

## ATS and Production Issues TY2017

ATS and Production: October 2017 -February 2018					
Item#	Issue/Question	Date Opened	Resolution	Environment (ATS / Production)	Status
2	Taxhawk asked about errors due to R-0000-906-02	01/30/2018	The user was requested to contact the MeF Mailbox regarding this. We are working on updating R-0000-906-02 to resolve this issue.	Production	Open
1	UltraTax asked about the Schedule A changes due to the business rules	01/29/2018	A Known Issue has been posted until the next schema release.	Production	Closed
5	Disabling business rules FW2G-001 and FW2G-008	11/02/17	We will be disabling business rules FW2G-001 and FW2G-008. We will notify you when the two rules have been updated.	ATS	Closed
4	Form 1040NR -receiving an error alert for the health care act.	11/01/17	The form 8962 can be attached to the 1040NR.	ATS	Closed
1	Form 1040 – 6 additional scenarios and passing testing.	10/31/17	You can test and pass using the 10 scenarios that are currently available. The 6 additional scenarios will be issued in mid-December. You are not required to test the last 6 however it is strongly recommended that you do test the additional 6 scenarios.	ATS	Closed
2	Form 8838P will it be coming through the Form 8865 only?	10/31/17	The form 8838P does come in with the Form 8865 Schedule O only to be more specific.	ATS	Closed
3	Form 8862 – will there be new scenarios and schemas?	10/31/17	Yes, one of the 6 scenarios will include the F8862 and there will be program changes for this form which include the schema.	ATS	Closed
