Introduction

Section references are to the Internal Revenue Code unless otherwise noted.

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDOs). The directory for each calendar quarter is based on information submitted to the IRS during that quarter.

For each quarter, there is a directory of new REMICs and CDOs and, if required, a section containing amended listings. You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs. The update for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

Publication 938 is only available on the Internet. To get Publication 938, including prior issues, visit [IRS.gov](https://www.irs.gov).

Future developments. The IRS has created a page on [IRS.gov](https://www.irs.gov) that includes information about Publication 938 at [IRS.gov/Pub938](https://www.irs.gov/pub938). Information about any future developments affecting Publication 938 (such as legislation enacted after we release it) will be posted on that page.

Other information. Publication 550, Investment Income and Expenses, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G and the regulations issued under those sections.

Who May Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

1. Any broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.
2. A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.
3. The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee.
 - a. A corporation.
 - b. A fiscal year taxpayer.
 - c. A dealer in securities or commodities required to register as such under the laws of the United States or a state.
 - d. A real estate investment trust (as defined in section 856).

- e. An entity registered at all times during the tax year under the Investment Company Act of 1940.
- f. A common trust fund (as defined in section 584(a)).
- g. A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association, credit union, industrial loan association or bank, or other similar organization.
- h. Any trust that is exempt from tax under section 664(c) (a charitable remainder annuity trust or a charitable remainder unitrust).
- i. A REMIC.

Note: A person listed in (3) above who holds an interest through a nominee (instead

of directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below for requesting information from the representative.

How To Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request information from the representative or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- The 30th day after the close of the calendar quarter for which you request the information, or
- The 14th day after the receipt of your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information (for example, a webpage), or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.

How To Get Tax Help

If you have questions about a tax issue; need help preparing your tax return; or want to download free publications, forms, or instructions, go to [IRS.gov](https://www.irs.gov) to find resources that can help you right away.

Tax reform. Tax reform legislation impacting federal taxes, credits, and deductions was enacted in P.L. 119-21, commonly known as the One Big Beautiful Bill Act, on July 4, 2025. Go to [IRS.gov/OBBB](https://www.irs.gov/OBBB) for more information and updates on how this legislation affects your taxes.

Preparing and filing your tax return. After receiving all your wage and earnings statements (Forms W-2, W-2G, 1099-R, 1099-MISC, 1099-NEC, etc.); unemployment compensation statements (by mail or in a digital format) or other government payment statements (Form 1099-G); and interest, dividend, and retirement statements from banks and investment firms (Forms 1099), you have several options to choose from to prepare and file your tax return. You can prepare the tax return yourself, see if you qualify for free tax preparation, or hire a tax professional to prepare your return.

Free options for tax preparation. Your options for preparing and filing your return online or in your local community, if you qualify, include the following.

- **Free File.** This program lets you prepare and file your federal individual income tax return for free using software or Free File Fillable Forms. However, state tax preparation may not be available through Free File. Go to [IRS.gov/FreeFile](https://www.irs.gov/FreeFile) to see if you qualify for free online federal tax preparation, e-filing, and direct deposit or payment options.
- **VITA.** The Volunteer Income Tax Assistance (VITA)

program offers free tax help to people with low-to-moderate incomes, persons with disabilities, and limited-English-speaking taxpayers who need help preparing their own tax returns. Go to [IRS.gov/VITA](https://www.irs.gov/VITA), download the free IRS2Go app, or call 800-906-9887 for information on free tax return preparation.

- **TCE.** The Tax Counseling for the Elderly (TCE) program offers free tax help for all taxpayers, particularly those who are 60 years of age and older. TCE volunteers specialize in answering questions about pensions and retirement-related issues unique to seniors. Go to [IRS.gov/TCE](https://www.irs.gov/TCE) or download the free IRS2Go app for information on free tax return preparation.
- **MilTax.** Members of the U.S. Armed Forces and qualified veterans may use MilTax, a free tax service offered by the Department of Defense through Military OneSource. For more information, go to [MilitaryOneSource \(MilitaryOneSource.mil/MilTax\)](https://MilitaryOneSource.com/MilitaryOneSource.mil/MilTax).

Also, the IRS offers Free Fillable Forms, which can be completed online and then e-filed regardless of income.

Using online tools to help prepare your return. Go to [IRS.gov/Tools](https://www.irs.gov/Tools) for the following.

- The [Earned Income Tax Credit Assistant \(IRS.gov/CreditAssistant\)](https://www.irs.gov/CreditAssistant) determines if you're eligible for the earned income credit (EIC).
- The [Online EIN Application \(IRS.gov/EIN\)](https://www.irs.gov/EIN) helps you get an employer identification number (EIN) at no cost.
- The [Tax Withholding Estimator \(IRS.gov/W4App\)](https://www.irs.gov/W4App) makes it easier for you to estimate the federal income tax you want your employer to

withhold from your paycheck. This is tax withholding. See how your withholding affects your refund, take-home pay, or tax due.

- The [Sales Tax Deduction Calculator \(IRS.gov/SalesTax\)](https://www.irs.gov/SalesTax) figures the amount you can claim if you itemize deductions on Schedule A (Form 1040).

Getting answers to your tax questions. On [IRS.gov](https://www.irs.gov), you can get up-to-date information on current events and changes in tax law.

- [IRS.gov/Help](https://www.irs.gov/Help): A variety of tools to help you get answers to some of the most common tax questions.
- [IRS.gov/ITA](https://www.irs.gov/ITA): The Interactive Tax Assistant, a tool that will ask you questions and, based on your input, provide answers on a number of tax topics.
- [IRS.gov/Forms](https://www.irs.gov/Forms): Find forms, instructions, and publications. You will find details on the most recent tax changes and interactive links to help you find answers to your questions.
- You may also be able to access tax information in your e-filing software.

Need someone to prepare your tax return? There are various types of tax return preparers, including enrolled agents, certified public accountants (CPAs), accountants, and many others who don't have professional credentials. If you choose to have someone prepare your tax return, choose that preparer wisely. A paid tax preparer is:

- Primarily responsible for the overall substantive accuracy of your return,
- Required to sign the return, and

- Required to include their preparer tax identification number (PTIN).

Although the tax preparer always signs the return, you're ultimately responsible for providing all the information required for the preparer to accurately prepare your return and for the accuracy of every item reported on the return. Anyone paid to prepare tax returns for others should have a thorough understanding of tax matters. For more information on how to choose a tax preparer, go to [Tips for Choosing a Tax Preparer](https://www.irs.gov/TipsforChoosingaTaxPreparer) on [IRS.gov](https://www.irs.gov).

Employers can register to use Business Services Online.

The Social Security Administration (SSA) offers online service at [SSA.gov/employer](https://www.ssa.gov/employer) for fast, free, and secure W-2 filing options to CPAs, accountants, enrolled agents, and individuals who process Form W-2, Wage and Tax Statement; and Form W-2c, Corrected Wage and Tax Statement.

Business tax account. If you are a sole proprietor, a partnership, an S corporation, a C corporation, or a single-member limited liability company (LLC), you can view your tax information on record with the IRS and do more with a business tax account. Go to [IRS.gov/BusinessAccount](https://www.irs.gov/BusinessAccount) for more information.

IRS social media. Go to [IRS.gov/SocialMedia](https://www.irs.gov/SocialMedia) to see the various social media tools the IRS uses to share the latest information on tax changes, scam alerts, initiatives, products, and services. At the IRS, privacy and security are our highest priority. We use these tools to share public information with you. **Don't** post your social security number (SSN) or other confidential information on social media sites. Always protect your identity when using any social networking site.

The following IRS YouTube channels provide short, informative videos on various tax-related topics in English and ASL.

- [Youtube.com/irsvideos](https://www.youtube.com/irsvideos).
- [Youtube.com/irsvideosASL](https://www.youtube.com/irsvideosASL).

Online tax information in other languages. You can find information on [IRS.gov/MyLanguage](https://www.irs.gov/MyLanguage) if English isn't your native language.

Over-the-Phone Interpreter (OPI) Service. The IRS offers the OPI Service to taxpayers needing language interpretation. The OPI Service is available at Taxpayer Assistance Centers (TACs), most IRS offices, and every VITA/TCE tax return site. This service is available in Spanish, Mandarin, Cantonese, Korean, Vietnamese, Russian, and Haitian Creole.

Accessibility Helpline available for taxpayers with disabilities. Taxpayers who need information about accessibility services can call 833-690-0598. The Accessibility Helpline can answer questions related to current and future accessibility products and services available in alternative media formats (for example, braille-ready, large print, audio, etc.). The Accessibility Helpline does not have access to your IRS account. For help with tax law, refunds, or account-related issues, go to [IRS.gov/LetUsHelp](https://www.irs.gov/LetUsHelp).

Alternative media preference. Form 9000, Alternative Media Preference, or Form 9000(SP) allows you to elect to receive certain types of written correspondence in the following formats.

- Standard Print.
- Large Print.
- Braille.
- Audio (MP3).
- Plain Text File (TXT).
- Braille-Ready File (BRF).

Disasters. Go to [IRS.gov/DisasterRelief](https://www.irs.gov/DisasterRelief) to review the available disaster tax relief.

Getting tax forms and publications. Go to [IRS.gov/Forms](https://www.irs.gov/Forms) to view, download, or print all the forms, instructions, and publications you may need. Or you can go to [IRS.gov/OrderForms](https://www.irs.gov/OrderForms) to place an order.

Mobile-friendly forms. You'll need an IRS Online Account (OLA) to complete mobile-friendly forms that require signatures. You'll have the option to submit your form(s) online or download a copy for mailing. You'll need scans

of your documents to support your submission. Go to [IRS.gov/MobileFriendlyForms](https://www.irs.gov/MobileFriendlyForms) for more information.

Getting tax publications and instructions in eBook format. Download and view most tax publications and instructions (including the Instructions for Form 1040) on mobile devices as eBooks at [IRS.gov/eBooks](https://www.irs.gov/eBooks).

IRS eBooks have been tested using Apple's iBooks for iPad. Our eBooks haven't been tested on other dedicated eBook readers, and eBook functionality may not operate as intended.

Access your online account (individual taxpayers only). Go to [IRS.gov/Account](https://www.irs.gov/Account) to securely access information about your federal tax account.

- View the amount you owe and a breakdown by tax year.
- See payment plan details or apply for a new payment plan.
- Make a payment or view 5 years of payment history and any pending or scheduled payments.
- Access your tax records, including key data from your most recent tax return, and transcripts.
- View digital copies of select notices from the IRS.
- Approve or reject authorization requests from tax professionals.

Get a transcript of your return. With an online account, you can access a variety of information to help you during the filing season. You can get a transcript, review your most recently filed tax return, and get your adjusted gross income. Create or access your online account at [IRS.gov/Account](https://www.irs.gov/Account).

Tax Pro Account. This tool lets your tax professional submit an authorization request to access your individual taxpayer IRS OLA. For more information, go to [IRS.gov/TaxProAccount](https://www.irs.gov/TaxProAccount).

Using direct deposit. The safest and easiest way to receive a tax refund is to e-file and choose direct deposit, which securely and electronically transfers your refund directly into your financial account. Direct deposit also avoids the possibility that your check could be lost, stolen, destroyed, or returned undeliverable to the IRS. Eight in 10 taxpayers use direct deposit to receive their refunds. If you don't have a bank account, go to [IRS.gov/DirectDeposit](https://www.irs.gov/DirectDeposit) for more information on where to find a bank

or credit union that can open an account online.

Reporting and resolving your tax-related identity theft issues.

- Tax-related identity theft happens when someone steals your personal information to commit tax fraud. Your taxes can be affected if your SSN is used to file a fraudulent return or to claim a refund or credit.
- The IRS doesn't initiate contact with taxpayers by email, text messages (including shortened links), telephone calls, or social media channels to request or verify personal or financial information. This includes requests for personal identification numbers (PINs), passwords, or similar information for credit cards, banks, or other financial accounts.
- Go to [IRS.gov/IdentityTheft](https://www.irs.gov/IdentityTheft), the IRS Identity Theft Central webpage, for information on identity theft and data security protection for taxpayers, tax professionals, and businesses. If your SSN has been lost or stolen or you suspect you're a victim of tax-related identity theft, you can learn what steps you should take.
- Get an Identity Protection PIN (IP PIN). IP PINs are six-digit numbers assigned to taxpayers to help prevent the misuse of their SSNs on fraudulent federal income tax returns. When you have an IP PIN, it prevents someone else from filing a tax return with your SSN. To learn more, go to [IRS.gov/IPPIN](https://www.irs.gov/IPPIN).

Ways to check on the status of your refund.

- Go to [IRS.gov/Refunds](https://www.irs.gov/Refunds).
- Download the official IRS2Go app to your mobile device to check your refund status.
- Call the automated refund hotline at 800-829-1954.

The IRS can't issue refunds before mid-February for returns that claimed the EITC or the additional child tax credit (ACTC). This applies to the entire refund, not just the portion associated with these credits.

Making a tax payment. The IRS recommends paying electronically whenever possible. Options to pay electronically are included in the list below. Payments of U.S. tax must be remitted to the IRS in U.S. dollars. [Digital assets](https://www.irs.gov/DigitalAssets) are **not** accepted. Go to [IRS.gov/Payments](https://www.irs.gov/Payments) for information on how to make a

payment using any of the following options.

- **IRS Direct Pay:** Pay taxes from your bank account. It's free and secure, and no sign-in is required. You can change or cancel within 2 days of scheduled payment.
- **Debit Card, Credit Card, or Digital Wallet:** Choose an approved payment processor to pay online or by phone.
- **Electronic Funds Withdrawal:** Schedule a payment when filing your federal taxes using tax return preparation software or through a tax professional.
- **Electronic Federal Tax Payment System:** This is the best option for businesses. Enrollment is required.
- **Check or Money Order:** Mail your payment to the address listed on the notice or instructions.
- **Cash:** You may be able to pay your taxes with cash at a participating retail store.
- **Same-Day Wire:** You may be able to do same-day wire from your financial institution. Contact your financial institution for availability, cost, and time frames.

Note: The IRS uses the latest encryption technology to ensure that the electronic payments you make online, by phone, or from a mobile device using the IRS2Go app are safe and secure. Paying electronically is quick and easy.

What if I can't pay now? Go to [IRS.gov/Payments](https://www.irs.gov/Payments) for more information about your options.

- Apply for an [online payment agreement \(IRS.gov/OPA\)](https://www.irs.gov/OPA) to meet your tax obligation in monthly installments if you can't pay your taxes in full today. Once you complete the online process, you will receive immediate notification of whether your agreement has been approved.
- Use the [Offer in Compromise Pre-Qualifier](https://www.irs.gov/PreQualifier) to see if you can settle your tax debt for less than the full amount you owe. For more information on the Offer in Compromise program, go to [IRS.gov/OIC](https://www.irs.gov/OIC).

Filing an amended return. Go to [IRS.gov/1040X](https://www.irs.gov/1040X) for information and updates.

Checking the status of your amended return. Go to [IRS.gov/WMAR](https://www.irs.gov/WMAR) to track the status of Form 1040-X amended returns.

It can take up to 3 weeks from the date you filed your amended return for it to show up in our system, and processing it can take up to 16 weeks.

Understanding an IRS notice or letter you've received. Go to [IRS.gov/Notices](https://www.irs.gov/Notices) to find additional information about responding to an IRS notice or letter.

IRS Document Upload Tool. You may be able to use the Document Upload Tool to respond digitally to eligible IRS notices and letters by securely uploading required documents online through IRS.gov. For more information, go to [IRS.gov/DUT](https://www.irs.gov/DUT).

Schedule LEP. You can use Schedule LEP (Form 1040), Request for Change in Language Preference, to state a preference to receive notices, letters, or other written communications from the IRS in an alternative language. You may not immediately receive written communications in the requested language. The IRS's commitment to LEP taxpayers is part of a multi-year timeline that began providing translations in 2023. You will continue to receive communications, including notices and letters, in English until they are translated to your preferred language.

Contacting your local TAC. Keep in mind, many questions

can be answered on IRS.gov without visiting a TAC. Go to [IRS.gov/LetUsHelp](https://www.irs.gov/LetUsHelp) for the topics people ask about most. If you still need help, TACs provide tax help when a tax issue can't be handled online or by phone. All TACs now provide service by appointment, so you'll know in advance that you can get the service you need without long wait times. Before you visit, go to [IRS.gov/TAC](https://www.irs.gov/TAC) to find the nearest TAC and to check hours, available services, and appointment options. Or, on the IRS2Go app, under the Stay Connected tab, choose the Contact Us option and click on "Local Offices."

What Is the Taxpayer Advocate Service?

The Taxpayer Advocate Service (TAS) is an **independent** organization within the Internal Revenue Service (IRS). TAS helps taxpayers resolve problems with the IRS, makes administrative and legislative recommendations

to prevent or correct the problems, and protects taxpayer rights. We work to ensure that every taxpayer is treated fairly and that you know and understand your rights under the Taxpayer Bill of Rights. We are Your Voice at the IRS.

How Can TAS Help Me?

TAS can help you resolve problems that you haven't been able to resolve with the IRS on your own. Always try to resolve your problem with the IRS first, but if you can't, then come to TAS. **Our services are free.**

- TAS helps all taxpayers (and their representatives), including individuals, businesses, and exempt organizations. You may be eligible for TAS help if your IRS problem is causing financial difficulty, if you've tried and been unable to resolve your issue with the IRS, or if you believe an IRS system, process, or procedure just isn't working as it should.
- To get help any time with general tax topics, visit www.TaxpayerAdvocate.IRS.gov. The site can help you with common tax issues and situations, such as what to do if you make a mistake on your return or if you get a notice from the IRS.

- TAS works to resolve large-scale (systemic) problems that affect many taxpayers. You can report systemic issues at www.IRS.gov/SAMS. (Be sure not to include any personal identifiable information.)
