Specific Instructions

1. An AMT liability and adjustments or preferences other than exclusion items,
2. An AMT liability and adjustments or preferences other than exclusion items,
3. An AMT liability and adjustments or preferences other than exclusion items,
4. An AMT liability and adjustments or preferences other than exclusion items.

Exclusion Items

Part I—Net Minimum Tax on Exclusion Items

Line 1—Estates and Trusts

These line 1 instructions are for estates and trusts only. Skip lines 1 through 3 of Form 8801. To figure the amount to enter on line 4 of Form 8801, complete Parts I and II of another 2015 Form 1041, Schedule I, as a worksheet. After completing lines 1 and 7 of Schedule I, complete the rest of Part I of Schedule I by taking into account only exclusion items (the amounts included on lines 2 through 6, 8, and 9, and any other adjustments related to exclusion items included on line 23 of Schedule I). On line 24 of Schedule I, use the minimum tax credit net operating loss deduction (MTCNOLD). However, don't limit the MTCNOLD to 90% of the total of lines 1 through 23 of Schedule I. (See the instructions for line 3 of Form 8801 for how to figure the MTCNOLD.) In Part II of Schedule I, complete lines 35 and 36 without taking into account any basis adjustments arising from deferral items. If the amount on Schedule I, line 29, is zero or less, enter -0- on Form 8801, line 4. Otherwise, enter on Form 8801, line 4, the amount from Schedule I, line 29, adjusted for exclusion items that were allocated to the beneficiary.

Note. If you complete Parts I and II of a 2015 Form 1041, Schedule I, as a worksheet to figure the amount to enter on 2016 Form 8801, line 4, don't attach that worksheet Schedule I to your tax return. Instead, keep it for your records.

Line 2

Enter on this line the adjustments and preferences treated as exclusion items (except the standard deduction). Exclusion items are only the following AMT adjustments and preferences: itemized deductions (including any investment interest expense reported on Schedule E), certain tax-exempt interest, depletion, the section 1202 exclusion, and any other adjustments related to exclusion items. Don't include the standard deduction. It has already been included on line 1. Combine lines 2 through 5, 7 through 9, and 13 of your 2015 Form 6251. Don't include any amount from line 15 of the 2015 Form 6251. Instead, include the exclusion item amount from the Schedule(s) K-1 (Form 1041) you received for 2015. That amount is shown in box 12 with code J. If you included on line 27 of the 2015 Form 6251 any adjustments related to exclusion items, also include those adjustments in the amount you enter on line 2. Enter the total on line 2.

Exclusion items on other lines.

If you included any exclusion item on a line not listed above, include that item in the amount you enter on line 2. For example, if depletion was included on Form 6251 as an adjustment on line 19 (passive activities) instead of on line 9 (depletion), include it as an exclusion item in the amount you enter on line 2.

Line 3

Your MTCNOLD is the total of the minimum tax credit net operating loss (MTCNOLD) carryovers and carrybacks to 2015. Your MTCNOLD is figured as follows.

Your MTCNOLD is the excess of the deductions (excluding the MTCNOLD) over the income used to figure alternative minimum taxable income (AMTI) taking into account only exclusion items. Figure this excess with the modifications in section 172(d) taking into account only exclusion items. (That is, the section 172(d) modifications must be figured separately for the MTCNOLD.)

For example, the limitation of nonbusiness deductions to the amount of nonbusiness income must be figured separately for the MTCNOLD using only nonbusiness income and deductions but taking into account only exclusion items. However, ignore the disallowance of the deduction for personal exemptions under section 172(d)(3) because it has already been taken into account to figure AMTI attributable only to exclusion items.

To determine the amount of MTCNOLD that may be carried to tax years other than 2015, apply sections 172(b)(2) and 172(d) with appropriate modifications to take into account only exclusion items.

Line 4

If your filing status was married filing separately for 2015 and line 4 is more than $246,250, you must include an additional amount on line 4. If line 4 is $413,050 or more, include an additional $41,700 on line 4. Otherwise, include 25% of the
excess of the amount on line 4 over $246,250. For example, if the amount on line 4 is $266,250, enter $271,250 instead—the additional $5,000 is 25% of $20,000 ($266,250 minus $246,250).

**Line 9**
Don’t enter more than the sum of your 2015 earned income plus $7,400 if you didn’t file a joint return for 2015, at least one of your parents was alive at the end of 2015, and one of the following statements is true.
1. You were under age 18 at the end of 2015.
2. You were age 18 at the end of 2015, and didn’t have earned income that was more than half of your support.
3. You were a full-time student at least age 19 but under age 24 at the end of 2015 and didn’t have earned income that was more than half of your support.

**Certain January 1 birthdays.** If you were born on January 1, 1998, you are considered to be 18 at the end of 2015. The limitation just described applies to you if you didn’t have earned income that was more than half of your support.

If you were born on January 1, 1997, you are considered to be 19 at the end of 2015. The limitation just described applies to you only if you were a full-time student who didn’t have earned income that was more than half of your support.

If you were born on January 1, 1992, you are considered to be 24 at the end of 2015. The limitation just described doesn’t apply to you.

**Line 10**
If you filed Form 1040NR for 2015 and had a net gain on the disposition of U.S. real property interests, line 10 can’t be less than the smaller of that net gain or line 4.

---

**Foreign Earned Income Tax Worksheet—Line 11**

*Before you begin:* ✓ If Form 8801, line 10, is zero, don’t complete this worksheet.

1. Enter the amount from Form 8801, line 10

2a. Enter the amount from your (and your spouse’s if filing jointly) 2015 Form 2555, lines 45 and 50, or 2015 Form 2555-EZ, line 18

2b. Enter the total amount of any itemized deductions or exclusions you couldn’t claim because they are related to excluded income

3. Add lines 1 and 2c

4. **Tax on the amount on line 3.**
   - **If for 2015** you reported capital gain distributions directly on Form 1040, line 13; or you reported qualified dividends on Form 1040, line 9b; or you had a gain on both lines 15 and 16 of Schedule D (Form 1040), enter the amount from line 3 of this worksheet on Form 8801, line 27. Complete the rest of Part III of Form 8801. However, before completing Part III, see *Forms 2555 and 2555-EZ*, later, to see if you must complete Part III with certain modifications. Then enter the amount from Form 8801, line 55, here.
   - **All others:** If line 3 is $185,400 or less ($92,700 or less if married filing separately for 2015), multiply line 3 by 26% (0.26). Otherwise, multiply line 3 by 28% (0.28) and subtract $3,708 ($1,854 if you checked filing status box 3, 4, or 5 for 2015) from the result.

5. **Tax on the amount on line 2c.** If line 2c is $185,400 or less ($92,700 or less if married filing separately for 2015), multiply line 2c by 26% (0.26). Otherwise, multiply line 2c by 28% (0.28) and subtract $3,708 ($1,854 if married filing separately for 2015) from the result.

6. Subtract line 5 from line 4. Enter the result here and on Form 8801, line 11.

---

**Line 12**

**Figuring the MTFTCE.** If you made an election to claim the foreign tax credit on your 2015 Form 1040 (or Form 1040NR) without filing Form 1116, your minimum tax foreign tax credit on exclusion items (MTFTCE) is the same as the foreign tax credit on your 2015 Form 1040, line 48 (or Form 1040NR, line 46). Enter that amount on Form 8801, line 12. Otherwise, your MTFTCE is your 2015 AMT foreign tax credit (AMTFTC) refigured using only exclusion items. Figure your MTFTCE as follows.

**Step 1.** Separate your foreign source income into categories. See your 2015 Instructions for Form 1116 for information about categories of income. Complete a separate 2015 Form 1116 for the MTFTCE for each separate category of income specified above Part 1 of each Form 1116 you filed for 2015. Write “MTFTCE” at the top margin of each 2015 Form 1116 that you...
complete to figure your MTFTCE. You will use these MTFTCE Forms 1116 to figure the MTFTCE amount to enter on line 12 of Form 8801.

**Figuring high-taxed income.** When applying the separate categories of income, use the applicable AMT rate instead of the regular tax rate to determine if any income is “high-taxed.”

**Step 2.** Complete Part I of each MTFTCE Form 1116 using only taxable income and exclusion items that are attributable to sources outside the United States. See Foreign source qualified dividends and capital gains (losses) below for possible adjustments.

**Simplified limitation election.** If you figured your 2015 AMTFTC using the simplified limitation election, skip Part I and go to Step 3, Simplified limitation election.

**Foreign source qualified dividends and capital gains (losses).** If you had any 2015 foreign source qualified dividends or foreign source capital gains (including any foreign source capital gain distributions) or losses, use the following instructions to determine whether you must make adjustments to those amounts before you include the amounts on line 1a or line 5 of the MTFTCE Form 1116.

**Foreign qualified dividends.** You must adjust your foreign source qualified dividends before you include those amounts on line 1a of the MTFTCE Form 1116 if:

- Line 53 of Form 8801 is smaller than line 54, and
- Line 32 of Form 8801 is greater than zero.

But you don't need to make any adjustments if:

- You qualified for the adjustment exception under Qualified Dividends and Capital Gain Tax Worksheet (Individuals), Qualified Dividends Tax Worksheet (Estates and Trusts), or Adjustments to foreign qualified dividends under Schedule D Filers, whichever applies, in the Instructions for Form 1116 when you completed your regular tax Form 1116 (or you would've qualified for that adjustment exception if you had completed a regular tax Form 1116) for 2015, and
- Line 32 of Form 8801 isn't more than $185,400 ($92,700 if married filing separately) or if you checked filing status box 3, 4, or 5 on Form 1040NR for 2015.

To adjust your foreign source qualified dividends, multiply your foreign source qualified dividends in each separate category by 0.5357 (instead of 0.3788) if the foreign source qualified dividends are taxed at a rate of 15%, and by 0.7143 (instead of 0.5051) if they are taxed at a rate of 20%. Include the results on line 1a of the applicable MTFTCE Form 1116.

You adjust your foreign source qualified dividends taxed at a rate of 0% by not including them on line 1a of MTFTCE Form 1116. For individuals, the amounts taxed at the 0% rate are on line 11 of the Qualified Dividends and Capital Gain Tax Worksheet in the 2015 Form 1040 instructions, line 9 of the Qualified Dividends and Capital Gain Tax Worksheet in the 2015 Form 1040NR instructions, or line 20 of the Schedule D Tax Worksheet in the 2015 Schedule D (Form 1040) instructions. For estate and trusts, the amounts taxed at the 0% tax rate are found on line 19 of the Schedule D Tax Worksheet in the 2015 Schedule D (Form 1041) instructions or line 8 of the Qualified Dividends Tax Worksheet in the 2015 Form 1041 instructions, whichever applies.

**Other capital gains or losses.** Use Worksheet A in the instructions for the 2015 Form 1116 to determine the adjustments you must make to your foreign source capital gains or losses if you have foreign source capital gains or losses in no more than two separate categories and any of the following apply.

- You weren't required to make adjustments to your foreign source qualified dividends under the rules described earlier (or you wouldn't have been required to make those adjustments if you had foreign source qualified dividends).
- Line 15 or 16 of your 2015 Schedule D (Form 1040) (column (2) of line 18a or 19 of Schedule D (Form 1041)) is zero or a loss.
- You figured your 2015 tax using the Qualified Dividends and Capital Gain Tax Worksheet in the Form 1040 instructions and (a) line 3 of that worksheet minus the amount on line 4e of Form 4952 that you elected to include on line 4g of Form 4952 is zero or less, (b) line 7 of that worksheet is zero, or (c) line 25 of that worksheet is equal to or greater than line 26.
- You figured your 2015 tax using the Qualified Dividends and Capital Gain Tax Worksheet in the Form 1040NR instructions and (a) line 3 of that worksheet is zero, (b) line 5 of that worksheet is zero, or (c) line 23 of that worksheet is equal to or greater than line 24.
- You figured your 2015 tax using the Schedule D Tax Worksheet in the Schedule D (Form 1040) instructions and (a) line 18 of that worksheet is zero, (b) line 9 of that worksheet is zero, or (c) line 43 of that worksheet is equal to or greater than line 44.
- You figured your 2015 tax using Schedule D (Form 1041) and (a) line 27 of Schedule D is zero, (b) line 22 of Schedule D minus the amount on line 4e of Form 4952 that you elected to include on line 4g of Form 4952 is zero or less, or (c) line 43 of Schedule D is equal to or greater than line 44.
- You figured your 2015 tax using the Schedule D Tax Worksheet in the Schedule D (Form 1041) instructions and (a) line 17 of that worksheet is zero, (b) line 9 of that worksheet is zero, or (c) line 42 of that worksheet is equal to or greater than line 43.

Use Worksheet B in the 2015 Form 1116 instructions if you:

- Can't use Worksheet A.
- Had 2015 foreign source capital gains and losses in no more than two separate categories,
• Didn’t have any item of unrecovered section 1250 gain or 28% rate gain or loss, and
• Didn’t have any capital gains taxed at a rate of 0% or 20%.

**Instructions for Worksheets A and B.** When you complete Worksheet A or Worksheet B, don’t use any foreign source capital gains you elected to include on line 4g of Form 4952. Use 0.5357 instead of 0.3788 to complete lines 11, 13, and 15 of Worksheet B and to complete lines 8, 11, and 17 of the Line 15 Worksheet for Worksheet B.

1. If you don’t qualify to use Worksheet A or Worksheet B, use the instructions for **Capital Gains and Losses in Pub. 514, Foreign Tax Credit for Individuals**, to determine the adjustments you make.

**Step 3.** Complete lines 9 through 17 of the MTFTCE Form 1116. For line 9, use the same amount you entered on that line for 2015 for the regular tax. Use your MTFTCE carryover, if any, on line 10.

**Simplified limitation election.** If you figured your 2015 AMTFTC using the simplified limitation election, complete lines 9 through 14 of the MTFTCE Form 1116. For line 9, use the same amount you entered on that line for 2015 for the regular tax. Use your MTFTCE carryover, if any, on line 10. Enter on line 17, the same amount you entered on that line for the 2015 AMT Form 1116.

**Step 4.** Enter the amount from Form 8801, line 4, on line 18 of the MTFTCE Form 1116 and go to **Step 5** unless you must complete an MTFTCE Worksheet for Line 18. In most cases, you must complete an MTFTCE Worksheet for Line 18 if you completed Part III of Form 8801 and:

• Line 53 of Form 8801 is smaller than line 54, and
• Line 32 of Form 8801 is greater than zero.

But even if you meet the requirements above, you don’t need to complete an MTFTCE Worksheet for Line 18 if:

• You qualified for the adjustment exception under **Qualified Dividends and Capital Gain Tax Credit (Individuals)**, **Qualified Dividends Tax Worksheet (Estates and Trusts)**, or **Adjustments to foreign qualified dividends under Schedule D Filers**, whichever applies, in the Instructions for Form 1116 when you completed your regular tax Form 1116 (or you would’ve qualified for that adjustment exception if you had completed a regular tax Form 1116) for 2015, and
• Line 32 of Form 8801 isn’t more than $185,400 ($92,700 if married filing separately for 2015 or if you checked filing status box 3, 4, or 5 on Form 1040NR for 2015).

**Instructions for MTFTCE Worksheet for Line 18.** If you must complete an MTFTCE Worksheet for Line 18 for your MTFTCE Form 1116, you will use the Worksheet for Line 18 in the Instructions for Form 1116 and do the following.

1. Enter the amount from Form 8801, line 4, on line 1 of the worksheet.
2. Skip lines 2 and 3 of the worksheet.
3. Enter the amount from Form 8801, line 51, on line 4 of the worksheet.
4. Multiply line 4 of the worksheet by 0.1071 (instead of 0.3687). Enter the result on line 5 of the worksheet.
5. Enter the amount from Form 8801, line 48, on line 6 of the worksheet.
6. Multiply line 6 of the worksheet by 0.2857 (instead of 0.4949). Enter the result on line 7 of the worksheet.
7. Enter the amount from Form 8801, line 45, on line 8 of the worksheet.
8. Multiply line 8 of the worksheet by 0.4643 (instead of 0.6212). Enter the result on line 9 of the worksheet.
9. Enter the amount from Form 8801, line 38, on line 10 of the worksheet.
10. Complete lines 11 and 12 of the worksheet as instructed on the worksheet.
11. Enter the amount from your MTFTCE Worksheet for Line 18 on your MTFTCE Form 1116, line 18.

**Step 5.** Enter the amount from Form 8801, line 11, on the MTFTCE Form 1116, line 20. Complete lines 19, 21, and 22 of the MTFTCE Form 1116.

**Step 6.** Complete Part IV of the first MTFTCE Form 1116 only.

Enter the amount from that MTFTCE Form 1116, line 30, on Form 8801, line 12.

**Note.** Keep all Forms 1116 you used to figure your MTFTCE, but **don’t attach them to your tax return.**

If line 14 of the MTFTCE Form 1116 is greater than line 21 of the MTFTCE Form 1116, keep a record of the difference. This amount is carried forward and used to figure your MTFTCE next year.

**Part II—Minimum Tax Credit and Carryforward to 2017**

**Line 20**

Enter any qualified electric vehicle credit not allowed for 2015 solely because of the limitation under section 30(b)(3)(B) (as in effect prior to the amendment of section 30 by Public Law 111-5, the American Recovery and Reinvestment Tax Act of 2009).

**Line 21**

If line 21 is zero or less, you don’t have a minimum tax credit or a credit carryforward. Don’t complete the rest of this form and don’t file it.

**Line 22**

Follow the instructions below and refer to your 2016 income tax return to figure the amount to enter on line 22.

**Form 1040.** Add the amounts on lines 44 and 46 of Form 1040. Subtract from the result the total of any credits on lines 48 through 54 (not including any credit for prior year minimum tax or any credit claimed on Form 8912). Enter the result. If the result is zero or less, enter -0-.

**Form 1040NR.** Add the amounts on lines 42 and 44 of Form 1040NR. Subtract from the result the total of any credits on lines 46 through 51 (not including any credit for prior year minimum tax or any credit claimed on Form 8912). Enter the result. If the result is zero or less, enter -0-.

**Form 1041, Schedule G.** Add the credits on lines 2a and 2b, plus any write-in credits on line 2e. Subtract the result from the total of lines 1a and 1b. Enter the result. If the result is zero or less, enter -0-.

**Part III—Tax Computation Using Maximum Capital Gains Rates**

If your 2015 taxable income was zero or less, enter -0- on Form 8801, line 35. You also must take one of the following actions, whichever applies to you, before completing lines 28, 29, and 30 of Part III.

• Complete lines 2 through 6 of the Qualified Dividends and Capital Gain Tax Worksheet in the 2015 Instructions for Form 1040.
• Complete lines 2 through 4 of the Qualified Dividends and Capital Gain Tax Worksheet in the 2015 Instructions for Form 1040NR.
• Complete lines 2 through 13 of the Schedule D Tax Worksheet in the 2015 Instructions for Schedule D (Form 1040)
or the 2015 Instructions for Schedule D (Form 1041), whichever applies.

- Complete lines 2 through 4 of the Qualified Dividends Tax Worksheet in the 2015 Instructions for Form 1041.
- Complete lines 22 through 26 of the 2015 Schedule D (Form 1041).

To determine which worksheet or form above applies to you, see the 2015 Instructions for Form 1040, line 44; Form 1040NR, line 42; or Form 1041, Schedule G, line 1a.

Lines 28, 29, and 30

Follow the instructions below to figure the amounts to enter on lines 28, 29, and 30 if, for 2015:

1. You filed Form 1040NR and didn't use the Schedule D Tax Worksheet to figure your tax,
2. You filed Form 1041 and didn't use the Schedule D Tax Worksheet or Part V of Schedule D (Form 1041) to figure your tax, or
3. You filed Form 2555 or 2555-EZ and have a capital gain excess (defined later).

Otherwise, complete lines 28, 29, and 30 following the instructions for those lines on the form.

Form 1040NR. If (1) above applies, enter the amount from line 4 of the Qualified Dividends and Capital Gain Tax Worksheet in the 2015 Form 1040NR instructions on Form 8801, lines 28 and 30; skip Form 8801, line 29; and enter on Form 8801, line 35, the amount from line 5 of that worksheet.

Estates and trusts. If (2) above applies, enter the amount from line 4 of the Qualified Dividends Tax Worksheet in the 2015 Form 1041 instructions on Form 8801, lines 28 and 30; skip Form 8801, line 29; and enter on Form 8801, lines 35 and 42, the amount from line 5 of that worksheet.

Forms 2555 and 2555-EZ. If you filed either of these forms for 2015 and you have a capital gain excess, you must complete Part III of Form 8801 with certain modifications. To see if you have a capital gain excess, subtract Form 8801, line 10, from line 6 of your 2015 Qualified Dividends and Capital Gain Tax Worksheet (or line 10 of your 2015 Schedule D Tax Worksheet). If the result is more than zero, that amount is your capital gain excess.

If you have a capital gain excess, figure the amounts to enter on lines 28, 29, and 30 of Form 8801 using the following modifications (only for purposes of Part III of Form 8801):

1. Reduce the amount on line 3 of your 2015 Qualified Dividends and Capital Gain Tax Worksheet (but not below zero) by your capital gain excess.
2. Reduce the amount on line 2 of your 2015 Qualified Dividends and Capital Gain Tax Worksheet (but not below zero) by any of your capital gain excess not used in (1).
3. Reduce the amount on your 2015 Schedule D (Form 1040), line 18, (but not below zero) by your capital gain excess.
4. Include your capital gain excess as a loss on line 16 of your 2015 Unrecaptured Section 1250 Gain Worksheet in the 2015 Instructions for Schedule D (Form 1040).

Also see the instructions for line 35.

Line 33

If for 2015 you filed Form 1040NR and Form 8801, line 32, is $185,400 or less ($92,700 or less if you checked filing status box 3, 4, or 5 on Form 1040NR for 2015), multiply line 32 by 26% (0.26). Otherwise, multiply line 32 by 28% (0.28) and subtract $3,708 ($1,854 if you checked filing status box 3, 4, or 5 on Form 1040NR for 2015) from the result.

Line 34

If for 2015 you filed Form 1040NR, enter $37,450 ($74,900 if you checked filing status box 6 on Form 1040NR for 2015).

Line 35

If for 2015 you filed Form 1040NR, enter the amount from line 5 of your 2015 Qualified Dividends and Capital Gain Tax Worksheet in the Instructions for Form 1040NR, line 42, or the amount from line 14 of your 2015 Schedule D Tax Worksheet in the 2015 Instructions for Schedule D (Form 1040), whichever applies. If you didn't complete either worksheet, enter the amount from Form 1040NR, line 41; if zero or less, enter -0-.

Forms 2555 and 2555-EZ. If you filed either of these forms for 2015 and you didn't complete either the Qualified Dividends and Capital Gain Tax Worksheet or the Schedule D Tax Worksheet, enter the amount from line 3 of the Foreign Earned Income Tax Worksheet in the Form 1040 instructions.

Line 40

If for 2015 you filed Form 1040NR, use the following chart to figure the amount to enter on line 40.

<table>
<thead>
<tr>
<th>IF you checked filing status box...</th>
<th>THEN enter on line 40...</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 or 2</td>
<td>$141,200</td>
</tr>
<tr>
<td>3, 4, or 5</td>
<td>$232,425</td>
</tr>
<tr>
<td>6</td>
<td>$464,850</td>
</tr>
</tbody>
</table>

Line 42

Follow the instructions below to figure the amount to enter on line 42.

Form 1040. If you didn't complete the 2015 Qualified Dividends and Capital Gain Tax Worksheet or the 2015 Schedule D Tax Worksheet, enter the amount from your 2015 Form 1040, line 43; if less than zero, enter -0-. If you didn't complete either 2015 worksheet and you filed a 2015 Form 2555 or Form 2555-EZ, enter the amount from line 3 of the Foreign Earned Income Tax Worksheet in the 2015 Form 1040 instructions.

Form 1040NR. If you filed a 2015 Form 1040NR, enter the amount from line 5 of your 2015 Qualified Dividends and Capital Gain Tax Worksheet in the Instructions for Form 1040NR, line 42, or the amount from line 19 of the 2015 Schedule D Tax Worksheet in the Instructions for Schedule D (Form 1040), whichever applies. If you didn't complete either 2015 worksheet, enter the amount from your 2015 Form 1040NR, line 41; if zero or less, enter -0-.

Line 54

If for 2015 you filed Form 1040NR and Form 8801, line 27, is $185,400 or less ($92,700 or less if you checked filing status box 3, 4, or 5 on Form 1040NR for 2015), multiply line 27 by 26% (0.26). Otherwise, multiply line 27 by 28% (0.28) and subtract $3,708 ($1,854 if you checked filing status box 3, 4, or 5 on Form 1040NR for 2015) from the result.

Paperwork Reduction Act Notice. We ask for the information on this form to carry out the Internal Revenue laws of the United States. You are required to give us the information. We need it to ensure that you are complying with these laws and to allow us to figure and collect the right amount of tax.
You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by section 6103.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated burden for individual taxpayers filing this form is approved under OMB control number 1545-0074 and is included in the estimates shown in the instructions for their individual income tax return. The estimated burden for all other taxpayers who file this form is shown below.
