

Part III Insured Welfare Plans

Provide information for each contract on a separate Part III. If more than one contract covers the same group of employees of the same employer(s) or members of the same employee organization(s), the information may be combined for reporting purposes if such contracts are experience-rated as a unit. Where individual contracts are provided, the entire group of such individual contracts with each carrier may be treated as a unit for purposes of this report.

Table with 4 columns: (a) Contract number or identification, (b) Type of benefit, (c) List gross premium for each contract, (d) Premium rate or subscription charge. Includes sections for Experience rated contracts (9) and Non experience rated contracts (10).

If additional space is required for any item, attach additional sheets the same size as this form.

General Instructions

This schedule must be attached to Form 5500, 5500-C or 5500-K, for every defined benefit, defined contribution and welfare benefit plan where any benefits under the plan are provided by an insurance company, insurance service or other similar organization.

Specific Instructions

(References are to the line items on the form.)

Include only contracts with policy or contract years ending with or within the plan year. Data on Schedule A should be reported only for such policy or contract years. Exception: If the insurance company maintains records on the basis of a plan year rather than policy or contract year,

data on Schedule A (Form 5500) may be reported for the plan year.

Include only the contracts issued to the plan for which this return/report is being filed.

2(c).—Since the plan coverage may fluctuate during the year, the number of persons entered should be that which the administrator determines will most reasonably reflect the number covered by the plan at the end of the policy or contract year.

Where contracts covering individual employees are grouped, entries should be determined as of the end of the plan year.

2(d) and (e).—Enter the beginning and ending dates of the policy year for each contract listed under column (b). Where

separate contracts covering individual employees are grouped, enter "N/A" in column (d).

5(a).—The rate information called for here may be furnished by attachment of appropriate schedules of current rates filed with appropriate state insurance departments or by a statement as to the basis of the rates.

6.—Show deposit fund amounts rather than experience credit records when both are maintained.

8(d).—The rate information called for here may be furnished by attachment of appropriate schedules of current rates or by a statement as to the basis of the rates.

9(b)(iv).—The amount in 9(b)(iii) will not necessarily agree with the amount in 9(b)(iv).
