## General Instructions

(Section references are to the Internal Revenue Code.)

### Paperwork Reduction Act Notice

We ask for this information to carry out the Internal Revenue laws of the United States. We need it to ensure that taxpayers are complying with these laws and to allow us to figure and collect the right amount of tax. You are required to give us this information.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is:

**Recordkeeping** . . . . 6 hrs., 13 min.

**Learning about the law or the form** . . . . 1 hr., 59 min.

**Preparing and sending the form to IRS** . . . . 2 hrs., 10 min.

If you have comments concerning the accuracy of these time estimates or suggestions for making this form more simple, we would be happy to hear from you. You can write to the **Internal Revenue Service**, Washington, DC 20224, Attention: IRS Reports Clearance Officer, T:FP; or the **Office of Management and Budget**, Paperwork Reduction Project (1545-1016), Washington, DC 20503.

### Purpose of Form

Form 8613 is used by regulated investment companies (RICs) to compute and pay the excise tax on undistributed income under section 4982. The excise tax is equal to 4% of the excess, if any, of the required distribution over the distributed amount.

### Who Must File

Any RIC that is liable for the excise tax on undistributed income under section 4982 or that wishes to make an election under section 4982(e)(4) must file Form 8613.

The excise tax does not apply to funds in which all the shareholders during the year were certain trusts or segregated asset accounts of a life insurance company. See section 4982(f) for details.

If a RIC has more than one fund, each fund must file a separate Form 8613. As used in these instructions, the term "fund" refers to the definition in section 851(h) and to any RIC that does not have more than one portfolio of assets.

### When and Where To File

File Form 8613 by March 15 following the calendar year to which the excise tax liability applies. File it with the Internal Revenue Service Center where the fund's income tax return will be filed.

If more time is needed, file **Form 2758**, Application for Extension of Time To File, to request an extension of time to file Form 8613. However, Form 2758 does not extend the time for payment of tax.

### Period Covered by Return

Fill in the space at the top of the form to show the calendar year for which the return is being filed. For purposes of computing the excise tax, the fund is required to figure its undistributed income on a calendar year basis even though it may file its income tax return and keep its books and records based on a fiscal year.

### Rounding Off to Whole-Dollar Amounts

The Fund may show money items on the return as whole-dollar amounts. To do so, drop any amount less than 50 cents and increase any amount from 50 cents through 99 cents to the next higher dollar.

### Penalties and Interest

Avoid penalties and interest by correctly filing and paying the tax when due. The fund may have to pay the following penalties unless it can show that failure to file or pay was due to reasonable cause and not willful neglect. (These penalties are in addition to the interest charge on unpaid tax at a rate determined under section 6621.)

**Penalty for Late Filing.**—A fund that fails to file its return when due (including any extensions of time for filing) may generally be subject to a penalty of 5% a month or fraction of a month, for each month the return is not filed. The penalty generally can not be more than 25% of the tax due.

**Penalty for Late Payment.**—A fund that fails to pay the tax when due generally may be subject to a penalty of ½ of 1% a month or fraction of a month for each month the tax is not paid. The penalty can not be more than 25% of the unpaid amount.

**Note:** *If the fund does not file its return on time, the Service may charge both the late filing penalty and the late payment penalty. See section 6651 for more information.*

### Signature

Form 8613 must be signed and dated by the president, vice president, treasurer, assistant treasurer, chief accounting officer, or by any other officer (such as tax officer) authorized to sign. A receiver, trustee, or assignee must sign and date any return that he or she is required to file on behalf of the fund.

**Note:** *If this return is being filed for a series fund (as defined in section 851(h)(2)), the return may be signed by any officer authorized to sign for the RIC in which the fund is a series.*

### Amended Return

To amend a previously filed Form 8613, file a corrected Form 8613 marked "Amended" in the margin at the top of the form.

## Specific Instructions

For excise tax purposes, adjustments that result in the distribution of deficiency dividends (as defined in section 860(f)) must be taken into account in computing the income on lines 1a and 2a for the year in which such dividends are paid.

### Lines 1a

For purposes of computing the line 1a amount, any foreign currency gain or loss attributable to a section 988 transaction that would be properly taken into account for the part of the calendar year after October 31 is taken into account in the following year. For a fund that has made an election under section 4982(e)(4), the last day of the fund's tax year is substituted for October 31 in the preceding sentence.

### Lines 1b

Effective for calendar years ending after July 10, 1989, the Revenue Reconciliation Act of 1989 increased the amount of ordinary income (line 1a) required to be distributed for excise tax purposes from 97% to 98%.

**Note:** *Use the February 1989 revision of Form 8613 for calendar years ending before July 11, 1989.*

### Line 2a

For excise tax purposes, capital gain net income must be computed on the basis of a one-year period ending on October 31 of the calendar year, unless the election under section 4982(e)(4) is made. This election is available only to those funds whose tax years end in November or December. If the fund meets this requirement, it may elect to substitute its tax year for the one-year period ending on October 31 for purposes of figuring line 2a. However, if the first year the election is in effect is not the first year the fund is subject to tax under section 4982, a special rule applies to avoid the omission of income. For such a year, the fund must figure capital gain net income on line 2a for the period beginning on November 1 of the year immediately preceding the election year and ending on the last day of the first tax year for which the election was made.

The election is made by checking the box at the top of the form. Such election must be made not later than the time, including extensions, for filing Form 8613 for the year in which the election is to apply. Once made, the election may be revoked only with IRS consent.

### Line 5

For purposes of figuring the amount to enter on line 5, the amount of dividends paid during the calendar year includes dividends declared in October, November, or December of that calendar year and payable to shareholders of record on a specified date in such a month, but only if actually paid by the fund during January of the following calendar year. (See section 852(b)(7).) No other dividends paid after the close of the calendar year may be included on line 5.

### Line 6

This is the total of the amounts required to be shown on line 26, Part I, of Form 1120-RIC; line 3, Part II, of Form 1120-RIC; and line 11 of Form 2438 for the tax year of the fund ending in or with the calendar year for which this excise tax return is being filed.

### Line 12

Full payment of the tax due must accompany the return. Make your check or money order payable to "Internal Revenue Service."
