## Introduction

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDO's). The directory for each calendar quarter is based on information submitted to the Internal Revenue Service during that quarter. This publication is only available on the IRS electronic bulletin board and the Internet.

For each quarter, there is:

- A directory of new REMICs and CDOs, and
- A section containing amended listings.

You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs.

The directory for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

**Other information.** Publication 550, *Investment Income and Expenses*, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G of the Internal Revenue Code and any regulations issued under those sections.

**Back issues.** To get information for a REMIC or CDO with a startup/issue date prior to 1997 follow these procedures.

**Prior to 1996.** Paper editions of Publication 938 are available for periods prior to 1996. The November 1991 edition contains a complete directory of REMICs and CDOs with startup/issue dates before October 1, 1991. After that edition, yearly supplements were issued. The November 1995 edition was the last paper edition of Publication 938. To order back issues of the paper editions, call 1-800-TAX-FORM (1-800-829-3676), or mail Form 6112, *Prior Years' Tax Form Order*. Be sure to specify which edition you want.

**After 1995.** After the November 1995 edition, Publication 938 is only available electronically. Back issues of these publications are only available on the IRS electronic bulletin board (IRP-BBS) in Martinsburg, WV. Using a computer with a modem, dial 1-304-264-7070 and follow the instructions. (This is not a toll-free call.)

## Who Should Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

- 1) A broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.
- 2) A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.

- 3) The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee:
- a) A corporation,
  - b) A non-calendar year taxpayer,
  - c) A dealer in securities or commodities required to register as such under the laws of the United States or a state,
  - d) A real estate investment trust (as defined in IRC 856),
  - e) An entity registered at all times during the taxable year under the Investment Company Act of 1940,
  - f) A common trust fund (as defined in IRC 584(a)),
  - g) A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association, credit union, industrial loan association or bank, or other similar organization,

- h) Any trust which is exempt from tax under IRC 664(c) (i.e., a charitable remainder annuity trust or a charitable remainder unitrust), and
- i) A REMIC.

**Note.** A person listed in (3) above who holds an interest through a nominee (instead of directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below for requesting information from the representative.

---

## How to Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request information from the representative

or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- 1) 30 days after the close of the calendar quarter for which you request the information, or
- 2) Two weeks after receiving your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information, or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.
