## **Tax Record Check Notice**

**We are going to review your tax records to verify that you have complied with your legal tax obligations.**

**If you have not met your tax obligations, you will not be given access to any IRS controlled facility or sensitive but unclassified information; nor will you be able to do any design, operation, repair, or maintenance work involving information systems.**

**More information is available at [www.irs.gov](http://www.irs.gov).**
