## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Future Developments

For the latest information about developments related to Form 8610 and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/form8610](http://www.irs.gov/form8610).

### What's New

The population component of the state housing credit ceiling for 2013 is the greater of \$2.25 times the state's population or \$2,590,000.

In addition, certain states are able to increase their housing credit ceiling. The guidelines for these increases are explained in *Credit ceiling increases*, under *Purpose of Form*, below.

Under *Who Must File*, we added a description of documentation required when an agency provides tolling relief for certain buildings located in a major disaster area.

### Purpose of Form

Housing credit agencies use Form 8610 to transmit Forms 8609, Low-Income Housing Credit Allocation and Certification, and Schedules A (Form 8610) to the IRS. Form 8610 is also used to report the dollar amount of housing credits allocated during the calendar year. The housing credit agency must not allocate more credits than it is authorized to allocate during the calendar year.

Generally, the state housing credit ceiling for 2013 for any state is the sum of:

1. The larger of \$2,590,000 or \$2.25 multiplied by the state's population,
2. The amount of state housing credit ceiling returned in 2013 from allocations made prior to 2013,
3. The amount, if any, allocated to the state from the National Pool, plus
4. The unused state housing credit ceiling, if any, for 2012.

See Regulations section 1.42-14 for more information.

**Credit ceiling increases.** In the following situations, the housing credit ceiling for certain states will increase.

For 2013, the housing credit ceiling for Arkansas, Illinois, Indiana, Iowa, Missouri, Nebraska, and Wisconsin is increased by the Midwestern disaster area credits allocated in 2008, 2009, or 2010 that were both returned and reallocated in the Midwestern disaster area in 2013. See *Line 5a*, later.

For 2013, the housing credit ceiling for Louisiana and Texas is increased by the Hurricane Ike disaster area credits allocated in 2008, 2009, or 2010 that were both returned and reallocated in the Hurricane Ike disaster area in 2013. See *Line 5a*, later.

### Who Must File

Any housing credit agency authorized to make an allocation of the credit (even if no credit is actually allocated) on a Form 8609 or carryover allocation reported on a Schedule A (Form 8610) to an owner of a qualified low-income building during the calendar year must complete and file Form 8610. In states with multiple housing credit agencies (including states with constitutional home rule cities), the agencies must coordinate and file one Form 8610.

If a housing credit agency has granted any project relief for carryover allocations discussed in section 5 of Rev. Proc. 2007-54, 2007-31 I.R.B. 293, the agency must attach to Form 8610 a copy of the Schedule A (Form 8610) for the projects for which it has approved relief. These attached copies of Schedule A (Form 8610) must have the box checked that indicates the housing credit agency granted carryover allocation relief under Rev. Proc. 2007-54. The housing credit agency should only include Schedules A (Form 8610) for projects receiving approval of the carryover allocation relief since the agency last filed Form 8610. The information from these particular Schedules A (Form 8610) are not included on any line in Part I or Part II of Form 8610.

If a housing credit agency has granted any project relief to toll the beginning of the first year of the credit period as discussed in section 9 of Rev. Proc. 2007-54, the agency must attach to the Form 8610 filed for the calendar year in which the President declared the area a major disaster area a statement containing the following information: (1) the name, address, and TIN of the building owner; (2) the address of the building; (3) the building identification number (BIN); and (4) the agency approved first year of the credit period. The statement should be labeled "Relief Under Section 9 of Rev. Proc. 2007-54." The statement should be signed by an agency authorized official and a copy of the statement should be provided to the building owner.

### When To File

File the 2013 Form 8610 with accompanying Forms 8609 (with only Part I completed) and Schedules A (Form 8610) by February 28, 2014.

### Where To File

File Form 8610 and attached forms and schedules with:

Department of the Treasury  
Internal Revenue Service Center  
Philadelphia, PA 19255-0549

### Penalty

The \$100 penalty under section 6652(j) applies to any failure to file Form 8610 when due.

## Specific Instructions

**Note.** The primary housing credit agency may rely on information provided by any constitutional home rule city or local housing credit agency under Temporary Regulations section 1.42-1T(c)(3) or (4).

To ensure that Form 8610 is correctly processed, attach all forms and schedules to Form 8610 in the following order.

1. Forms 8609.
2. Schedules A (Form 8610), not including those for projects approved for carryover allocation relief under Rev. Proc. 2007-54.
3. Schedules A (Form 8610) for projects approved for carryover allocation relief under Rev. Proc. 2007-54.

### Amended Report

If this is an amended Form 8610, check the "amended report" box. Use the same version of the form that was originally filed (for example, a 2013 Form 8610 to amend the 2013 report, a 2012 Form 8610 to amend the 2012 report, etc.).

Complete only those lines that are being amended by entering the correct information. Attach any additional documentation necessary to explain why an amended Form 8610 is being filed.

**Part I**

**Line 1**

Enter the total number of Forms 8609 attached to this Form 8610 that were used to allocate credit during 2013. Do not include Forms 8609 issued to taxpayers that reflect credit allocations made prior to 2013 on section 42(h)(1)(E) or 42(h)(1)(F) carryover allocation documents.

**Line 2a**

Enter the total number of Forms 8609 attached to this Form 8610 for:

- Credit allocations made prior to 2013 on section 42(h)(1)(E) or 42(h)(1)(F) carryover allocation documents and
- Credits attributable to projects financed by tax-exempt bonds subject to volume cap under section 42(h)(4).

**Part II**

**Line 5a**

For 2013, an additional housing credit amount is available ONLY to the states listed on this line. Follow the instructions to determine the additional housing credit amount available for the listed states.

**Arkansas, Illinois, Indiana, Iowa, Missouri, Nebraska, and Wisconsin.** The additional amount is the total of the state's Midwestern disaster area credits allocated in 2008, 2009, or 2010 that were returned **and** reallocated in the Midwestern disaster area in 2013.

**Louisiana and Texas.** The additional amount is the total of the state's Hurricane Ike disaster area credits allocated in 2008, 2009, or 2010 that were returned **and** reallocated in the Hurricane Ike disaster area in 2013.

**Line 5b**

A state's population is determined according to section 146(j). See Notice 2013-15, 2013-14 I.R.B. 739, for applicable population figures.

**Line 5c**

Do not include on this line allocations made and returned in the same year. For states identified in line 5a, do NOT include line 5a disaster credits returned in 2013 (whether or not reallocated).

**Line 5d**

Enter the "Amount Allocated," if any, for your state in Rev. Proc. 2013-31, 2013-38 I.R.B. 208.

**Line 5f**

If the 2012 Form 8610 was amended, enter the amount (if any) from the amended Form 8610, line 9.

**Line 5g**

This is the state housing credit ceiling available for allocations during 2013.

**Line 5h**

Not more than 90% of the line 5g amount is allowed to be allocated to projects other than qualified low-income housing projects described in section 42(h)(5)(B).

Enter the sum of the following amounts.

- Any amount reported on line 1b of an attached Form 8609 with box 6g checked.
- Any amount reported on line 5 of an attached Schedule A (Form 8610) with question 3b answered "Yes."

**Lines 6a and 6b**

Enter on the applicable line the dollar amount actually allocated during 2013. Do not include the following.

- Credits allowed to tax-exempt bond financed projects under section 42(h)(4). These credits do not count against the total state housing ceiling authorized on line 5g.
- Amounts allocated and returned during the year, unless such amounts are reallocated by the close of the year.

On line 6a, enter the total amounts reported on all Forms 8609, Part I, line 1b, that are included on line 1 of this Form 8610. On line 6b, enter the total amounts reported as carryover allocations that are included on line 3 of this Form 8610.

**Part III**

**Lines 14 and 15**

Do not include buildings no longer subject to compliance monitoring because, for example, the buildings are no longer participating in the low-income housing credit program. Include buildings financed by the Rural Housing Service and buildings financed with tax-exempt bonds.

**Caution:** Regulations section 1.42-5(c)(2)(ii)(B) requires that at least once every 3 years the Agency (or the Rural Housing Service, if applicable) conduct on-site inspections of all buildings in each project and, for at least 20 percent of each project's low-income units, inspect the units and review the low-income certifications, the documentation supporting the certifications, and the rent records for the tenants in those units. If the number entered on line 15 does not equal the number entered on line 14, attach an explanation.
