a Acquisition cost			6a %
b Rehabilitation expenses			6b %
c New construction expenses			6c %

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

State housing credit agencies use Schedule A (Form 8610) to report carryover allocations.

Major Disaster Declarations Issued After July 1, 2007

If a housing credit agency has granted any project relief for carryover allocations discussed in section 5 of Rev. Proc. 2007-54, 2007-31 I.R.B. 293, the agency must attach to Form 8610 a copy of the Schedule A (Form 8610) for the projects for which it has approved relief. These attached copies of Schedule A (Form 8610) must have the box checked that indicates the housing credit agency granted carryover allocation relief under Rev. Proc. 2007-54. The housing credit agency

should only include Schedules A (Form 8610) for projects receiving approval of the carryover allocation relief since the agency last filed Form 8610. The information from these particular Schedules A (Form 8610) are not included on any line in Part I or Part II of Form 8610.

Specific Instructions

Line 4

Enter the date of allocation. This is the date the authorized official of the state housing agency signs and dates the carryover allocation document.

Line 5

Enter the amount of carryover allocation. If you checked the "building based" box on line 3a, enter the amount of credit allocated to the building under section 42(h)(1)(E). If you checked the "project based" box on line 3a, enter the amount of credit allocated to all the buildings in the project under section 42(h)(1)(F).

Lines 6a, b, and c

Complete these lines only if both of the following apply.

- There is a binding agreement between the housing credit agency and the building owner for a specific housing credit dollar amount.
- An election is made to use an applicable percentage for a month other than the month in which the property is placed in service.

See Regulations sections 1.42-6 and 1.42-8 for requirements that must be met.

The applicable percentage cannot be less than 9% for any building that (1) is not federally subsidized and (2) is placed in service after July 30, 2008, with respect to housing credit dollar amount allocations made before January 1, 2015. See section 42(b)(2) and Notice 2008-106, 2008-49 I.R.B. 1239.
