Instructions

Purpose of Form.—Use Form 4506 only to get a copy of a tax form or Form W-2. But if you need a copy of your Form(s) W-2 for social security purposes only, do not use this form. Instead, contact your local Social Security Administration office.

Do not use this form to request Forms 1099. Copies of Forms 1099 are not available from the IRS. If you need a copy of a 1099 form, contact the payer. Also, **do not** use this form to request tax account information.

Note: If you had your tax form filled in by a paid preparer, check first to see if you can get a copy from the preparer. This may save you both time and money.

Please allow at least 45 days for delivery. To avoid any delay, be sure to furnish all the information asked for on this form. You must allow 6 weeks processing time after a tax form is filed before requesting a copy.

Tax Account Information Only.—A listing of certain tax account information is available free of charge if you write or visit an IRS

office or call the IRS toll-free number listed in your telephone directory.

Generally, tax account information is needed when students applying for financial aid are required to give the college a copy of their tax form. The school may, however, accept tax account information provided by the IRS instead. If so, the following information will be sent upon request:

- Name and social security number.
- Type of return filed.
- Filing status.
- Tax shown on return.
- Adjusted gross income.
- Taxable income.
- Self-employment tax.
- Number of exemptions.
- Amount of refund.
- Amount of earned income credit.

Mortgage Revenue Bonds.—States issuing mortgage revenue bonds are required to verify that the mortgage applicant did not own a home during the 3 previous years. As

part of this verification, the mortgage lender may want proof that you did not claim interest or real estate tax deductions for a residence on your tax return. If you have a copy of your tax return, or if it was filled out by a paid preparer and you can get a copy, the mortgage lender can accept your signed copy.

If you filed Form 1040A or 1040EZ, you can request tax account information to help satisfy the verification requirement. To do this, **do not** complete this form. Instead, contact your local IRS office for this information.

If you filed Form 1040, you may have to get a copy of it to verify that you did not claim any itemized deductions for a residence. To get a copy, **complete** Form 4506 and write "Mortgage Revenue Bond" across the top.

Line 1b.—Enter your employer identification number **only** if you are requesting a copy of a **business** tax form. Otherwise, enter your social security number shown on the tax form.

(Continued on back)

Line 2b.—If requesting a joint tax form, enter your spouse's social security number.

Note: *If you do not complete line 1b and, if applicable, line 2b, there may be a delay in processing your request.*

Line 4.—If you have named someone else to receive the tax form (such as a CPA, an enrolled agent, a scholarship board, or a mortgage lender), enter the name of an individual and the address to ensure the copy gets to the right person. If we cannot fill your request and you want the payment for copies refunded to the third party, check the box on line 5.

Line 6.—Enter the name of the client, student, or applicant if it is different from the name shown on line 1a. For example, the name on line 1a may be the parent of a student applying for financial aid. In this case, you would enter the student's name on line 6 so the scholarship board can associate the tax form with their file. If we cannot find a record of your tax form, we will notify the third party directly that we cannot fill the request.

Line 7a.—If you are requesting a certified copy of a tax form for court or administrative proceedings, check this box. It will take at least 60 days to process your request.

Line 7b.—If you need only a copy of your Form(s) W-2, check this box. Also, on line 8 enter "Form(s) W-2 only" and on line 10c enter "no charge."

If your address on line 3 is different from the address shown on the last return you filed and you haven't filed **Form 8822**, Change of Address, or otherwise notified the IRS in writing of your new address, you must attach either—

- A copy of two pieces of identification that have your signature, or
- An original notarized statement affirming your identity.

Form W-2 is not available until 6 weeks after you file it with your tax return (for example, Form 1040). Otherwise, Form W-2 information is only available 18 months after it is submitted by your employer. If you lost your Form W-2 or have not received it by the time you are ready to prepare your tax return, contact your employer.

Line 9.—Enter the year(s) of the tax form you are requesting. For fiscal-year filers or requests for quarterly tax forms, enter the date the period ended; for example, 3/31/89, 6/30/89, etc., for a quarterly filed tax form. If you need more than four different tax periods, use additional Forms 4506. Tax forms that were filed 6 or more years ago may not be available for making copies. However, tax account information is generally still available for these periods. See **Tax Account Information Only** on page 1.

Line 10c.—Write your social security number or Federal employer identification number and "Form 4506 Request" on your check or money order. If we cannot fill your request, we will refund your payment.

Signature.—Requests for copies of tax forms to be sent to a third party must be signed by the person whose name is shown on line 1a, unless the third party has your authorization (discussed later) to receive the copies.

Copies of jointly filed tax forms may be furnished to either the husband or the wife. Only one signature is required. Sign Form 4506 exactly as your name appeared on the original tax form. If you changed your name, **also** sign your current name.

For a corporation, the signature of the president of the corporation, or any principal officer and the secretary, or the principal officer and another officer are generally required. For more details on who may obtain tax information on corporations, partnerships, estates, and trusts, see Internal Revenue Code section 6103.

If you are **not** the taxpayer shown on line 1a, you must attach your authorization to receive a copy of the requested tax form. An authorization must specifically state what tax form and period(s) is covered and that the requested tax form(s) may be given to the person designated authority by the taxpayer. You may attach a copy of the authorization document if the original has already been filed with the IRS. This will generally be a power of attorney, or other authorization such as evidence of entitlement (for Title 11 Bankruptcy or Receivership Proceedings). If the taxpayer is deceased, you must send Letters Testamentary or other evidence to establish that you are authorized to act for the taxpayer's estate.

Note: *Form 4506 must be received by the IRS within 60 days after the date you signed and dated the request.*

Where To File.—Mail Form 4506 with the correct total payment attached to the **Internal Revenue Service Center** for the place where you lived when the requested tax form was filed.

Note: *You must use a separate form for each service center from which you are requesting a copy of your tax form.*
