least 20% of the voting stock of a foreign corporation that owns more than 50% of the voting stock of each foreign corporation named above. It also declares that Code section 3121(l) does not prevent this agreement.

The American employer agrees:

- (1) To pay amounts equal to the taxes that would be imposed by Code sections 3101 and 3111 if the payment for the services were considered wages;
- (2) To pay, on written notification and demand, amounts equal to the interest, additions to taxes, and penalties that would apply if the payment for the services were considered wages; and
- (3) To comply with all regulations under Code section 3121(l).

This agreement (or amended agreement or election) is entered into under the provisions of section 3121(l) of the Internal Revenue Code and the applicable regulations.

Paperwork Reduction Act Notice.—We ask for this information to carry out the Internal Revenue laws of the United States. We need it to ensure that taxpayers are complying with these laws and to allow us to figure and collect the right amount of tax. If you want the employees of your foreign affiliate to be covered under social security, you are required to give us this information.

General Instructions

(Section references are to the Internal Revenue Code.)

Before April 21, 1983, only domestic corporations could enter into this agreement to cover only U.S. citizens employed by foreign subsidiaries. A foreign subsidiary, for purposes of the agreement, was defined as (1) a foreign corporation in which at least 20% of the voting stock was owned by the domestic corporation, or (2) a foreign corporation in which more than 50% of the voting stock was owned by another foreign corporation in which the domestic corporation owned at least 20% of the voting stock.

After April 20, 1983, any American employer (no longer limited to a domestic corporation) can enter into this agreement to cover U.S. resident aliens as well as U.S. citizens employed by a foreign affiliate. A **foreign affiliate**, for purposes of this agreement, is any foreign entity (no longer limited to a foreign corporation) in which the American employer owns at least a 10% interest (directly or through one or more entities) in the voting stock or profits.

A domestic corporation having an agreement in effect that was entered into before April 21, 1983, can now elect to apply the post-April 20, 1983, rules to such agreements. If a domestic corporation makes this election, social security coverage will be extended to U.S. resident alien employees of any foreign subsidiary for which U.S. citizens are currently covered by an existing agreement. In addition, the election allows a domestic corporation to extend social security coverage to U.S. citizens and resident aliens employed by a foreign entity that did not qualify for coverage under the old 20% ownership rules, but that now qualifies under the 10% ownership rules.

Note: *The U.S. has social security (totalization) agreements with several countries so that social security taxes are paid to only one country. These agreements may affect the withholding requirements resulting from filing Form 2032. For more information, see Social Security Taxes in Publication 54, Tax Guide for U.S. Citizens and Resident Aliens Abroad.*

Purpose of Form.—An American employer should use this form to (1) enter into the agreement specified in section 3121(l) to extend coverage under the Social Security Act to U.S. citizens and resident aliens employed abroad by foreign affiliates, (2) amend a previous agreement, or (3) elect to apply the rules in effect after April 20, 1983, to agreements in effect on that date.

An American employer, for purposes of this agreement, is an employer that is (1) the United States or any instrumentality thereof, (2) an individual who is a resident of the United States, (3) a partnership if two-thirds or more of the partners are

residents of the United States, (4) a trust if all the trustees are residents of the United States, or (5) a corporation organized under the laws of the United States or of any state.

If you make the election to apply the post-April 20, 1983, rules to existing agreements entered into on or before that date, the election will be effective for all foreign entities covered by the agreement. By making the election, U.S. resident alien employees as well as U.S. citizen employees will be covered by the agreement.
