Changes To Note

Threshold for deposit requirement increased to \$1,000. Beginning with your 1999 Form CT-1, if your total taxes for the year (line 18) are less than \$1,000, you are not required to make deposits. You may pay the total taxes with Form CT-1.

New electronic deposit requirement. Beginning January 1, 2000, the following changes have been made to the electronic deposit requirement:

- The threshold that determines whether you must use the Electronic Federal Tax Payment System (EFTPS) or RRBLINK has been increased from \$50,000 to \$200,000.
- **All** Federal tax deposits (such as deposits for employment tax, excise tax, and corporate income tax) made during a calendar year are combined to determine whether you exceeded the \$200,000 threshold. If the total of your Federal tax deposits made in 1998 exceeded \$200,000, you must use EFTPS/RRBLINK beginning January 1, 2000.
- Participation in EFTPS/RRBLINK is voluntary if your deposits do not exceed the new \$200,000 threshold, even if you were required to electronically deposit under the previous \$50,000 threshold. However, businesses that exceed the new \$200,000 threshold must continue to use EFTPS/RRBLINK in all later years.
- The waiver of the penalty for failure to use EFTPS/RRBLINK, scheduled to expire on July 1, 1999, has been extended to January 1, 2000, for taxpayers whose total Federal tax deposits in 1998 did not exceed the new \$200,000 threshold. However, taxpayers will remain liable for penalties if a deposit is not made in the required manner.

For more information on EFTPS/RRBLINK, see the separate **Instructions for Form CT-1.**

Instructions

Complete the **Monthly Summary of Railroad Retirement Tax Liability** below only if you were a **monthly** schedule depositor for the entire year. Enter your Tier I and Tier II taxes and the supplemental annuity work-hour tax incurred on the lines provided for each month. Enter the special supplemental annuity tax (Forms G-241) on the line provided in the 3rd month of each quarter.

If you were a **semiweekly** schedule depositor during any part of the year or you accumulated **\$100,000** or more on any day during a deposit period, you must complete **Form 945-A**, Annual Record of Federal Tax Liability. Do not complete the monthly summary below.

On Form 945-A for each payday, enter the sum of your employee and employer Tier I and Tier II taxes on the appropriate line. Enter your monthly supplemental annuity work-hour tax on the "ST" line for each month on Form 945-A. Enter your special supplemental annuity tax from Forms G-241 to the right of the monthly title of the 3rd month of each quarter just above line 17, and write "SST" to the left of this title just above line 1. Total the amounts for the months from lines A through L, including the "ST" and "SST" amounts. Enter the total on line M, Form 945-A.

The total tax liability for the year (line V below or line M on Form 945-A) should equal the total taxes for the year (line 18, Form CT-1). Otherwise, you may be charged a penalty for not making deposits of taxes.
