Instructions

Paperwork Reduction Act Notice.—The Paperwork Reduction Act of 1980 says we must tell you why we are collecting this information, how we will use it, and whether you have to give it to us. We ask for the information to carry out the Internal Revenue laws of the United States. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax. You are required to give us this information.

Form 706CE must be filed before credit for foreign death taxes can be allowed on Form 706, Estate Tax Return. See Form 706 instructions for how to figure the credit.

Prepare Form 706CE in triplicate for each foreign death tax for which you are claiming credit. Send the original form and one copy to the foreign government to whom you paid the tax. Please ask that office to certify the form and send it to the District Director of Internal Revenue shown on the front. Keep the third copy for your records.

If the foreign government refuses to certify Form 706CE, you, as executor, must file it directly with the District Director shown on the front. Complete the entire form, except the certification, and attach a statement under penalties of perjury to explain why the foreign government did not cer-

tify it. In addition, attach a copy of the foreign death tax return and a copy of the receipt or cancelled check for the payment of the foreign death tax.

If any of the foreign death tax for which you are claiming this credit is refunded, you or the person receiving the refund must notify the District Director within 30 days. Section 20.2016–1 of the Estate Tax Regulations describes what information to include in this notice. The persons who received the refund must pay any additional Federal estate tax due.

For a decedent who was a nonresident U.S. citizen, the District Director's address is: Director of International Operations, Internal Revenue Service, Washington, D.C. 20225, U.S.A.

Death tax conventions are in effect with the countries listed below:
