

# Instructions for Form 5713

(Revised June 1988)

## International Boycott Report

(Section references are to the Internal Revenue Code.)

**Paperwork Reduction Act Notice.**—We ask for this information to carry out the Internal Revenue laws of the United States. We need it to ensure that taxpayers are complying with these laws and to allow us to figure and collect the right amount of tax. You are required to give us this information.

**Reporting Operations, Boycott Requests, and Boycott Compliance.**—Generally, persons having operations in or related to boycotting countries are required to report those operations, the receipt of boycott requests, and boycott agreements on Form 5713.

**Tax Benefits Which May Be Lost.**—If there is an agreement to participate in or cooperate with an international boycott, taxpayers may lose a portion of: the foreign tax credit (section 908(a)); deferral of taxation of earnings of controlled foreign corporations (section 952(a)(3)); deferral of taxation of IC-DISC income (section 995(b)(1)(F)(ii)); and exemption of foreign trade income of a FSC (section 927(e)(2)).

The loss of tax benefits must be reported on either Schedule A or B (Form 5713), on Schedule C (Form 5713), and on Form 1116 (individuals), Form 1118 (corporations), Form 5471, Form 1120-IC-DISC, or Form 1120-FSC.

**Foreign Sales Corporations (FSCs) and Interest-Charge Domestic International Sales Corporations (IC-DISCs).**—Foreign Sales Corporations and Interest-Charge Domestic International Sales Corporations are subject to the international boycott provisions of section 999.

Foreign sales corporations that compute their foreign trade gross income by using the administrative pricing rules of section 923(a)(3) will lose all or a portion of their exemption if they participate in or cooperate with an international boycott. FSCs that do not use these pricing rules may lose all or a portion of their exemption if they participate in or cooperate with an international boycott. Additionally, the amount of nonexempt foreign trade income computed without regard to the administrative pricing rules is subject to the subpart F rules of sections 951-964. Accordingly, for FSCs that have this type of income and that are controlled foreign corporations, U.S. shareholders of the FSC will be treated the same as any other U.S. shareholder in a controlled foreign corporation. The benefits of deferral will be lost at the shareholder level.

IC-DISCs are generally treated in the same manner that Domestic International Sales Corporations were treated. Thus, if an IC-DISC participates in or cooperates with an international boycott, IC-DISC benefits will be lost at the shareholder level.

### General Instructions

**A. Who Must File.**—Except as provided in Instruction F, you must file Form 5713 if you:

1. have operations; or
2. are a member of a controlled group (as defined in section 993(a)(3)), a member of which has operations; or
3. are a United States shareholder (within the meaning of section 951(b)) of a foreign corporation that has operations, but only if you own (within the meaning of section 958(a)) stock of that foreign corporation; or

4. are a partner in a partnership that has operations; or
5. are treated under section 671 as the owner of a trust that has operations

in or related to a boycotting country or with the government, a company, or a national of a boycotting country. However, if you are not a United States person (as defined below), you need not file Form 5713 unless you claim the benefits of the foreign tax credit under section 901, own stock of an IC-DISC, or are a FSC that has exempt foreign trade income.

**U.S. Person.**—A U.S. person includes: a citizen or resident of the United States; a domestic partnership; a domestic corporation; and any estate or trust (other than a foreign estate or foreign trust). (See section 7701(a)(30).)

**B. When and Where To File.**—File Form 5713 (including Schedules A, B, and C, if applicable) in duplicate when your tax return is due, including extensions. Send one copy to the Internal Revenue Service Center, Philadelphia, PA 19255, and attach the other copy to your income tax return.

**C. Boycotting Country.**—A boycotting country is any country which is on the list maintained by the Secretary of the Treasury under section 999(a)(3). The list currently (as of January 1988) includes Bahrain, Iraq, Jordan, Kuwait, Lebanon, Libya, Oman, Qatar, Saudi Arabia, Syria, United Arab Emirates, Yemen Arab Republic, and Peoples Democratic Republic of Yemen.

Also, any other country in which you (or a member of the controlled group of which you are a member) have operations and which you know or have reason to know requires any person to participate in or cooperate with an international boycott other than a boycott referred to in section 999(b)(4)(A), (B), or (C) (see instruction F) is a boycotting country.

**D. Definition of "Operations."**—The term "operations" encompasses all forms of business or commercial activities and transactions (or parts of transactions), whether or not productive of income, including, but not limited to: selling; purchasing; leasing; licensing; banking; financing, and similar activities; extracting; processing; manufacturing; producing; constructing; transporting; performing activities ancillary to the foregoing (e.g., contract negotiating, advertising, site selecting, etc.); and performing services, whether or not ancillary to the foregoing.

You are considered to have operations "in a boycotting country" if you have an operation that is carried on in whole or in part in a boycotting country.

You are considered to have operations "with the government, a company, or a national of a boycotting country" if you have an operation that is carried on outside a boycotting country either for or with the government, a company, or a national of a boycotting country.

You are considered to have operations "related to a boycotting country" if you have an operation that is carried on outside a boycotting country for the government, a company, or a national of a non-boycotting country if you know or have reason to know that specific goods or services produced by the operation are intended for use in a boycotting country, or for use by or for the benefit of, the government, a company, or a national of a boycotting country, or for use in forwarding or transporting to a boycotting country.

**E. Boycott Requests.**—A boycott request is any request to enter into an agreement that would constitute participation in or cooperation with an international boycott.

### F. Special Filing Situations and Waivers Regarding Form 5713.

**1. Controlled Groups.**—If you are a member of a controlled group of corporations, you do not have to file Form 5713 if you joined in the filing of a consolidated income tax return and Form 5713 was filed on behalf of all members of the controlled group who joined in the filing of that return. If the consolidated return is not filed on your behalf, you must separately file Form 5713.

Also, you, as a member of a controlled group, do not have to file Form 5713 if, for your tax year, all four of the following conditions are met: (a) you have no operations in or related to a boycotting country (or with the government, a company, or a national of a boycotting country), and owned no stock, directly or indirectly, of any corporation having such operations; (b) you received no boycott request and owned no stock, directly or indirectly, of any corporation receiving such requests; (c) you are not entitled to (or you forfeit) any benefits of deferral, IC-DISC, FSC, or the foreign tax credit; and, (d) you attach to your income tax return a certificate signed by a person authorized to sign the tax return of the common parent of your group stating that Form 5713 was filed on your behalf.

**2. Partners.**—Generally, if you are a partner in a partnership that has operations in a boycotting country, you are required to file Form 5713. However, if the partnership did not participate in or cooperate with an international boycott and filed Form 5713 with its Form 1065, then you need not file Form 5713 if you have no operations in or related to a boycotting country, or with the government, a company, or a national of a boycotting country other than the operations that are reported on the Form 5713 filed by the partnership.

**3. U.S. Sanctioned Boycotts.**—Section 999(b)(4)(A) permits you to meet the requirements imposed by a foreign country with respect to an international boycott if United States law or regulations, or an Executive Order, sanctions participation in or cooperation with that international boycott. You need not report operations that fall within this exception.

**4. Prohibition on Importation and Exportation.**—Although you may agree to comply with prohibitions on exportation or importation described in section 999(b)(4)(B) and section 999(b)(4)(C) without incurring tax sanctions, you must report the operations under such agreements on Form 5713.

**5. Unsolicited Tender Invitations.**—If you receive an unsolicited tender invitation which contains a request to participate in or cooperate with an international boycott, you do not have to report the request unless you respond to the invitation.

**6. United States Subsidiary or Sister Corporation.**—If you are required to file Form 5713 and you are a subsidiary or sister corporation of a foreign corporation that is not required to file Form 5713, you do not have to report the operations, boycott requests, and boycott participation or cooperation of that foreign corporation if you do not claim, or if you forfeit, the benefits of deferral, IC-DISC, FSC and the foreign tax credit attributable to: (a) operations related to boycotting countries in connection with which there was participation in or cooperation with an international boycott, and (b) operations in boycotting countries which you cannot clearly demonstrate are clearly separate and identifiable from operations in connection with which there was participation in or cooperation with an international boycott.

If the foregoing conditions are satisfied, and the only reason you are required to file Form 5713 is that your foreign sister or foreign parent has reportable operations in or related to a boycotting country (or with the government, a company, or a national of a boycotting country), then you need not file Form 5713.

This waiver does not relieve you of your obligation to report the operations, boycott requests, and boycott participation or cooperation of yourself, of United States members of your controlled group, and of foreign corporations of which you are a U.S. shareholder. If you are required to report on behalf of a foreign corporation of which you are a U.S. shareholder, you must report all operations, boycott requests, and boycott participation or cooperation of that foreign corporation whether or not they are effectively connected with the conduct of a trade or business in the United States.

**7. Foreign Corporations That Are Required To Report Because of U.S. Branch Operations.**—If you are a foreign corporation engaged in operations in the U.S. through a branch and are required to file Form 5713, you do not have to report the operations, boycott requests, and boycott participation or cooperation of your non-U.S. parent, subsidiaries, or sister corporations and your own operations, boycott requests, and boycott participation or cooperation that do not relate to your U.S. branch if you do not claim, or if you forfeit, the benefits of deferral, DISC, FSC, and the foreign tax credit attributable to: (a) operations related to boycotting countries in connection with which there was participation in or cooperation with an international boycott; and (b) operations in boycotting countries which you cannot clearly demonstrate are clearly separate and identifiable from operations in connection with which there was participation in or cooperation with an international boycott.

If the foregoing conditions are satisfied, and neither your U.S. branch nor any U.S. member of your controlled group has operations in or related to a boycotting country (or with the government, a company, or a national of a boycotting country), then you need not file Form 5713.

This waiver does not relieve you of your obligation to report all operations, boycott requests, and boycott participation or cooperation of your U.S. branch and of all U.S. members of each controlled group of which you are a member.

Moreover, all the operations, boycott requests, and boycott participation or cooperation of your U.S. branch must be reported even if they relate to the branch's operations that are not effectively connected with a U.S. trade or business. Additionally, if you or any member of a controlled group of which you are a member engages in operations in the United States directly rather than through the U.S. branch, and those operations are also operations in or related to a boycotting country, or with the government, a company, or national of a boycotting country, then you must report those operations, as well as all boycott requests and boycott participation or cooperation relating to those operations.

**G. International Boycott Factor and Specifically Attributable Taxes and Income.**—If there is participation in or cooperation with an international boycott, you must compute the loss of tax benefits. You may either use the international boycott factor, or you may determine the taxes and income specifically attributable to boycott operations.

If you compute the loss of tax benefits by using the international boycott factor, complete Schedules A and C (Form 5713). If you determine taxes and income specifically attributable to boycott operations, complete Schedules B and C (Form 5713).

Schedules A, B, and C (Form 5713) need not be filed if there was no participation in or cooperation with an international boycott.

IC-DISCs and partnerships need not complete Schedule C. However, they must complete parts of both Schedules A and B, unless all

shareholders, or all partners, compute the loss of their tax benefits using the boycott factor exclusively, or the specifically identifiable taxes and income method exclusively. In such cases, the IC-DISC and the partnership need complete only parts of Schedule A or parts of Schedule B.

**H. Penalties—Willful Failure To Report.**—The willful failure to file Form 5713 may result in fines of \$25,000, imprisonment for not more than one year, or both.

## Specific Instructions

**Common Taxable Year of Controlled Group.**—The taxable year for a controlled group is the same as the common taxable year (from line 4b(3)).

**1. Individuals.**—Enter your adjusted gross income (e.g., for 1987, line 30, Form 1040).

**2c. Partnerships and Corporations.**—Enter your principal business activity code number and description. Page 4 of the instructions provides the code list of business activities for corporations and partnerships. Using this list, enter the code number for the specific industry group from which the largest percentage of "total receipts" was derived. On Forms 1120 and 1120F, total receipts means gross receipts (Form 1120, page 1, line 1a; and Form 1120F, page 3, line 1a) plus all other income (Forms 1120 and 1120S, page 1, lines 4 through 10; and Form 1120F, page 3, lines 4 through 10). For IC-DISCs, "total receipts" means all income (page 1, line 1, Form 1120-IC-DISC). See the Instructions for Form 1120-IC-DISC for business activities of an IC-DISC. For partnerships, "total receipts" on Form 1065 means gross receipts (page 1, line 1a) plus all other income (page 1, lines 4 through 7). For FSCs, enter total of columns (a) and (b), line 6, Schedule B (Form 1120-FSC). For S corporations, "total receipts" on Form 1120S means gross receipts (page 1, line 1a) plus all other income (page 1, lines 4 and 5).

**2d. IC-DISCs.**—Enter the major product code number and description from Schedule N, Form 1120-IC-DISC, page 5. This is the code number for the major product or service (as measured by export gross receipts) sold or provided by the IC-DISC.

**4b. Common Taxable Year Election.**—In general, the common taxable year of the controlled group is the taxable year of the common parent. However, the members of the controlled group may elect the taxable year of any member of the group as the common taxable year. This election is made by entering the name, taxable year, and employer identification number of the designated corporation on line 4b.

All members of a controlled group must consent, in writing, to the common taxable year election. A common parent may consent to the common taxable year election on behalf of all members of the controlled group that joined with the common parent in filing a consolidated return. Foreign corporations which are members of a controlled group need not sign the consent if they are not required to report. However, if the foreign corporation subsequently becomes liable to report, then it is bound by the common taxable year election previously made by the group. A copy of the consent must be attached to each member's Form 5713 filed for the first taxable year of such member to which the common taxable year election applies. In the event no common parent exists and no consensus is reached by the members of the controlled group, the common taxable year of the group will be the taxable year of the member of the controlled group whose taxable year ends in the latest month of the calendar year. The taxable year election is a binding election and can be changed only with the approval of the Secretary of the Treasury.

**4c(1). Corporations.**—Enter the amount of total assets (e.g., for 1987 forms, enter):

- (a) Form 1120: Schedule L, line 14, column (d);
- (b) Form 1120-IC-DISC: Schedule L, line 3, column (b);
- (c) Form 1120F: Schedule L, line 14, column (d);
- (d) Form 1120S: Schedule L, line 14, column (d);
- (e) Form 1120L: Schedule Q, line 6;
- (f) Form 1120-PC: Schedule L, line 14, column (d);
- (g) Form 1120-FSC: Schedule L, line 14, column (d).

**4c(2). Corporations.**—Enter the amount of taxable income before net operating loss and special deductions (e.g., for 1987 forms, enter):

- (a) Form 1120: Page 1, line 28;
- (b) Form 1120-IC-DISC: Page 1, line 5 (Taxable income before net operating loss deduction and dividends-received deduction);
- (c) Form 1120F: Page 3, line 29;
- (d) Form 1120S: Page 1, line 21 (Ordinary income);
- (e) Form 1120L: Page 1, line 14 (Total taxable income);
- (f) Form 1120-PC: Page 1, line 1 (Taxable income);
- (g) Form 1120-FSC: Schedule B, Part II, line 18.

**6. Enter the applicable amounts as follows:**

- (a) Foreign tax credit before adjustment (e.g., line 10, Part III, Schedule B, Form 1118 (Rev. 1-88) (corporations)); or line 9, Part IV, Form 1116 (1987) (individuals);
- (b) Pro rata share of total income of controlled foreign corporation (line 20, Schedule C, Form 5471 (Rev. 11-87));
- (c) Pro rata share of section 995(b)(1)(F)(i) amount (pro rata share of line 8, Part I, Schedule J, Form 1120-IC-DISC) (1987).
- (d) Exempt foreign trade income of a FSC. Enter total of columns (a) and (b), line 10, Schedule B (Form 1120-FSC) (1987).

## Questions 7 through 13.

**Filers Who Are Not Members of a Controlled Group.**—Your answers to questions 7–13 on Form 5713 must reflect your operations, boycott requests, and boycott participation or cooperation for your tax year. In addition, if you are:

- (a) a United States shareholder of a foreign corporation; or
- (b) a partner in a partnership; or
- (c) treated under section 671 as the owner of a trust,

then your answers to questions 7–13 must also reflect the operations in or related to boycotting countries (or with the government, a company, or a national of a boycotting country), boycott requests, and boycott participation or cooperation of the foreign corporation, partnership, or trust.

When you report on behalf of a foreign corporation as a United States shareholder, report the foreign corporation's operations, boycott requests, and boycott participation or cooperation for the foreign corporation's tax year that ends with or within your tax year.

When you report on behalf of a partnership as a partner, report the partnership's operations, boycott requests, and boycott participation or cooperation for the partnership's tax year that ends with or within your tax year.

When you report on behalf of a trust as its owner under section 671, report the trust's operations, boycott requests, and boycott participation or cooperation for your tax year.

**Filers Who Are Members of a Controlled Group of Corporations.**—If you are a member of a controlled group of corporations, the answers to questions 7–13 on the Form 5713 filed by you for your tax year must reflect:

- (a) your operations, boycott requests, and boycott participation or cooperation (and those of any trust of which you are treated as the owner under section 671) for your tax year that ends with or within the common taxable year that ends with or within your tax year (see instruction 4b);
- (b) the operations, boycott requests, and boycott participation or cooperation of each other member of the controlled group (and those of any trust of which a member of the controlled group is treated as the owner under section 671) for each member's tax year that ends with or within the common taxable year that ends with or within your tax year;
- (c) the operations, boycott requests, and boycott participation or cooperation of each foreign corporation or partnership on whose behalf you are reporting as a United States shareholder or as a partner, for the tax year of the foreign corporation or the partnership that ends with or within your tax year that ends with or within the common taxable year that ends with or within your tax year;
- (d) the operations, boycott requests, and boycott participation or cooperation of each foreign corporation or partnership on whose behalf a member (other than you) of the controlled group is reporting as a United States shareholder or as a partner, for the tax year of the foreign corporation or the partnership that ends with or within such member's tax year that ends with or within the common taxable year that ends with or within your tax year.

The net effect of these reporting requirements is that the answers to questions 7–13 generally are identical for each member of the controlled group and need only be updated on a group basis once a year. The information is updated at the close of the common taxable year, and is reported by each member of the group for its tax year that ends with or after the common taxable year. If the tax years of all members, foreign corporations, and partnerships coincide with the common taxable year, then all information is reported on a current basis.

If all tax years do not coincide, then all or some of the information reported will reflect a time period that is out of phase with the reporter's tax year.

**Example.**—Assume that Corporations A, B, C, and D are all members of a controlled group. Corporation A is the common parent and no common taxable year election is made. Corporations A, B, and C report on the basis of a calendar year. Corporation D reports on the basis of a July 1–June 30 tax year. Corporation C owns 15 percent of Foreign Corporation X. Corporation X reports on the basis of an April 1–March 31 tax year. Corporations A, B, C, D, and X have operations in boycotting countries. The answers to questions 7–13 on the Forms 5713 filed by Corporations A, B, and C for their 1987 tax years will reflect the operations of Corporations A, B, and C for the 1987 tax year, the operations of Corporation D for the period July 1, 1986–June 30, 1987, and the operations of Corporation X for the period April 1, 1986–March 31, 1987. The

answers to questions 7–13 on the Form 5713 filed by Corporation D for its tax year ending June 30, 1988, will be identical to those on the Forms 5713 filed by Corporations A, B, and C for their taxable years ending December 31, 1987. Thus, the answers to questions 7–13 on the Form 5713 filed by Corporation D for its tax year ending June 30, 1988, will not reflect any of Corporation D's operations for its July 1, 1987–June 30, 1988 tax year.

## Part I.—Operations in or Related to a Boycotting Country

**8. Boycott of Israel.**—Question 8 concerns operations in or related to countries on the Secretary's list of countries associated in the boycott of Israel (or with the governments, companies, or nationals of those countries). Use a separate line for each country or each person having operations in that country, but do not use separate lines for separate operations by the same person in the same country.

**Column (2).**—Enter the taxpayer identifying number of each person having operations in or related to any of the listed countries. Include the taxpayer identifying number of all members of your controlled group which have operations in or related to the listed countries.

Additionally, if you or a member of your controlled group is the United States shareholder of a foreign corporation which has operations in or related to the listed countries (or with the governments, companies, or nationals of those countries), enter your employer identification number or the employer identification number of the member of your group who is the United States shareholder, and in parentheses enter the name and employer identification number, if available, of the foreign corporation having the operation in or related to the listed countries.

**Column (3).**—Enter the principal business activity code number (see page 4) of the person having operations.

**Column (4).**—Enter a brief description of the principal business activity.

**Column (5).**—If you are an IC-DISC, enter the product code. (See instructions for Schedule N (Form 1120-IC-DISC).)

**9. Nonlisted Countries Boycotting Israel.**—If the answer to question 9 is "Yes," use the same procedure outlined in the instructions for question 8 for any nonlisted countries which you know or have reason to believe require participation in or cooperation with the international boycott of Israel.

**10. Boycotts of Countries Other Than Israel.**—If the answer to question 10 is "Yes," use the same procedure outlined in the instructions for question 8 for any international boycott other than the boycott of Israel.

**11. Boycott Requests.**—If you receive a substantial number of similar requests, you may attach a copy of one of these requests and attach a statement stating the number and nature of all other requests received.

**12. Boycott Agreements.**—If a substantial number of boycott agreements were entered into or were effective for the period covered by the report, and the boycott clauses are similar, you may attach a sample boycott clause and attach a statement stating the number and general nature of all other boycott clauses and agreements entered into. An agreement to participate in or cooperate with an international boycott continues for the entire period for which it is in effect and must be reported every year that it is in effect. Thus, a boycott agreement that continues over a 3-year period must be reported as participation in or cooperation with an international boycott in each of those 3 years.

## Part II.—Requests for and Acts of Participation in or Cooperation With an International Boycott

**13a.**—Check "Yes" for any requests received or agreements entered into or continuing in effect during the period covered by the report with respect to any international boycott not excluded in instruction F.3. If no requests were received and no agreements were entered into or were in effect, enter "No."

**13b.**—Use a separate line for each country, each person, and each type of participation or cooperation, but do not use separate lines for similar types of participation or cooperation by the same person in the same country.

**Column (2).**—Enter the taxpayer identifying number of the person receiving the request or having the agreement.

**Column (3).**—Enter the principal business activity code number (see page 4) of the person receiving the request or having the agreement.

**Column (4).**—Enter a brief description of the principal business activity of the person receiving the request or having the agreement (see page 4).

**Column (5).**—If you are an IC-DISC, enter the product code. (See the instructions for Schedule N (Form 1120-IC-DISC).)

**Columns (6) and (8).**—Enter in column (6) the total number of requests of the same type that were received by the same person in the same country. Enter in column (8) the total number of agreements of the same type that were entered into by the same person in the same country.

**Column (7).**—Enter the code number listed below which indicates the type of participation or cooperation requested.

**Column (9).**—Enter the code number listed below which indicates the type of participation or cooperation agreed to.

Code Number	Type of Participation or Cooperation Requested or Agreed to
01 . . .	Refrain from doing business with or in a country which is the object of the boycott or with the government, companies, or nationals of that country.
02 . . .	Refrain from doing business with any United States person engaged in trade in a country which is the object of the boycott or with the government, companies, or nationals of that country.
03 . . .	Refrain from doing business with any company whose ownership or management is made up, all or in part, of individuals of a particular nationality, race, or religion, or to remove (or refrain from selecting) corporate directors who are individuals of a particular nationality, race, or religion.
04 . . .	Refrain from employing individuals of a particular nationality, race, or religion.
05 . . .	As a condition of the sale of a product to the government, a company, or a national of a country, to refrain from shipping or insuring products on a carrier owned, leased, or operated by a person who does not participate in or cooperate with an international boycott.

## Codes for Principal Business Activity

These codes for the Principal Business Activity are designed to classify enterprises by the type of activity in which they are engaged to facilitate the administration of the Internal Revenue Code. Though similar in format and structure to the Standard Industrial Classification Codes (SIC), they should not be used as the SIC codes.

Using the list below, enter the code for the specific industry group from which the largest percentage of "total receipts" is derived. For an explanation of the procedure used to determine total receipts, see the instructions for line 2c.
