General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

Use Form 720X to make adjustments to liability reported on Forms 720 you have filed for previous quarters. Do not use Form 720X to make changes to claims made on Schedule C (Form 720), except for the section 4051(d) tire credit.

When To File

Generally, adjustments that decrease your tax liability for a prior quarter must be made within 3 years from the time the return was filed or 2 years from the time the tax was paid, whichever is later.

Where To File

Send Form 720X to the Internal Revenue Service Center, Cincinnati, OH 45999-0009

Specific Instructions

Line 1

Report each adjustment separately on line 1. You must include the following information for each adjustment:

- A detailed description of the adjustment and
- Computation of the amount.

Column (a)

Enter the quarter ending date of the Form 720 you are amending. If you are amending more than one quarter, make sure each quarter is clearly identified. Enter the date in the MMDDYYYY format. For example, if you are adjusting the first quarter return for 2001, enter "03312001."

Column (d)

Enter the tax amount for the IRS No. entered in column (b) as originally reported on Form 720 or as later adjusted by you or the IRS.

Column (e)

Enter the adjusted tax liability that should have been reported for the IRS No. in column (b).

You can use line 6 on page 1 for your explanation or you can attach additional sheets as needed.

Column (f)

If column (e) is greater than column (d), subtract column (d) from column (e). This is an increase. If column (d) is greater than column (e), subtract column (e) from column (d). This is a decrease. Show the decrease in parentheses.

Line 2

You must use line 2 to report any adjustments to the section 4051(d) tire credit for a prior quarter. For example, if you report an additional taxable vehicle on line 1 for IRS No. 33, the applicable tire credit is reported on line 2. See the Instructions for Form 720 for more information on the tire credit.

Line 5

If you want your overpayment:

- Refunded to you, check the box for line **5a**.
- Applied to your next Form 720, check the box for line **5b** and enter the quarter ending date of your next Form 720. You can file Form 720X separately or you can attach it to your next Form 720.

Caution: If you checked the box on line **5b**, be sure to include the overpayment amount on your next Form 720. See Form 720 for details.

Signature

Form 720X must be signed by a person authorized by the entity to sign this return. You must sign Form 720X even if it is filed with Form 720 to apply an overpayment.
