Instructions

A. Annual Report.—The foundation managers (as defined in section 4946(b)) of every organization which is a private foundation having at least \$5,000 of assets at any time during a taxable year shall file an annual report. A private foundation may use this form for its annual reporting requirements.

The annual report required to be filed is in addition to and not in lieu of submitting the information required on Form 990 under section 6033.

The report may be prepared in printed, type-written or any other form the foundation chooses; provided that it readily and legibly discloses the information required by section 6056 and the regulations thereunder.

B. Where and When to File.—The annual report must be filed at the time and place specified for filing Form 990.

C. Public Inspection of Private Foundation's Annual Reports.—The annual report required to be filed under section 6056 shall be made available by the foundation managers for inspection at the principal office of the foundation during regular business hours by any citizen on request made within 180 days after the publication of notice of its availability; or if the foundation manager chooses, he may furnish a copy free of charge to such persons requesting inspection, provided such persons do so at the time and manner prescribed in section 6104(d) and the regulations thereunder.

The notice shall be published not later than the day prescribed for filing such annual report (determined with regard to any extensions of time for filing), in a newspaper having gen-

eral circulation in the county in which the principal office of the private foundation is located. The notice shall state that the annual report of the private foundation is available at its principal office for inspection during regular business hours by any citizen who requests it within 180 days after the date of such publication, and shall state the address of the private foundation's principal office and the name of its principal manager. A private foundation may designate in addition to its principal office, or (if the foundation has no principal office or none other than the residence of a substantial contributor or foundation manager) in lieu of such office, any other location at which its annual report shall be made available.

A copy of the notice must be attached to the annual report filed with the Internal Revenue Service.

A copy of such notice as published and a statement signed by a foundation manager stating that such notice was published, setting forth the date of publication and the publication in which it appears shall be sufficient proof of publication.

D. Signature and Verification.—The report must be signed by the foundation manager.

E. List of States.—A private foundation is required to attach to its Form 990 a list of all States:

(a) to which the organization reports in any fashion concerning its organization, assets, or activities, and

(b) with which the organization has registered (or which it has otherwise notified in any manner) that it intends to be, or is a charitable organization or that it is, or intends to be,

a holder of property devoted to a charitable purpose.

F. Furnishing of Copies to State Officers; Listing of States.—The foundation managers shall furnish a copy of the annual report (required by section 6056) to the Attorney General of (1) each State which they are required to list above, (2) the State in which is located the principal office of the foundation, and (3) the State in which the foundation was incorporated or organized. Such report shall be furnished at the same time it is sent to the Internal Revenue Service. In addition, the foundation managers shall provide upon request a copy of the annual report to the Attorney General or other appropriate State officer of any other State. The foundation manager shall also attach to the report a copy of the Form 990 and a copy of the Form 4720 (if any) filed by the foundation with the Internal Revenue Service for the year.

G. Penalty for Failure to File Report and Notice on Time.—If a private foundation fails to file the annual report on or before the due date, or to comply with the requirements under "C" above, there will be imposed on the person (anyone under a duty to perform the act), a \$10 penalty for each day during which such failure continues, not to exceed \$5,000. See section 6652(d)(3). If such failure to file the annual report or comply with "C" is willful, there shall be imposed in addition to the amount mentioned above a penalty of \$1,000 with respect to each such report or notice. See section 6685.

H. Foreign Organizations.—A foreign organization which has received substantially all of its support (other than gross investment income) from sources outside the United States shall not be subject to the requirements of C and F above.
