EXAMINATIONS

Tables 9 through 12 provide information about examinations of most types of tax returns. Table 9 provides an overview of examinations of income tax returns, estate and gift tax returns, employment tax returns, excise tax returns, and certain other business tax returns. Table 10 provides additional information about those examinations in which the taxpayer did not agree with the IRS examiner's determination. Table 11 provides information on examinations that prevented the erroneous payment of refunds. Table 12 shows the number of examinations that resulted in additional refunds paid to the taxpayer and the amount of refunds recommended.

Table 13 provides information about examinations of tax-exempt organizations, such as charitable organizations and foundations, and employee retirement plans. These organizations generally do not owe Federal income tax. However, tax-exempt organizations may owe additional payroll taxes, unrelated business income tax, or excise taxes. In addition, changes to exempt organization returns may lead to adjustments on related taxable returns. Examinations of related returns are also included in Table 13 (and excluded from Tables 9 through 12).
