SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

Changes to the applicable law were made by the Miscellaneous Trade and Technical Corrections Act of 1999, Public Law 106-36 (113 Stat. 127). On January 4, 2001, temporary regulations (TD 8924) were published in the **Federal Register** (66 FR 723) under section 301 of the Internal Revenue Code, relating to liabilities assumed in connection with a distribution of property made by a corporation with respect to its stock. A notice of proposed rulemaking cross-referencing the temporary regulations

was published in the **Federal Register** for the same day (66 FR 748). No public hearing was requested or held.

No written comments responding to the notice were received. This document adopts, without substantive change, final regulations with respect to the notice of proposed rulemaking.

Effective Date

The regulations apply generally to distributions occurring after January 4, 2001. The regulations also apply to distributions occurring on or prior to January 4, 2001, if the distribution is made as part of a transaction described in, or substantially similar to, the transaction in Notice 99-59 (1999-2 C.B. 761), including transactions designed to reduce gain. Under section 7805(b)(3), the Secretary may provide that any regulation may take effect or apply retroactively to prevent abuse. These regulations are being applied retroactively to prevent the abuse described in Notice 99-59. No inference should be drawn regarding the tax treatment of distributions not covered by these regulations.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required.

It is hereby certified that these final regulations do not have a significant economic impact on a substantial number of small entities. These final regulations under section 301 address distributions by corporations in which liabilities are assumed by the shareholders or in which the distributed property is subject to liabilities. These final regulations provide that the amount of a distribution under section 301 will be reduced by the amount of any liability that is treated as assumed by the distributee within the meaning of section 357(d).

These regulations apply to persons receiving distributions of property in which the property is subject to a liability, or in which liabilities are assumed by the distributee. These regulations, however, will affect only those persons described in the preceding sentence that would have, but for the regulations, considered liabilities to have been assumed in circumstances other than those described in section 357(d). Therefore, most businesses will not be affected by the final regulations in any given year. Therefore, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act (5 U.S.C. chapter 6) is not required. Pursuant to section 7805(f) of the Code, the notice of proposed rulemaking accompanying these regulations was submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small businesses.

Drafting Information

The principal author of these regulations is Michael N. Kaibni of the Office of the Associate Chief Counsel (Corporate). However, other personnel from the IRS and Treasury Department participated in their development.
