Introduction
Section references are to the Internal Revenue Code unless otherwise noted.

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDOs). The directory for each calendar quarter is based on information submitted to the IRS during that quarter.

For each quarter, there is a directory of new REMICs and CDOs, and, if required, a section containing amended listings. You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs. The update for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

Publication 938 is only available on the Internet. To get Publication 938, including back issues of the publication, visit IRS.gov.

Future developments. The IRS has created a page on IRS.gov that includes information about Publication 938 at www.irs.gov/pub938. Information about any future developments affecting Publication 938 will be posted on that page.

Other information. Publication 550, Investment Income and Expenses, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G of the Internal Revenue Code and the regulations issued under those sections.

Who May Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

1. Any broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.

2. A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.

3. The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee.
   a. A corporation.
   b. A non-calendar year taxpayer.
   c. A dealer in securities or commodities required to register as such under the laws of the United States or a state.
   d. A real estate investment trust (as defined in section 856).
e. An entity registered at all times during the tax year under the Investment Company Act of 1940.

f. A common trust fund (as defined in section 584(a)).

g. A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association, credit union, industrial loan association or bank, or other similar organization.

h. Any trust that is exempt from tax under section 664(c) (a charitable remainder annuity trust or a charitable remainder unitrust).

i. A REMIC.

Note. A person listed in (3) above who holds an interest through a nominee (instead of directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below for requesting information from the representative.

---

How To Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request information from the representative or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- The 30th day after the close of the calendar quarter for which you request the information,
- The 14th day after the receipt of your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information, or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.

How To Get Tax Help

You can get help with unresolved tax issues, order free publications and forms, ask tax questions, and get information from the IRS in several ways. By selecting the method that is best for you, you will have quick and easy access to tax help.

Free help with your return. Free help in preparing your return is available nationwide from IRS-certified volunteers. The Volunteer Income Tax Assistance (VITA) program is designed to help low-income and moderate-income taxpayers and the Tax Counseling for the Elderly (TCE) program is designed to assist taxpayers age 60 and older with their tax returns. Most VITA and TCE sites offer free electronic filing and all volunteers will let you know about credits and deductions you may be entitled to claim. To find the nearest VITA or TCE site, visit IRS.gov or call 1-800-906-9887 or 1-800-829-1040.

As part of the TCE program, AARP offers the Tax-Aide counseling program. To find the nearest AARP Tax-Aide site, call 1-888-227-7669 or visit AARP’s website at www.aarp.org/money/taxaide.

Evaluating the quality of our telephone services. To ensure IRS representatives give accurate, courteous, and professional answers, we use several methods to evaluate the quality of our telephone services. One method is for a second IRS representative to listen in on or record random telephone calls. Another is to ask some callers to complete a short survey at the end of the call.

Walk-in. Many products and services are available on a walk-in basis.
- Products. You can walk in to many post offices, libraries, and IRS offices to pick up certain forms, instructions, and publications. Some IRS offices, libraries, grocery stores, copy centers, city and county government offices, credit unions, and office supply stores have a collection of products available to print from a CD or photocopy from reproducible proofs. Also, some IRS offices and libraries have the Internal Revenue Code, regulations, Internal Revenue Bulletins, and Cumulative Bulletins available for research purposes.
- Services. You can walk in to your local Taxpayer Assistance Center every business day for personal, face-to-face tax help. An employee can explain IRS letters, request adjustments to your tax account, or help you set up a payment plan. If you need to resolve a tax problem, have questions about how the tax law applies to your individual tax return, or you are more comfortable talking with someone in person, visit your local Taxpayer Assistance Center where you can spread out your records and talk with an IRS representative face-to-face. No appointment is necessary—just walk in. If you prefer, you can call your local Center and leave a message requesting an appointment to resolve a tax account issue. A representative will call you back within 2 business days to schedule an in-person appointment at your convenience. If you have an ongoing, complex tax account problem or a special need, such as a disability, an appointment can be requested.
All other issues will be handled without an appointment. To find the number of your local office, go to www.irs.gov/localcontacts or look in the phone book under United States Government, Internal Revenue Service.

Taxpayer Advocate Service. The Taxpayer Advocate Service (TAS) is your ombudsman at the IRS. Our job is to ensure that every taxpayer is treated fairly, and that you know and understand your rights. We offer free help to guide you through the often-confusing process of resolving tax problems that you haven’t been able to solve on your
own. Remember, the worst thing you can do is nothing at all.

TAS can help if you can’t resolve your problem with the IRS and:

- Your problem is causing financial difficulties for you, your family, or your business.
- You face (or your business is facing) an immediate threat of adverse action.
- You have tried repeatedly to contact the IRS but no one has responded, or the IRS has not responded to you by the date promised.

If you qualify for our help, we’ll do everything we can to get your problem resolved. You will be assigned to one advocate who will be with you at every turn. We have offices in every state, the District of Columbia, and Puerto Rico. Although TAS is independent within the IRS, our advocates know how to work with the IRS to get your problems resolved. And our services are always free.

As a taxpayer, you have rights that the IRS must abide by in its dealings with you. Our tax toolkit at www.TaxpayerAdvocate.irs.gov can help you understand these rights.

If you think TAS might be able to help you, call your local advocate, whose number is in your phone book and on our website at www.irs.gov/advocate. You can also call our toll-free number at 1-877-777-4778.

TAS also handles large-scale or systemic problems that affect many taxpayers. If you know of one of these broad issues, please report it to us through our Systemic Advocacy Management System at www.irs.gov/advocate.

Low Income Taxpayer Clinics (LITCs). Low Income Taxpayer Clinics (LITCs) are independent from the IRS. Some clinics serve individuals whose income is below a certain level and who need to resolve a tax problem. These clinics provide professional representation before the IRS or in court on audits, appeals, tax collection disputes, and other issues for free or for a small fee. Some clinics can provide information about taxpayer rights and responsibilities in many different languages for individuals who speak English as a second language. For more information and to find a clinic near you, see the LITC page on www.irs.gov/advocate or IRS Publication 4134, Low Income Taxpayer Clinic List.

This publication is also available by calling 1-800-829-3676 or at your local IRS office.
