Change You Should Note

- Line 1e applies to the 1992 calendar year. This line is shown with the entry area shaded to give agencies advance notice of the information that they must keep to complete the 1992 form.

Purpose of Form.—Form 8610 is used by housing credit agencies to transmit **Form(s) 8609**, Low-Income Housing Credit Allocation Certification, (including Form(s) 8609 issued for allocations pursuant to sections 42(h)(1)(E) and 42(h)(1)(F)), sections 42(h)(1)(E) and 42(h)(1)(F) allocating documents, and

applicable section 42(b)(2)(A)(ii) binding agreements and election statements to the Internal Revenue Service. In addition, Form 8610 is used to report the dollar amount of housing credit allocations issued during the calendar year. The housing credit agency must not allocate more credits than it is authorized to allocate during the calendar year.

Generally, the housing credit ceiling for any state is the sum of:

1. \$1.25 times the state's population,
 2. the unused housing credit ceiling (if any) of that state for the preceding calendar year,
 3. the amount of state housing credit ceiling returned in the year (These are returns from prior years' allocations made after 1989.), plus
 4. the amount (if any) allocated to the state by the Secretary.
- See sections 42(h)(3)(C) and (D) for more information.

Who Must File.—Any housing credit agency authorized to make an allocation of the credit (even if no credit is actually allocated) on a Form 8609 or on a section 42(h)(1)(E) or section 42(h)(1)(F) allocating document to an owner of a qualified low-income building during the calendar year must complete and file Form 8610. In states with multiple housing credit agencies (including states with constitutional home rule cities), the agencies must coordinate and file one Form 8610.

The housing credit agency must retain a copy of Form 8610 (including any amended Form 8610) for its records.

When To File.—File Form 8610 with accompanying Forms 8609 (Part I completed only), sections 42(h)(1)(E) and 42(h)(1)(F) allocating documents, and applicable binding agreements and election statements by February 28 following the calendar year for which an allocation of credit is made.

Where To File.—File Form 8610 and applicable forms, documents, agreements and statements with the **Internal Revenue Service Center, Philadelphia, PA 19255.**

Penalty.—The penalty under section 6652(j) as provided by section 42(l)(3) applies to any failure to file Form 8610 when due.

Amended Reports.—If this is an amended Form 8610, check the **Amended Report** box. Use the same version of the form that was originally filed (i.e., a 1991 Form 8610 to amend the 1991 report, a 1990 Form 8610 to amend the 1990 report). If an amended report is being made for any calendar year before 1990, the calendar year must be entered in the entry space below the title.

Complete only those lines that are being amended by entering the correct information. Attach any additional documentation to explain why an amended Form 8610 is being filed.

Specific Instructions

Line 1a.—Enter the maximum housing credit dollar amount the housing credit agency was authorized to allocate during the calendar year. For 1991, this will be the amount shown on lines 1b through 1d. DO NOT complete line 1e for 1991.

Line 1b.—A state's population is determined in accordance with section 146(j).

Line 1c.—Enter the amount shown on line 3 of the 1990 Form 8610.

Line 1d.—Do not include on this line allocations made during the year from line 1b, 1c, or 1e and returned in the same year. These amounts are already included in lines 1b, 1c, and 1e.

Line 2.—Enter the aggregate housing credit dollar amount actually allocated during the calendar year. To figure this, total the amounts on all Forms 8609, Part I, line 1b (allocated from the state housing credit ceiling for the calendar year) with amounts allocated on sections 42(h)(1)(E) and 42(h)(1)(F) allocating documents completed during the calendar year.

Note: Do not include in this total aggregate dollars allowed to tax-exempt bond financed projects under section 42(h)(4) if such dollars do not come out of the total housing credit dollar amount authorized in line 1a. These dollar amounts are included on line 5.

Do not include on this line housing credit dollar amounts allocated and returned during the year **unless** such amounts are reallocated.

Line 4.—The unused state housing credit ceiling amounts may be assigned to the Secretary in calendar years after 1990. This amount is determined by subtracting from line 1c the excess (if any) of line 2 over the sum of lines 1b and 1d.

Line 5.—Enter the aggregate dollars allowed to tax-exempt bond financed projects under section 42(h)(4). Do not include any amounts from the total housing credit dollar amount authorized in line 1a.
