Note: In most cases, you **do not** need to file Form 2210. The IRS will figure any penalty you owe and send you a bill. File Form 2210 **only** if one or more boxes in Part I apply to you. If you do not need to file Form 2210, you still may use it to figure your penalty. Enter the amount from line 20 or line 32 on the penalty line of your return, but do not attach Form 2210.

Part I Reasons For Filing—If 1a, b, c, or d below applies to you, you may be able to lower or eliminate your penalty. But you **MUST** check the boxes that apply and file Form 2210 with your tax return. If 1e or f below applies to you, check that box and file Form 2210 with your tax return.

- 1** Check whichever boxes apply (if none apply, see the **Note** above):
- a** You request a **waiver**. In certain circumstances, the IRS will waive all or part of the penalty. See the instructions for **Waiver of Penalty**.
 - b** You use the **annualized income installment method**. If your income varied during the year, this method may reduce the amount of one or more required installments. See the **Instructions for Schedule B**.
 - c** You had Federal income tax withheld from wages and you treat it as paid for estimated tax purposes when it was **actually** withheld instead of in equal amounts on the payment due dates. See the instructions for line 22.
 - d** (1) You made estimated tax payments for 1990, 1991, or 1992 (or were charged an estimated tax penalty for any of those years), **AND**
 (2) Your adjusted gross income (AGI) is more than \$75,000 (more than \$37,500 if married filing separately), **AND**
 (3) Your 1993 **modified** AGI exceeds your 1992 AGI by more than \$40,000 (more than \$20,000 if married filing separately), **AND**
 (4) Your 2nd, 3rd, or 4th required installment (column (b), (c), or (d) of line 21) is based on **either** your 1992 tax **or** 90% of your 1993 **modified** tax.
 See the **Instructions for Schedule A** for more information.
 - e** Conditions (1), (2), and (4) (but not condition (3)) in box 1d apply to you, and your 1993 AGI exceeds your 1992 AGI by more than \$40,000 (more than \$20,000 if married filing separately). If you check this box, you must also attach a computation of your 1993 modified AGI.
 - f** One or more of your required installments (line 21) are based on your 1992 tax and you filed or are filing a joint return for either 1992 or 1993 but not for both years.
