Instructions to Participant

The information in Boxes 1 and 2 has been submitted to the Internal Revenue Service by the trustee or issuer of your Individual Retirement Arrangement (IRA) or Simplified Employee Pension (SEP) to report regular or rollover contributions made to your IRA or SEP. The amount may also represent information submitted by your employer on deductible employee contributions (DECs) made by you to the employer's pension plan.

The amount in Box 1 represents the contributions to a plan during 1984, even though you may have designated some or all of the payments for 1983. The amount in Box 2 represents any rollover contributions made or arranged by you (other than certain direct transfers between trustees) to the IRA, SEP or DEC during 1984.

Do not deduct on your income tax return contributions included in Box 1 that you made during 1984 but designated for 1983 and deducted on your 1983 Form 1040. Also, do not deduct any rollover contributions shown in Box 2. See the 1984 Form 1040 instructions for information on how to figure your deduction for contributions to an IRA, SEP or DEC.

The trustee or issuer of the plan may use the other boxes on the form to give you more information about your IRA or SEP.

You are not required to attach a copy of Form 5498 to your income tax return.
