Paperwork Reduction Act Notice
We ask for the information on this form to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is 15 minutes. If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can write to the Tax Forms Committee, Western Area Distribution Center, Rancho Cordova, CA 95743-0001. DO NOT send the form to this address. Instead, see Where To File below.

Purpose of Form
Use Form 8453-NR to:

- Authenticate the magnetic media portion of Form 1040NR, U.S. Nonresident Alien Income Tax Return,
- Send any accompanying paper schedules, statements, and magnetic media,
- Authorize the magnetic media return originator (MMRO) to transmit via a third-party transmitter, and
- Provide the taxpayer’s consent to directly deposit any overpayment into an account of a U.S. financial institution located in the United States.

Who Must File
Every nonresident alien filing a 1995 Form 1040NR via magnetic media must file a signed 1995 Form 8453-NR.

Signature for Multiple-Return Filing
A single signature may be used for a multiple-return filing by a person authorized to sign each return. If you are filing more than one return for which only one signature is provided, write “see attached Multiple-Return Information Listing” in the space provided for the taxpayer’s name. You must also attach a Multiple-Return Information Listing according to the instructions given in the Procedures for Magnetic Media Filing of U.S. Nonresident Alien Income Tax Returns, Forms 1040NR, for Tax Year 1995. The information listing must include the name control for each taxpayer, taxpayer identification number (TIN), and the information requested on lines 1 through 5 of Form 8453-NR for each return. An incorrect or missing TIN may delay any refund.

When To File
Returns filed on magnetic media are due the same dates as Forms 1040NR filed on paper. The transmitter must send the signed Form(s) 8453-NR in the same package with the corresponding tape or diskette.

Where To File
Send Form 8453-NR to:

Internal Revenue Service
Philadelphia Service Center
Attention: DP: 115
11601 Roosevelt Blvd.
Philadelphia, PA 19154

Part II—Direct Deposit of Refund
Taxpayers can elect to have their refund directly deposited by completing Part II. But to do so, they must provide proof of account ownership to their MMRO. Acceptable proof is a check, form, report, or other statement generated by the financial institution with the routing transit number (RTN), taxpayer’s name, and depositor account number (DAN) printed on it.

For accounts payable through a financial institution other than the one at which the account is located, the taxpayer must provide a document, such as an account statement or account identification card, showing the RTN of the bank or institution where the account is located. A deposit slip should not be used to verify the RTN and DAN because it can contain internal routing numbers that are not part of the RTN. If there is any doubt about the correct RTN, the taxpayer should contact the financial institution and ask for the correct RTN for direct deposit (Electronic Funds Transfers).

Note: Some financial institutions may not accept direct deposits into accounts that are payable through another bank or financial institution, including credit unions. Also, the financial institution must be a U.S. financial institution located in the United States. The IRS cannot make a direct deposit to a foreign bank or a foreign branch of a U.S. bank.

Line 7. The RTN must be nine digits. If the RTN does not begin with 01 through 12 or 21 through 32, the direct deposit will be rejected.

Line 8. The DAN can be up to 17 alphanumeric characters. Include hyphens but omit spaces and special symbols. If fewer than 17 characters, enter the number from left to right and leave the unused boxes blank.

Line 10. The account designated to receive the direct deposit must be in the taxpayer’s name. If the taxpayer’s filing status on Form 1040NR is married filing separately, the account can be in the taxpayer’s name or in both spouses’ names.

Part III—Declaration of Taxpayer
An income tax return transmitted on magnetic media will not be considered complete, and therefore filed, unless and until a Form 8453-NR signed by the taxpayer is received by the IRS.

All filers must check one of the boxes for line 11.

If the MMRO makes changes to the magnetic media return after Form 8453-NR has been signed by the taxpayer but before it is transmitted, the MMRO must have the taxpayer complete and sign a corrected Form 8453-NR if either of the following applies:

- The total effectively connected income on line 1 differs from the amount on the magnetic media portion of the return by more than $25, or
- The total tax on line 2, the refund on line 4, or the amount owed on line 5 differs from the amount on the magnetic media portion of the return by more than $7.

Part IV—Declaration of Magnetic Media Return Originator (MMRO) and Paid Preparer
A paid preparer must sign Form 8453-NR in the space for Paid Preparer’s Use Only. But if the paid preparer is also the MMRO, do not complete the paid preparer’s section. Instead, check the box labeled “Check if also paid preparer.” The IRS requires the MMRO’s signature.

Refunds. After the IRS has accepted the return, the refund should be issued within 21 days. However, some refunds may be delayed because of compliance reviews to ensure that returns are accurate.
