General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

Use Form 720X to make adjustments to liability reported on Forms 720 you have filed for previous quarters. Do not use Form 720X to make changes to claims made on Schedule C (Form 720), except for the section 4051(d) tire credit.

Caution: You must include in gross income (income tax return) any overpayment from line 4 of Form 720X if you took a deduction on the income tax return that included the amount of the taxes and that deduction reduced the income tax liability. See Publication 510 for more information.

When To File

Generally, adjustments that decrease your tax liability for a prior quarter must be made within 3 years from the time the return was filed or 2 years from the time the tax was paid, whichever is later.

Where To File

If you are filing Form 720X separately, send Form 720X to the Internal Revenue Service Center, Cincinnati, OH 45999-0009. Otherwise, attach Form 720X to your next Form 720.

Specific Instructions

Line 1

Report each adjustment separately on line 1. You can use line 6 for your explanation or you can attach additional sheets with your name and EIN as needed. You **must** include the following information on line 6 for each adjustment.

1. A detailed description of the adjustment.
2. The computation of the amount.

Communications excise tax, toll telephone service. Collectors must stop collecting and paying over the tax on nontaxable service that is billed after July 31, 2006. Nontaxable service means bundled service and long distance service. Collectors using the regular method for deposits must use Form 720X to claim a credit or refund for nontaxable service if the collector has repaid the tax to the person from whom the tax was collected, or obtained the consent of that person to the allowance of the credit or refund. The refund period is for nontaxable service that was billed after February 28, 2003, and before August 1, 2006. Collectors using the alternative method for deposits must adjust their separate account. For more information, see the Instructions for Form 720 and Notice 2006-50 (available on page 1141 of Internal Revenue Bulletin 2006-25).

The above paragraph applies to nontaxable service billed to customers of the collector. All Form 720 taxpayers, including collectors, must request a credit or refund on their 2006 federal income tax return for nontaxable service paid by the taxpayer.

Column (a)

Enter the quarter ending date of the Form 720 you are amending. If you are amending more than one quarter, make sure each quarter is clearly identified. Enter the date in the MMDDYYYY format. For example, if you are adjusting the first quarter return for 2006, enter "03312006."

Column (d)

Enter the tax amount for the IRS No. entered in column (b) as originally reported on Form 720 or as later adjusted by you or the IRS.

Column (e)

Enter the adjusted tax liability that should have been reported for the IRS No. in column (b).

Column (f)

If column (e) is greater than column (d), subtract column (d) from column (e). This is an increase. If column (d) is greater than column (e), subtract column (e) from column (d). This is a decrease. Show the decrease in parentheses.

Line 2

You must use line 2 to report any adjustments to the section 4051(d) tire credit for a prior quarter. For example, if you report an additional taxable vehicle on line 1 for IRS No. 33, the applicable tire credit is reported on line 2. See the Instructions for Form 720 for more information on the tire credit.

Line 3a

Collectors using the alternative method for deposits must adjust their separate account for any credits or refunds made to customers of the collector. Form 720X cannot be used for this purpose. For more information, see *Alternative method* on page 8 in the Instructions for Form 720.

Line 5

If you want your overpayment refunded to you, check the box for line 5a.

If you want your overpayment applied to your next Form 720, check the box for line 5b and enter the quarter ending date of your next Form 720. You can file Form 720X separately or you can attach it to your next Form 720.

Caution: If you checked the box on line 5b, be sure to include the overpayment amount on lines 6 and 7 on your next Form 720. See Form 720 for details. If you owe other federal tax, interest, or penalty, the overpayment will first be applied to the unpaid amounts.

Signature

Form 720X must be signed by a person authorized by the entity to sign this return. You must sign Form 720X even if it is filed with Form 720 to apply an overpayment.
