## General Instructions

**Purpose of form.** Use this form to request an extension of time to file any forms shown in line 8.

**Who may file.** Filers of returns submitted on paper, on magnetic media, or electronically may request an extension of time to file on this form.

**Where to file.** Send Form 8809 to IRS-Martinsburg Computing Center, Information Reporting Program, Attn: Extension of Time Coordinator, 240 Mural Dr., Kearneysville, WV 25430. To avoid delays, be sure the attention line is included on all envelopes and packages containing Form 8809.

**How to file.** When you request extensions of time to file for more than 50 filers for the forms shown in line 8, except Form 8027, you must submit the extension requests magnetically or electronically. For 10–50 filers, you are encouraged to submit the extension request magnetically or electronically.

If filing on paper with 50 or less filers, you must attach a list of the filers' names and taxpayer identification numbers. If you are filing the extension request magnetically or electronically, you do not have to provide a list.

Also, see Pub. 1220, Specifications for Filing Forms 1098, 1099, 5498, and W-2G Electronically or Magnetically and Pub. 1187, Specifications for Filing Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding, Electronically or Magnetically.

**Note.** Specifications for filing Forms W-2, Wage and Tax Statements, magnetically or electronically, are only available from the Social Security Administration (SSA). Call 1-800-SSA-6270 for more information.

**When to file.** File Form 8809 as soon as you know an extension of time to file is necessary. However, Form 8809 must be filed

by the due date of the returns. See the chart below that shows the due dates for filing this form on paper, magnetically, or electronically. IRS will respond in writing beginning in January. Filers and transmitters of Form W-2, Wage and Tax Statement, whose business has terminated, should follow the procedures in the 2004 Instructions for Forms W-2 and W-3 to request an extension.

If you are requesting an extension of time to file several types of forms, you may use one Form 8809, but you must file Form 8809 by the earliest due date. For example, if you are requesting an extension of time to file both 1099 series and 5498 series forms, you must file Form 8809 by February 28 (March 31 if you file electronically). You may complete more than one Form 8809 to avoid this problem. An extension cannot be granted if a request is filed after the due date of the original returns.

The due dates for filing Form 8809 are shown below.

IF you file Form . . .	MAGNETICALLY or on PAPER, then the due date is . . .	ELECTRONICALLY, then the due date is . . .
W-2 Series	Last day of February	March 31
W-2G	February 28	March 31
1042-S	March 15	March 15
1098 Series	February 28	March 31
1099 Series	February 28	March 31
5498 Series	May 31	May 31
8027	Last day of February	March 31

If any due date falls on a Saturday, Sunday, or legal holiday, file by the next business day.

**Caution:** You do not have to wait for a response before filing your returns. File your returns as soon as they are ready. For all forms shown in line 8, except Form 8027, if you have received a response, do not send a copy of the letter or Form 8809 with your returns. If you have not received a response by the end of the extension period, file your returns. When filing Form 8027 on paper **only**, attach a copy of your approval letter. If an approval letter has not been received, attach a copy of your timely filed Form 8809.

**Extension period.** The automatic extension is 30 days from the original due date. You may request one additional extension of not more than 30 days by submitting a second Form 8809 before the end of the first extension period (see Line 7 below). Requests for an additional extension of time to file information returns are **not** automatically granted. Generally requests for additional time are granted only in cases of extreme hardship or catastrophic event. The IRS will send you a letter of explanation approving or denying your request for an additional extension only.

**Note.** The automatic and any approved additional request will only extend the due date for filing the returns. It will not extend the due date for furnishing statements to recipients.

**Penalty.** If you file required information returns late and you have not applied for and received an approved extension of time to file, you may be subject to a late filing penalty. The amount of the penalty is based on when you file the correct information return. For more information on penalties, see the General Instructions for Forms 1099, 1098, 5498, and W-2G.

## Specific Instructions

**Tax year.** You may request an extension for only 1 tax year on this form. If no tax year is shown, the IRS will assume you are requesting an extension for the returns currently due to be filed.

**Line 1.** Enter the name and complete mailing address, including room or suite number of the filer or transmitter requesting the extension of time. Use the name and address where you want the response sent. For example, if you are a preparer and want to receive the response, enter your client's complete name, care of (c/o) your firm, and your complete mailing address. Enter the name of someone who is familiar with this request whom the IRS

can contact if additional information is required. Please provide your telephone number and e-mail address. If you act as transmitter for a group of filers, enter your name and address here, and see *How to file* on page 1.

**Note.** Approval or denial notification will be sent only to the person who requested the extension (filer or transmitter).

**Line 2.** Enter your nine-digit employer identification number (EIN) or qualified intermediary employer identification number (QI-EIN). If you are not required to have an EIN or QI-EIN, enter your social security number. Do not enter hyphens. Failure to provide this number, and the list of numbers if you are acting as a transmitter as explained under Line 1, will result in automatic denial of the extension request.

**Line 3.** For electronic or magnetic media only. If you filed Form 4419, Application for Filing Information Returns Electronically/ Magnetically, to file Forms 1042-S, 1098, 1099, 5498, W-2G, or 8027, and it was approved, the IRS-Martinsburg Computing Center assigned you a five-character Transmitter Control Code (TCC). Enter that TCC here. Leave this line blank if you (1) are requesting an extension to file any Forms W-2, (2) are requesting an extension to file forms on paper, or (3) have not yet received your TCC.

**Line 7.** Check this box if you have already received the automatic 30-day extension, but you need an additional extension for the same year and for the same forms. Do not check this box unless you received an original extension.

If you check this box, be sure to complete line 9. Then, sign and date the request.

**Signature.** No signature is required for the automatic 30-day extension. For an additional extension, Form 8809 must be signed by you or a person who is duly authorized to sign a return, statement, or other document.
